

BOOTS 166 \$115

These nice vintage kid's cowboy boots were made in the classic style, appear to be custom made and have unmarked cloth pulls. They have brown lowers and dark brown uppers with white inlay and red steer inlays at the front of the shafts. With white piping at the crowns, they measure 6 3/8" long, 6 1/4" tall and 2 3/4" across the soles. We do not guarantee fit.
