

BOOTS 94 \$275

These superb JUSTIN cowboy boots are, well, BIG! They are size 15E and measure 13 ½” long 14 ½” high and 4 ¾” across the soles. We do not guarantee fit. The condition is superb with only minor toe scuffs which do not detract and they have leather pulls. The detailed scroll stitching enhances the light caramel color of the boots, and the soles are in nice condition. Marked Justin Style 2700. From a collection 30 years ago. Did we say that they are BIG?
