## **WHAT IS PORTAGE COUNTY MULTICULTURAL ACCESS?**

Portage County Multicultural Access (**ACCESS**), as a division of the Portage County Cultural Festival, Inc., is committed to helping and promoting a hospitable environment/culture wherein foreign and minority (especially new) residents of Portage County thrive and live productively. This benefits not only those who may access the resources but enriches the community as a whole through increased and sustained diversity of our population.

The initial project **ACCESS** has undertaken is to enhance the appeal of our community by developing this **MULTICULTURAL RESOURCE GUIDE** and network of community resource persons to help acclimate newcomers to our community, and provide opportunities for others to learn more about the cultural and ethnic diversity of Portage County.
