

PRINT 3 COLOR IN THE SNOW by STEPHEN LYMAN 1989 \$3,100

This large and fabulous print, COLOR IN THE SNOW by STEPHEN LYMAN 1989, is a Ringneck Pheasant against a snowy background. Stephen, grew up in the Pacific Northwest and is now deceased, as he tragically perished in a fall at Yosemite National Park in April, 1996. This limited-edition print is numbered 389/1500, signed by the artist, and is, of course, in pristine condition. Professionally framed, it measures 38" x 26". Any distortion in the photos is due to the light on the glass. The original tear sheet is included.
