

SPURS 56 RARE KELLY BROS. AND PARKER DOUBLE MOUNTED HEART BUTTON SPURS c1912-1919 WITH STRAPS \$2,450

This fine and all original pair of KELLY BROS. AND PARKER double mounted heart button spurs are just super rare to find and will be a superb addition to any serious collection. We found these spurs in Oklahoma over 28 years ago. The spurs measure 6 1/2" long, the heel bands measure 3 3/8" across inside and the heel bands are 7/8" wide. The rowels measure 1 7/8" across. One spur is marked on both heel bands at the buttons. The fine condition two piece basket weave straps appear to have been with the spurs for quite some time.
