

Paint Your Own Pottery

What is Art Village?

Art Village is a Make-Your-Own Art Studio and Gallery located in historic downtown Stevens Point, WI. Art Village makes it easy for anyone to make art. Professional and Non-professional Artists alike have a place to gather, create art and be inspired. We give artists of all ages and skill levels easy access to professional studio space, equipment, and knowledge, where they can create, learn, and share their art in an inspirational and supportive setting.

For families we offer a place where they can go and spend quality time with their kids and make lasting memories. Art Village has the creative environment that will allow you and your children to have fun and explore many new types of art.

For artists of all ages, explore our professional studio environment that is inspiring and easy to work in. Artists can experiment with equipment such as pottery wheels and other supplies. We also offer Make-Your-Own-Art projects available anytime.

For those who want to learn and be inspired in a class setting, we offer a variety of classes and workshops. If you would like to receive information about upcoming classes and events, please join our email list at www.artvillageusa.com
