

ONE: Find a place you trust, and then try trusting it for awhile.

TWO: General duties of a student - pull everything out of your teacher; pull everything out of your fellow students.

THREE: General duties of a teacher - pull everything out of your students.

FOUR: Consider everything an experiment.

Learning to follow them. To be disciplined is to follow in a good way. To be self-disciplined is to follow in a better way.

SIX: Nothing is a mistake. There's no win and no fail, there's only make.

SEVEN: The only rule is work. If you work it will lead to something. It's the people who do all of the work all of the time who eventually catch on to things.

EIGHT: Don't try to create and analyze at the same time. They're different.

NINE: Be happy whenever you can manage it. Enjoy yourself. It's lighter than think.

TEN: "We're breaking all the rules. Even our own rules. And how do we do that? Leaving plenty of room for all quantities." (John Cage)

FULL HINTS: Always be around. Come or go to everything. Always go to classes. Read anything you can get your hands on. Look at movies carefully, often. Save everything
