

BOOTS 99 \$375

These amazing vintage ACME cowboy boots are in fabulous condition and appear to have never been worn. From another collection 28 years ago. With burgundy lowers, the dark brown shafts are inlaid with green and red floral patterns and yellow butterflies. The piping is yellow and the cloth pulls are marked ACME. They are marked 9 1/2B, but we do not guarantee fit. The boots measure 11 3/4" long, 11 1/2" high and 3 7/8" across the sole.
