## ABOUT THE QUARTETS

### THE MISTERSSSIPIS

The Mistersssippis hail from Winona, Minnesota. They are four guys who make barbershop singing as fun for their audiences as it obviously is for them to perform.

Each of the Mistersssippi owns a beautiful sense of humor to compliment his true, experienced singing voice. The result is a happy combination of harmony and comedy entertainment.

### THE VAGABONDS

The Vagabonds have lived up to their name over the past six years they have performed. They hail from Detroit and Lansing, Michigan but have traveled and performed from Omaha to Washington D.C. and from Sault Ste. Marie, Canada to Sarasota, Florida.

The Vagabonds sing a brand of barbershop that appeals to all people. Their performance is a variety of standard barbershop, current popular songs and even some spirituals. Their adherence to barbershop style in all their music reflects their current standing of Fifth Place Medalists in the Society.

The quartet has a history of success that is enviable. They have only been in existence for six years. They were Pioneer District champions in 1970 and have finished in the top ten in the International Competition for the past four years.

The Stevens Point Chapter is indeed proud to present tonight's headliners "The Vagabonds".

FINALE

Each year we have been blessed with an active group of individuals and businesses that have supported our program as Benefactors, Patrons and Sponsors. We would not be able to continue the type of shows and

the yearly program we do without their continued support. We are extremely proud of those listed here. We thank them and urge your support of them whenever possible.
