Scope and Content

The collection consists of administrative records from Captain Richard Titus's Civil War service. This includes a broadside advertisement for recruits and the individual enlistment records of 75 men from Dutchess County which formed Company I of the 150th NY Volunteer Regiment. These records are detailed: listed are the age, occupation, height, eye color, hair color, and complexion of each enlisted man. Also included are extensive administrative records of Company I that

document supplies and ordnance and monthly returns of men (basically head counts) for the entire period the company was active. Some bound material is also included, which contains the morning reports for the entire active period. Richard Titus's wartime family correspondence is also included.

Historical Note

Richard Titus was a recruiter attached to the 150th NY Volunteer regiment. Men enlisted from August 20th to October 9th, 1862 and Company I was mustered out in October 1862 and was part of a garrison at Baltimore in the spring of 1863. In July 1863 they marched to Gettysburg where they saw action at Culp's Hill on July 2nd 1863 and lost 1 man killed in action. Later they were assigned to the Army the Cumberland and were stationed in Alabama and Tennessee before seeing action during the Atlanta campaign and the subsequent "March to the Sea."

Provenance

The Collection was donated to the Dutchess County Historical Society by Florence Titus and Alisa Titus Marshall in 1942 & 1948.
