

SPURS 1 NORTH AND JUDD MARKED DROP SHANK SNOWFLAKE SPURS W/ STRAPS \$725

We have owned these fine condition and all original NORTH AND JUDD California style drop shank spurs for nearly 30 years. They are, of course, ANCHOR marked, have the original chains and have a single mounted chased design and fabulous snowflake rowels. The spurs measure 6" long, the heel bands measure 3 3/8" wide inside and are 9/16" wide on the off-side. The eight point rowels measure 1 3/4" across. The leather basket weave straps have a nice aged chocolate color, are in incredible condition, and may be original to the spurs.
