

ANTIQUe 41 \$245

18th century sailing ship's oil lamp with rooster that we purchased from Vic Williams, a renowned collector who only owned the best. It is in absolutely superb condition. The lamp measures 7 ¼" high and 5 1/8" wide. The rod with hook measures 16" long. This oil lamp is the real deal and the chicken is pretty neat. This piece is quite heavy and has markings that we cannot make out.
