

TERRY ANDERSON

COMMUNITY SCHOLARSHIP

Terry graduated from Amherst High School in 1958, and from Luther College in Decorah, Iowa in 1962 with a degree in Business Administration.

After a distinguished banking career which carried him throughout Wisconsin, he returned to the local area as president of the local F & M Bank in 1990.

Education and community service have always been very high priorities for Terry. He has served on countless non-profit boards of directors, and has been involved in numerous fund raising campaigns benefiting the local area. He has been especially active in Amherst High School

athletics and a proud supporter of all falcon sports teams. Several trophies bearing his name still adorn the trophy case in the Amherst High School commons area.

Terry is perhaps best known for being the primary “mover and shaker” behind the Tomorrow River Scholarship Foundation, Inc. From its rather humble beginnings in 1994 with two scholarships awarded, it has now grown to over \$700,000 in assets and over sixty scholarships. Terry maintains a very sincere love of the foundation and has been willing to do “whatever it takes” to allow the foundation to grow and prosper.

The Terry Anderson Community Scholarship requires a high level of community involvement, a minimum grade point average of 3.0 and a high level of participation in school activities including sports, clubs and other extra curricular activities.

Terry Anderson

**The 2014 recipients of the Terry Anderson Community Scholarship are
Jamie Docka and Sawyer Hintz.**
