W/REMARQUE

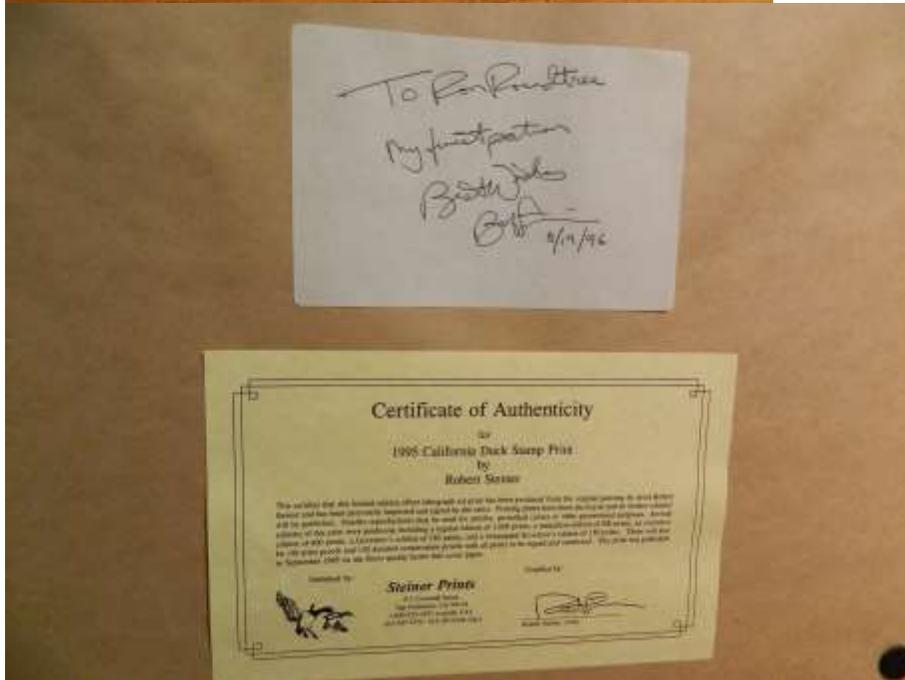

This very special 1995 California 25th Silver Anniversary Medallion Governor Edition Duck Stamp Print by world acclaimed wildlife artist ROBERT (BOB) STEINER is truly one of a kind. Professionally framed and marked 261/350, this extremely limited edition is all the more special with its full width color remarque by Bob, which we personally requested of him when we met him at an exhibit of his work. The print is signed by the artist along with the signature of the then Governor of California, Pete Wilson. Bob also signed the back of the framed print along with a personal message. This wonderful Snow Geese set measures 18" x 26" and is in pristine condition. Any distortions in the photos are due to light on the glass.
