"THE POTTER AND CLAY"

J. SMITH DAMRON GIVES FINAL LECTURE NUMBER

J. Smith Damaron, the potter craftsman, gave the final number on the Lyceum course Friday evening, April 8. Damaron presented his educational and demonstrated art "The Potter and the Clay."

During the evening he used a potter's wheel to demonstrate how common clay vessels are made. He also described the method of preparing the clay, the glazing of the pottery and the decoration. While demonstrating he wove in his philosophy of character.

The two important things in making pottery as in making a character, he said, are finding the true center and keeping level at the top. While working he read "The Lump of Clay" by Van Dyke and "At the Wheel of Life," by Longfellow.

He had with him many pieces of White House china, among them the Washington, Roosevelt and Wilson patterns.

ETERI CLUB MEET

Eteri Club meeting was held in the basement of the First Brethren Church on Tuesday evening, April 4. Violet Wolfe and Nellie Hylton were hostesses.

Some members were absent, but a good social time was enjoyed by those present.

The next meeting will be held at the same place from 5:30 to 7:30 next Tuesday evening. Bertha Tyock and Velma Noll will be hostesses.

All college and town girls of college age are welcome. The small sum of twenty cents is charged for the supper. A very profitable and enjoyable study hour is spent afterwards under the direction of Miss Lynch.

CHINESE CONDITIONS PROHIBIT CRUMPACKERS SAILING NOW

Word has been received that Dr. and Mrs. Frank H. Crumpacker cannot sail for China on April 12th, as they had planned, on account of the conditions in China. Dr. and Mrs. Crumpacker are missionaries to China and have been home on a furlough. Dr. Crumpacker was one of the main speakers during the Bible Institute which was held at the College this winter.

Students, let's all be out to help decide!

COLLEGE TO SEE MISSION PLAY

Wednesday, April 20, is LaVerne Day to see the Mission Play at San Gabriel. The new playhouse is a most beautiful and appropriate setting for the play, which is the best of its kind. It is an education in itself, for it is historically true and colorfully picturesque.

The play is written by John Steven McGroarty, a well-known writer, as well as ardent lover of California and California missions. He has been able in his own inimitable manner to portray the love, romance and tragedy of early California days in the Mission Play. It is well worth seeing. On LaVerne Day in the afternoon the prices are cut to 50 cents for L. V. C. students. It is urged that all who can, take advantage of this opportunity.

VANIMAN TALKS TO HIST. CLASS

Rev. Ernest Vaniman very kindly consented to talk to the History 1-b class last Tuesday afternoon. Mr. Vaniman brought to the class some very interesting as well as helpful facts concerning China's political, social, and economic history since 1911.

The history class appreciated this talk very much. Some of the points made in his speech were:

"The present anti-Christian movement in China is not anti-Christian at all; but anti-foreign."

"Missionaries feel safer in relying on the friendship of the Chinese people rather than on their 'Extra-Territorial Right' given them in foreign countries."

"At present the real governing power in China seems to be lodged in the provincial governors."

L.V. COLLEGE HAS A BUSINESS FRIEND

LaVerne College has many friends that any college would be proud to have. One of these is Mr. G. H. Herr, proprietor of the LaVerne Drug Store. At the beginning of the school year each student is given a pencil and a candy bar. Thruout the rest of the year there are countless other evidences of Mr. Herr's friendship. The beautiful American flag in the chapel is a gift to the student body from Mr. and Mrs. Herr. The L. V. C. window displays in the Drug Store and the orange and green twine around the parcels are but a few of the ways by which Mr. Herr expresses his feeling for the college.

LaVerne students truly appreciate such friends as these and are eager to be worthy of their friendship.

ASILOMAR CHAPEL

The Y. W. C. A. chapel service on Monday, April 4, was a "Spirit of Asilomar" program. It was given by some of the girls who have attended the summer conference there or have spent a summer there as "stuck-ups."

The devotions consisted of a trio sung by Erma Saladen, Hilda Brubaker and Laura Shaver. Verda Brubaker was the first speaker. She told of the purpose of going there, of the location of Asilomar and of its beautiful scenery, which adds so much to the spirit and atmosphere that is felt by every one who goes there. Nova Leonard gave the spiritual side of the activities at Asilomar and the impression it made on her. A quartet made up of girls who were there: Lois Martha Miller, Nellie Frantz, Florence Landis and Verda Brubaker, sang Asilomar songs. Each song brought a breath of Asilomar to the listeners and made them feel like they were sitting out under the open skies where each breeze carried the odor of pine trees.

Nellie Frantz spoke of the different races represented there and how everyone seemed like sisters. Contact with them made you love them and tore down that terrible feeling of race prejudice.

