

Whitesbog

Piney Halloween

No effort to preserve the lore of the Jersey Pines would be complete without a dose of horror.

For brave youth groups and families, the Whitesbog Preservation Trust will observe Halloween in the Pines starting on Saturday night. Spooky tales will be told by a bonfire, weather permitting. Refreshments, haunted hayrides, and haunted walking tours are included. Tickets are \$10 and must be purchased in advance for the Oct. 24, 30, 31, and Nov. 1 events.

For tickets call (609) 893-4646 and press 3. For directions call the same number and press 4.
