We

SOCIETY FOR THE PRESERVATION AND ENCOURAGEMENT OF BARBER SHOP QUARTET SINGING IN AMERICA

INCORPORATED

WELCOME!

This year's show reflects not only the combined efforts of our membership, but the harmony that exists between the Barbershoppers and the Stevens Point Community.

For without the support of our sponsors, our patrons, our benefactors, and our enthusiastic audiences, this great singing hobby called 'BARBERSHOP' wouldn't be alive and well and living in Stevens Point.

The Society's 40 years of existence and our chapter's 25 years of growth are proof that we are dedicated to preserving this true American artform and to presenting it in an entertaining way. . . a way that's fun for all singer and listener alike.

Thanks for joining us tonight as we sing the old songs.

Sincerely,

A large, stylized handwritten signature in black ink that reads 'Jack Edgerton'.

David Peplinski, Bass
Mike Porrey, Bari

Our current District Novice Quartet Champions have been together since last year and represented the Land O'Lakes District in International competition at Cincinnati, Ohio this year. Ragtime is the first recipient of Ron Riegler's Roaring Twenties Memorial Scholarship which enabled them to attend the Society's Harmony College at St. Joseph, Missouri last month. Our chapter is proud of Ragtime's rapid rise in Society competition and know you will enjoy them thoroughly.

From Chicago, Illinois

John Erickson, Tenor
Dick Johnson, Lead

Bob Menter, Bari
George Peters, Bass

This powerful Chicagoland Quartet, Past Illinois District Champions and International Competitors, finished as Semi-finalists at Cincinnati this year. Each man is the music director of a competing barbershop chorus in the Chicago area. You will immediately recognize why they are among the top quartets in the Society.

Each year we have been blessed with an active group of individuals and businesses that have supported our program as benefactors, patrons and sponsors. Without this support, we could not continue the type of shows and year-round singing program we have. We are extremely proud of those listed here. We thank them and urge your support of them whenever possible.