Florence Landis told what she appreciated about Asilomar. She said it was worth a year's education in college, just to be there and associate with girls from all over the world.

Lois Martha Miller ended the program by singing some songs which the "stuck-ups" sang in the kitchen while at work. They showed both the serious and joyous sides of Asilomar.

CLARION FOUR IN LOCAL PROGRAM

POPULAR MALE QUARTET GIVE PROGRAM IN C. OF B.

Junior Clarions Also Make Welcome Appearance on Program

The first local program of the Clarion Four since their reorganization, was given at the Brethren Church Wednesday evening, April 6.

The Clarions have reorganized with Russell Frantz as second tenor. Mr. Frantz is working in very well with the other members and they are planning on continuing their work, although they have not made definite plans for the summer.

The church was filled to overflowing and everyone listened with intense feeling.

In the midst of the program the college quartet stopped for a few seconds and while the audience looked on expectantly, the Junior Clarion Four, the little men with the big voices, Spurgeon Rothrock, Daniel Miller, David Miller, and Donald Butterbaugh, all grammar school boys, filed up on the platform directly in front of the men and after a very formal bow sang: "Raindrops," "The Rainbow," and "I Can Play a Big Bass Drum." They were received with much applause. When they had contributed their part to the program they very proudly marched off the stage and the program went on as before planned.

The program consisted of:

First Group—"Moonlight on the Lake," "Annie Laurie," "Alexander", Second Group—"Glorious Things of Thee are Spoken," "Jesus Satisfies Me," solo, "Goodbye," Mr. Hartman, accompanied by Mrs. Hartman.

Third Group—"Standing in the Need o' Prayer," "Mary, Don't You Weep," "Heab'n."

Junior Clarions.

Group Four—"A Little Close Harmony," medley, "Settin' Round de Fire," solo, "Queen of Angels," by Vicolimmi, Mr. Brubaker, accompanied by Beulah Smith.

Group Five—"Ain't It a Shame?" "Green Grass Growing all Around."

Group Six—"Whosoever Will," "The Rose of Sharon," "The Long Day Closes."

MAY DAY FESTIVAL

May Day this year will be delightfully different from all previous May Day fetes. There will be several fanciful drills, working out a consecutive story plan. The costumes will lend an air of colorful enchantment to the festival scene. The different groups in the drills are practising diligently to insure the complete success of the May Day festival.

He: Speaking of debts, how much did Rome-O?

A Frosh Essay on Electricity

Electricity is something that starts the Lord knows where, and ends in the same place. It is fast on its feet, being 1-36 of a second speedier than its nearest competitor—backyard gossip—and when turned loose in Europe will get to the United States five hours before it starts. Nobody knows exactly what it is; because it has never stood still long enough. It is like "her" younger brother in that you never know what to expect next, and the only way to handle it is with a switch. Rubber is the only thing that will stop it, which is why rubbernecks never get shocked, and rubber heels are shock absorbers, as

CANDIDATES FOR COMMISSION TO BE IN BY FRIDAY, 15th

April 15 is the date set for all names of candidates for the commission to be turned in. Who is your choice for the different officers on the commission? This matter should be given much consideration by the student body because the school's activities and its progress depend a great deal on the choice made by the students at this time. Qualifications for commissioners were printed in the last issue of the Campus Times and the names of those who are fitted for the offices should be handed in to be voted upon.

Campaign speeches will be made during chapel service Friday, April 15. Students to fill six positions must be decided upon soon. Think! Who would make a good president or commissioner of finances, forensics, welfare, publications or athletics? Decide before April 15 and turn in the name.

SHAFFER & BOWMAN IN BENEFIT PROGRAM

NOTED OPERA SINGER AND COMPOSER GIVE PROGRAM

April 14, 8:00 p. m., is the appointed time for the piano benefit program, sponsored by the Apollo Club.

Jerome Shaffer, himself a well-known artist, will give the reading, "The Happy Prince." He will wear oriental costume and the stage settings will be oriental.

Madame Bowman, internationally known as an opera singer of great repute, will delight the audience with her famous songs. She has an unusually pleasing voice, and a large repertoire. She is sure to please the most critical audience.

Admission will be 75 cents and \$1. Be sure to come and hear these famous artists, for this is a splendid opportunity.

NATIONS REPRESENTED

Saturday, April 9, the Students League of Many Nations gave their second program in LaVerne. All enjoyed their first performance so much that they were asked to return and give a similar one. They told of the countries that they represented, spoke and sang in their native languages, and closed by the singing of "My Country, 'Tis of Thee," in which the audience joined.

"Life is a trust—we own nothing. We will be judged in direct proportion to what has been given us. Should we wish to become greater, then we must use of that which we have, for interest comes only by investment."—President Studebaker.

