Dear Andrew

Your letter in reply to mine. inclosing your Check on the Camden Bank for one hundred dollars. to my Order. has been received tonight.

I would say that I made no request but for your oppion as to the value of the French claim of ours. But I thank you heartily for this advance. it will have to go down with a list of unselfish kindness from you.

I am glad to hear you are well. if you want work in the country I will sell you a lot in my Cranberry bog. where you work to your hearts content. a good painting with ore of Iron & black mud. is all in fashion there. the work and free air of the woods. will make even a piece of fat pork go well.

With best regards to you and Mrs Jones

I am as ever yours.
