Whitesbog Blueberry Festival

Dear Editor: *Manchester*

The 18th Annual Whitesbog Blueberry Festival was a great success. The Whitesbog Preservation Trust wishes to thank all our guests, vendors, donors and volunteers for their participation in making this year our best festival to date. Five thousand guests (the largest number ever!) chose to spend a very hot Saturday with us. A special thanks goes to all of you who had to wait to get into the village. A van stuck in the sand caused a 30 minute traffic back-up and necessitated closing the entrance for a time. We apologize for the inconvenience this may have caused.

All proceeds from the festival are used for the continued restoration of Whitesbog Village and we appreciate the support of the community towards this end. We hope to see you all again next year on the last Saturday in June.
