

DUCK STAMP 3 \$1,000

### 1986 KENTUCKY DUCK STAMP PRINT MEDALLION EDITION

This wonderful top of the line offered print with hand colored etching, gold medallion and two stamps, with one signed by the artist, DAVE CHAPPLE, marked 127/273 and is in pristine condition. The piece is signed in three places. Chapple is recognized nationally as an outstanding wildlife artist. His work has been exhibited at some of the most prestigious venues in the world and has been selected for many wildlife stamp prints. He is a former All Pro record-breaking punter for the Los Angeles, RAMS. This Wood Duck print and hand colored etching are stunning. Professionally framed, it measures 17 ½" x 26" and includes the original folder and two different tear sheets. Any distortions in the photos are due to light on the glass. Please note that there are two very minor frame touch ups required (1/2" and 1/8") which do not detract.
