Dear Uncle

Thy letter to James, enclosing the 20\$ for myself came safely to hand of Friday evening. James intends writing on the receipt of his manures. Richard & Alice returned the day after E Gibbs wedding, they said every thing passed off very pleasantly, little Joe returned with them. Mrs Chadler is paying a visit at Mr Budd's, she intended going to Hanover to day, but I think the rain prevented them. We are all doing well, Aunt Saltar, & Warner are paying a visit to Anne and are both in good spirits. Please give my love to all and believe me

Thy attatched niece
