

SPURS 100 CANON CITY PRISON DOUBLE MOUNTED DIAMOND CHECK PATTERN SPURS WITH STRAPS \$2,250

This superb and all original pair of CANON CITY PRISON spurs are a smaller version of the classic inlaid diamond or check pattern heel bands and inlaid drop shanks. The incredibly well made spurs measure 6 3/8" long, 3" across inside the heel bands, and the 10 point rowels measure 1 3/4" across. They are fitted with a very nice condition pair of old straps with roller buckles that are perfect for the spurs.
