

DUCK STAMP 4 \$3,500

1991 NEW MEXICO 1<sup>ST</sup> OF STATE DUCK STAMP PRINT MEDALLION GOVERNOR'S EDITION

This incredible 1991 New Mexico First of State Duck Stamp Print Medallion Governor's Edition is by world renowned wildlife artist ROBERT (BOB) STEINER and marked 35/400. It was the most exclusive offering, and is, of course, in pristine condition. The image of Pintails in Flight is superb and is augmented by the substantial and full width one of a kind color remarque that we personally requested of Bob. The print is signed by the Governor and the artist. There are two stamps, with one signed by the Governor and one by Bob Steiner. Also included is a gold-plated medallion. Professionally framed, it measures 19" x 22". Any distortions in the photos are due to light on the glass.
