WELCOME TO THE SECOND HALF OF OUR "BROADCAST"
WITH HOST DICK EARNEST AND OUR SPECIAL GUESTS:

SALTY DOGS

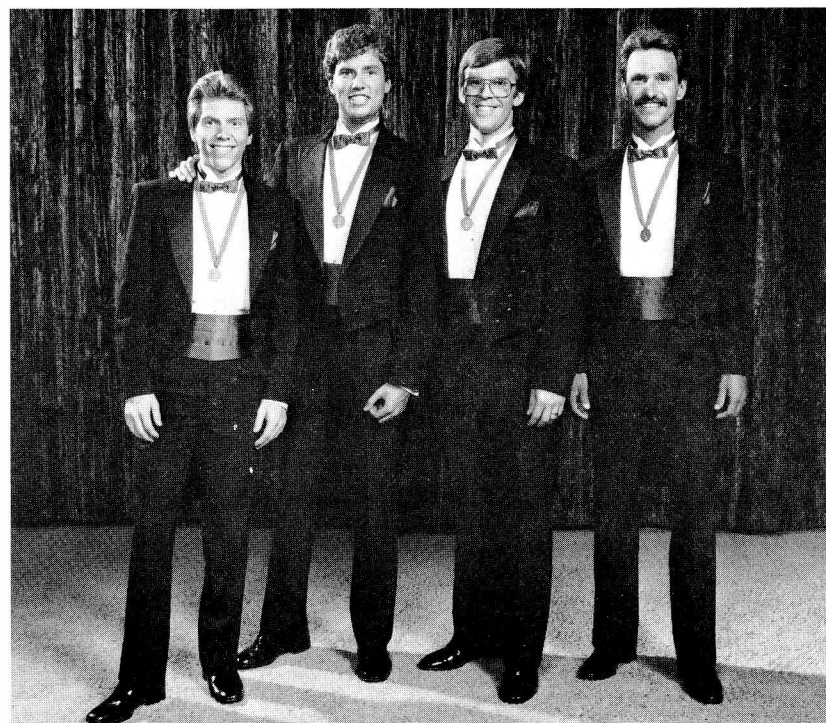

The Salty Dogs are a new combination of experienced vocal performers. Lead, Bob Dykstra, and bass John Hansen, sang together for 20 years with the Hut Four, 1959 Land O'Lakes District quartet champions, seven-time international quartet competition semi-finalists, and popular "show" quartet. Tenor, Ron Thomley, was an original member of the Roadrunners, 1972 Land O'Lakes District champions, who are also widely-known for their ability to entertain. The youngest member of the Salty Dogs is baritone, Wes Hatlestad, a newcomer to SPEBSQSA membership, but an old hand at entertaining, having sung along with John Hansen in the popular trio, Them.

The musical repertoire of the Salty Dogs includes traditional barbershop harmony, gospel and spiritual classics, old-time popular favorites and unique comedy arrangements. The Salty Dog style is characterized by toe-tapping rhythm accentuated by the accompaniment of a guitar and bass fiddle.

AND
THE 1986 INTERNATIONAL SILVER MEDALISTS

INTERSTATE RIVALS

KIPP

JOE

JAY

GEOFF

The Interstate Rivals formed in August of 1982, seven weeks later this young quartet won the Cardinal District Contest. They have quickly climbed the international ladder beginning with 10th place in 1983, jumping 4 places to 6th in 1984. In 1985 they finished in 3rd place and they are currently the 1986 2nd place International Medalists.

Tenor Kipp Buckner resides in Louisville, Kentucky and is a student at the University of Louisville. Lead Joe Conelly lives in Cincinnati, Ohio and is studying at the University of Cincinnati. Baritone Geoff Mucha is a letter carrier for the U.S. Postal Service. Bass Jay Hawkins of Louisville, Kentucky is a supervisor for the United Parcel Service.

These second generation barbershoppers combine their dynamic personalities, powerful voices and electric showmanship to be one of the popular show and contest quartets in the barbershop world. So sit back and enjoy!
