## STEVENS POINT CHORUS

Welcome to the CENTENNIAL SHOWER OF HARMONY which is just one of the many events planned during this Stevens Point's Centennial Year. Whether you may be one of our "old Friends" of Barbershopping here in the Point or if this is your first endeavor . . . . WELCOME.

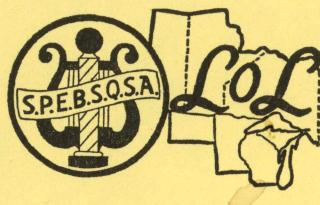

We, the 32 members of the Stevens Point Chapter of the SPEBSQSA are most happy to bring you our Fifth Shower of Harmony. Being members of the International Society we are united in keeping Barbershop music in its rightful place in American Folk Lore and also in helping whenever possible in community affairs by lending our voices where desired. We extend our hand in welcome to anyone in the area who "Likes to Sing for Fun" to join us any Monday night.

Once again our sincere thanks go out to the many many folks that help make this night a success. The Stevens Point Daily Journal, Radio Stations WSPT and WFHR, Pacelli High School, the many silent benefactors who wish to remain so, but most of all to you our faithful public. To Gene Clute and the Hotel Whiting who supply us with our home each Monday night we cannot give enough praise.

## Pointaires Wish Good Wishes

POINTAIRES wish you a very merry . . . and if you've been a good chapter it will be. Anyone attending a recent rehearsal would be sure that he must be close to the North Pole what with all the xmas carols etc. issuing forth. Actually we are only preparing for our third annual Community Christmas Concert to be staged in the College Fieldhouse to a packed house on December 15th. We have fifteen groups participating this year. The chapter was the instigator of this concert and has planned, staged and directed it each year.

November was one of our busier months for chorus appearances with five under our belt. We sang for the Wisconsin Potato Growers State convention, the Knights of Columbus installation dinner, the Marquette County Chapter annual parade, the Masonic Temple's award banquet and the Elk's Club ladies night program. Word has it that December will be even busier.

Sorry to have to report that Loraine Kabat spent some weeks in the hospital but Pete says that all is well now. On the happy side of the ledger we extend our congratulations to Frank Meshak on the arrival of a new son.

Members and their wives will give Gordie Nickolie and Suzie a send off on December 3rd. We also are sorry to report that VP Warren Nelson will be leaving us in January. All we can say is that our loss will be Milwaukee's gain. Rumor has it that a not so surprise party is also in the planning stage for them too.

Chairman Jack Edgerton has another fine social outing planned for December 12th, that being our annual wives party and BOTY award banquet and Christmas Party all rolled up in one. How about that for a whooper! Prez John Zinda has talked to Santa and says that this is definitely one not to miss.

Guess I'd better sign off before I get too filled with that xmas cheer and stuff. At any rate have a real happy and a wonder new year of Barber-shopping. The Stevens Point Chapter send Christmas greetings to all.

Dave Varney

### ● Existential

An old professor gave the following bit of advice to a young colleague just beginning his teaching career.

"In every class," he said, "there will be a student who is eager to argue. Your first impulse will be to silence him. I advise you to think carefully before you do this. He will probably be the only one who is listening."

## 40TH WEDDING ANNIVERSARY CELEBRATED BY MR. AND MRS.

## Journeying On

Journeying on through the years,  
Speak with kindness, cause no tears,  
Do some good along the way,  
Do a little every day.

Never idle precious time,  
Never grumble, scold, or whine;  
As far as earth is from the skies,  
Above all petty quarrels rise.

At the falling of another,  
Be it friend or be it brother,  
Never sneer, and ne'er deride,  
Help the weak and conquer pride.

Let no good by thee be marred,  
Let no duty seem too hard,  
In all things bravely do your best,  
And then to God we'll leave the rest.
