

HAT 12 \$2,050

This is simply an incredible early Tom Mix style cowboy hat c/1920's. It is a very large hat with a commanding presence and is in fine condition. The hat is marked 3X BEAVER QUALITY STETSON, XXX STETSON and PRICE PATTON FAYETTEVILLE, ARK. The hat has the original liner, is a light tan color and has a crème colored ribbon hat band and ribbon bound brim. The hat measures 16 ½" front to back and 14 ¼" side to side. Inside the sweatband measures 7 ¼" front to back and 6 3/8" side to side. We estimate the hat to be about a size 7 3/8 but do not guarantee fit. The crown is 8" high from the base. This is a superb early cowboy hat and would be a stunning addition to any serious collection.
