

SADDLE 6 \$1,325

FRED MUELLER saddle, c/1935 in mint condition and marked in four places. A fabulous caramel color and purchased directly from the original owner in Steamboat Springs, CO. The saddle measures 24" front to back, 13 ½" from the base of the horn to the top front of the cantle and 18" wide at the seat skirts. From the backside of the cantle at the top to the center of the base of the horn measures 15 ½". The horn is tight and all six conchos are original to the saddle as is the superb condition sheepskin. This saddle was very well cared for with only moderate use evident and would be superb for use or as a fine addition to any serious collection.