The bands are secured by small metal clasps or hooks on the sides.

Doris Welch, Alice Kreps, Merlin Yoder and Ralph Mishler went to Ice House Canyon last Sunday afternoon.

Eloa Shirk, Verna Shirk, Milton Brownsberger and Otis Brooks went to Palm Springs last Sunday, April 10. On their trip they encountered rain, snow and sunshine.

Early Sunday morning, last, Dr. F. M. Shirk, Chester, Maurice and Dwight Shirk motored to Imperial Valley. They returned Sunday evening.

A real supper including a steak fry was the object of several college students when they gained permission to use the Zug cabin in San Dimas Canyon on Tuesday evening, April 5th. The participants were Cecelia Shaffer, Lola Ramsey, Mr. and Mrs. Urbin Hartman, Jay Meyers and Zaphon Hartman.

Mary and Edith Blickenstaff, Cecelia Shaffer and Naomi Metzger attended the Easter Vesper service at Bridges Hall in Claremont on last Thursday evening.

Last week Mrs. Haugh could not meet all of her classes on account of throat trouble which made it impossible for her to speak above a whisper.

Mr. Flickenger spent the past week in LaVerne visiting his wife, who is matron in the girls dormitory, and daughters, Dorothy and Kathryn.

Y. W. C. A. NEWS

HI-JINKS PARTY

The Y. W. C. A. is having their Hi Jinks party on Saturday evening, April 23. The place where it is to be held will not be revealed, but a means of getting the girls there will be provided. This party is an annual affair and it is customary for everyone to come dressed as ridiculously as possible. Each person is to have a partner, and a prize will be given to the couple having the most original costumes.

A CHINESE TEA FOR CHAPEL

A Chinese Tea will be a feature of the Y. W. C. A. chapel program on Monday, April 18. One of the purposes of the Y. W. C. A. is to draw all of the nationalities closer together, and to do this it is necessary to have an understanding of each other. So every once in a while the Y. W. has a World Education program and world problems and customs of other nations are studied. The Chinese Tea is to be one of these programs. It is going to be presented to us in a different way from any other program which has been given, and we will learn some facts about China that we have never known before.

WOMEN PLAN BANQUET

At the last Y. W. cabinet meeting held on Wednesday evening, April 6, a suggestion was made that we do something similar to the banquet which the boys gave on Monday evening, April 4, to interest high school and junior college students in coming to LaVerne. Each year the girls have a May breakfast, and it has become customary to invite the senior girls of Bonita. But this year we would like to enlarge on this and have each college girl bring a senior high school or a junior college girl from any neighboring school. So the cabinet voted to do this and give a buffet luncheon for them some time in May. By so doing we hope to have a lot of new girls in LaVerne next year.

THE MILE OF PENNIES

The "Mile of Pennies" contest is progressing. At the present time Group No. III is taking the lead with Group II a close second, having one cent less. Group I isn't far behind. The visitors' strip of pennies is growing also. The other day some visitor took an interest in it and not having any pennies stuck a dime on. The attitude and enthusiasm which is being shown is very encouraging, and we feel it will go a long way in helping to send girls to the Asilomar Conference this year.

DORMITORY NOTES

Mr. and Mrs. Flickinger entertained as guests Sunday, Mr. and Mrs. R. P. Lehmer, Messrs. D. M. Fike, E. McKinney, Miss Alta Fike and Mrs. E. Padon.

Miller Hall was minus a cook over the week-end as Mrs. Hoke and her daughter, Harriet, spent Saturday and Sunday visiting their cousin, Mr. and Mrs. Davenport of Los Angeles.

Eloise Shepherd spent Saturday in Hollywood visiting her aunt.

Edith Miller went to Riverside to visit her sister, Pauline Brooks, Sunday.

Friday morning after breakfast unearthly screams issued from Miller Hall. They attracted the attention of passers by, who, upon investigation discovered Verda Brubaker and Ruth Stoner enjoying a shoe fight. Moral: Never be surprised or frightened when dormitory women are around.

NEW FAMILY IN MILLER HALL DINING ROOM

Last Tuesday evening the large family at Miller Hall was surprised by the appearance of another family at dinner.

The family, according to their conversation, was of the worldly type and furnished much enjoyment for everyone present, as well as having a good time themselves.

Nova Leonard acted as mother and Mark Lehmer as father. They had a very large family of children who are known as: Ony Leonard, Erma Saladen, twins; Marion Boots, Owen Gible, Eloise Shephard, Kathryn Strate, and Grayce Longnecker.

The most enjoyed part was the real butter, cake and ice cream.

