Borchart & Walchak

When Evelyn Sprague played the Organ before each Movie on Saturday Matinee movies. at that time she Organized a Mickey Mouse Club in which we became part of it. every Saturday afternoon on stage of the Fox Theatre. They had Red Blue, Green, and Gold spot lights on us during the performance. Miss Sprague made us some beautiful bright Orange corduroy pants made like bib overalls & Black Satin Blouses. the Boys all wore 5 gallon Cowboy Hats & boots with Stetson.

Later Mr Neumann had us sing at the W.L.B.L. Radio Station which was upstairs at the Theatre. We were sponsored By the Fox Theatre. We went to Theatres in the Wausau Opera House, Waupaca Theatre, and in Stevens Point, where they had posters out side, of all of us. We don't know where the pictures did go. Sure would like to find some of them. I just have a fraction of them.

We finally got into an Amateur program at the Top. The program went on for at least a month. must have been a hundred people picked to be in this show. every week a new person was picked. and then a final week for the one winning party which were the Junior Round Up. Boys. they won 1st place & went to Milwaukee to Compete there. and were the Lucky Boys again to win first place. after this we seen all the movies free of charge I guess we have seen every Movie twice it was really a treat for us. Well we used to practice at night on our porch. You could see the neighbors sitting outside listening to us. they must have enjoyed it. we were 8 to 14 years of age at that time. We were all music lovers. My Dad was a great singer. Mom & Dad had 14 children there was something going on everyday. never a dull moment.

our theme songs were great. we made them up ourselves.

Theatre I can remember them coming in with
new cars, and dressed like you see it
in Hollywood. Larral + Hardy, Betty Davis
Torretta Young, Clark Gable, Joan Crawford
Most of them looked like the real thing,
but there were more I just cant remember
all of them just say favours

Mr Newmann had all that while he was
Managing the Fox. I think he was doing
the right thing after he resigned the
Fox start failing.

Well we ^{all} grow up and all got married
My daughter Charlotte took over my
job I taught her to play the guitar she
sang on the stage ^{every Saturday} and the radio for a
while. and didnt keep it up a new
generation. the kids at the Fox loved
her. she had a Horse named Melody.
and the kids used to beg her to bring
her Horse up town. but that wasnt
allowed. Her + I still went to school
programs at Xmas time & sang together
We all had a chance to be famous and
found a family is best.
