

Baltimore -
15 - Nov., 1886.

My dear Funtie:
You do not know how glad I was to get your delightful letter this morning, and the sweet sketch of dear Rob. He must be lovely as Capt. Gerard, and I am ever anxious to see him.

that I can hardly wait.
Joe and Louie and every
one have told me that
it could not have been
done better, which I can
quite believe.

Harry and I are very
anxious to see you all
once more and are
looking forward, I can
assure ~~to~~ you, to going
home. I, as you know,
expect to leave here this
week Friday, and I
only wish Harry were

going with me; he will follow me in
a few days, however. Tell Mrs. Tabor,
please, that Harry is very well — I
do not know when I have seen him
better; and give her my love. I will
answer her letter very soon. I am very
curious to know what the delightful
surprise is that we are not to know
of until Thanksgiving. I shall be so
glad to see you all. Give my love
to every one. Very affly Fanny Tabor.
