## THE SENTRYMEN

The Sentrymen, from Stevens Point, were organized several years ago under the name of the "Reflections". Since that time, they have competed in three International Preliminary contests and two District contests. They are presently preparing for the District contest to be held in St. Paul in October. They frequently sing at conventions, parties, meetings and other events throughout the area as well as in Stevens Point.

The lead is Russ Zimmermann who is well known throughout state barbershoppers. He is married, has six children, and is employed as a Claims Examiner by Sentry Insurance.

Gene Moss, the bass, has sung with several quartets in the Stevens Point chapter. He is married, has two children, and is employed as a rulerman by Whiting-Plover Paper Division of Nekoosa Edwards Paper.

The tenor is Jack Edgerton who currently holds a District office of Area-Counselor in the Stevens Point area. He is employed as a Computer Systems-Programmer for Sentry Insurance. He is married and has five children.

Last but not least is baritone, Jack Wysocki, who is also well known in barbershop circles. He is a bachelor and is employed as Business Administrator by the Stevens Point School District.

The Sentrymen are all active members of the Stevens Point chapter and chorus. Their coach is Bob Haase of Oshkosh. Point Chorus Director Carm Lane also provides occasional musical advice.
