Scope and Content

The collection consists of the personal and business records of the Van Wyck family, primarily the papers of Abraham Van Wyck. The bulk of the collection is various legal documentation and business records. This includes contracts, receipts, court judgments, agreements, transactions, ledgers & accounts. Also included are material from the administration of the Pine Grove Woollen Manufacturing Company. This includes stock distributions and some meeting minutes. Also included is material concerning the settling of estates, such as Benjamin Hutchins.

The material in the collection provides significant, yet haphazard records of Abraham Van Wyck and family. The arrangement was maintained as it was found, yet different accessions were combined. The provenance of these series is unknown. The material may have been acquired at a later date, or material may have been separated from the original collection and re-accessioned around 2008.

Historical Note

Abraham Van Wyck lived from 1774 to 1864, residing primarily in Fishkill, New York. He is buried in the Presbyterian Churchyard at Brinckerhoff. His parents were Dr. Theodorus Van Wyck and Aletje Brinckerhoff Van Wyck. Van Wyck was first a Colonel, and later a General in the New York State Militia where he served in the War of 1812. Van Wyck and his brother John owned the Pine Grove Woolen Manufacturing Company in Pleasant Valley, New York. Around 1830, Abraham Van Wyck owned 100 out of 400 total shares of the corporation. 17 year old Walter Dubois was employed as an apprentice to learn to be a spinner and slubber of wool. Abraham Van Wyck was a longtime law practitioner and resident of Fishkill. He was appointed to oversee the affairs of a number of estates. The most extensive records here are of the Benjamin Hutchins estate. Van Wyck was also appointed as the guardian of a number of minors including Joseph Snouck in 1825 and William Burroughs in 1815. For more information, consult the original arraigner's summary which is item 1.1.1 in this collection.

For genealogical information on the Van Wyck family, see the Mrs. William D. Rees Collection.

Provenance

The Collection was donated to the Dutchess County Historical Society by Edith A. Van Wyck in 1951 – 1956 and 1958. The provenance of the different accessions, or why they were separated, is unknown. The collection seems to have been originally processed in the 1960s.
