

SPOON 2 \$145

This fine c/1910 highly detailed sterling silver cowboy roping a steer is superb and among the best western related we have seen. With substantial weight, the image on the front of the handle has incredible detail and the inscription Roped Up on the stem. On the reverse side of the handle is an image of a cowboy on horseback in a desert scene. The spoon measures 5 3/16" long and is marked Sterling.
