

Blueberries

These finest of all fruits for making the most delicious pies may now be successfully grown by all starting with our sturdy, nursery-grown plants. Of proven hardiness, rapid growers and heavy yielding powers, the Blueberry bushes we send will come to you with properly burlapped roots that will start immediate action in your garden soil, creating vigorous growth next year. Depending entirely upon soil, season and weather conditions, the Blueberry plants we offer will start bearing either the first or second year after you plant them.