U. C. L. A. TAKE FIRST BASEBALL GAME

PITCHERS ARE SADLY LACKING
FRANTZ BEST BET

Arnett Plans a Good Offensive Team

The result of the first conference game shows the weaknesses and strength of the LaVerne diamond men. The greatest weakness is that of the lack of a pitcher. Frantz went good for the first four innings, but the strain caused by inexperience was too great. He has the ability which when developed will make him a great twirler. Hollinger, Otis Brooks and Boots finished the game, but were unable to hold the Bruins.

Hollinger was the big man with the sticks getting a single and a double out of four times to the plate.

Hollinger, Betts and Crites all performed well in the outfield. The infield performed well, only one bad break being made which was practically unavoidable. Lehmer tried his hand at catching again and seems to have a permanent position behind the bat. Boots was brought in from the outfield to play second base and Bohn was shifted to short stop, to take Lehmer's place.

If Coach Arnett can develop a strong hitting and an air-tight fielding team his worries for baseball will be greatly lessened in spite of the lack of a pitcher.

Frantz allowed only four hits, two walks and four runs in his four innings. The remainder of the game was a walking race for the Bruin squad because of the inability of the Leopard pitchers to find the plate. The game ended in a 12 to 1 score.

The Branch had a good team but not sufficiently good to beat a good team but not sufficiently good to beat a good pitcher, which the Leopards intend to have on the next diamond meeting.

Next week the pastimers meet the Quaker squad at Whittier. This game has always been closely contested in spite of the warnings of Jupiter Pluvius.

ENTERTAIN QUARTET

The Clarion Four were guests at a formal reception given by Mr. and Mrs. J. M. Frantz at their home. The reception followed an entertainment which the quartet had given at the Church of the Brethren. The occasion was a surprise on Russell Frantz, a member of the quartet, in honor of his birthday.

Beautiful decorations of sweet peas and fern were used and gave the atmosphere of spring.

A program was the main feature of the evening. It was as follows: Girls' Lyric Quartet of LaVerne College, composed of Erma Saladen, Hilda Brubaker, Laura Shaver and Verda Brubaker, sang two numbers, "Kentucky Babe" and "A. B. C."; a solo "Big Black Bear" by Gladys Ikenberry; a reading by Olive Shirk, "What Mary Thinks of Boys."

Games were played and refreshments of fruit salad, cake, sandwiches and nuts were served. Among the college students who were guests were, Beulah Smith, Olive Shirk, Mrs. Urbin Hartman, Hilda Brubaker, Erma Saladen, Laura Shaver, Verda Brubaker, Naomi Metzger, Gladys Ikenberry, Elva Shirk, Miriam Shirk, Grace Eisenbise, Harvey Brubaker, Wayne Bohn, Urbin Hartman, Russel Frantz, Ernest Carl, Owen Gible, Ross Heminger, Marion Boots, Otis Brooks, Ivan Betts, Chester Shirk and Lloyd Emmert.

Y. W. C. A. NEWS

(Continued from Page 3)

On Monday evening, April 11, the Y. W. C. A. served a tray luncheon at a meeting of the C. W. and S. S. officers in the Social Hall at the college. Margaret Price had charge of the luncheon, which consisted of sandwiches, potato salad, pickles, apple pie and hot chocolate.

At, or about 5:00 o'clock on Saturday morning the retired Y. W. C. A. cabinet left for the Mojave desert where they spent the week-end in Shaffer's cabin near Mojave. Dr. and Mrs. Shaffer accompanied them. While there the girls spent some time in Red Rock Canyon. They had an exciting time for a while when a rattlesnake intruded and they had to kill it. The girls returned Sunday afternoon and drove through a genuine snowstorm. Everyone had a wonderful time. Among the souvenirs of the desert which they acquired were, a skull of an unfortunate cow and a marvelous collection of wild flowers. The girls who went were: Nellie Frantz, Cecelia Shaffer, Ruth Stoner, Lola Ramsey, Miriam Shirk, Grayce Longnecker, Ramah Maust, and Hilda Brubaker.

ALUMNI NOTES

Mina Shirk, who is teaching at Osdick, was at home over the last week-end. Her parents, Mr. and Mrs. Ralph Shirk, took her back Sunday afternoon. They had to drive thru snow storms both going and coming.

Miss Eunice Kreps has accepted a position in the photography department of Frasher's store in Pomona.

Mr. and Mrs. Dwight O. Welch of Azusa, were entertained at dinner last Friday night at the home of Mr. and Mrs. O. M. Welch of LaVerne.

Mr. and Mrs. Ben Hepner of Covina entertained a group of alumni at a rook party at their home in Covina on Friday, April 8. Those present were Mr. and Mrs. Ray Root of Burbank, Mr. and Mrs. Dwight O. Welch of Azusa, and Mr. and Mrs. George King of LaVerne.

Miss Mary Blickenstaff is recovering from her long illness and is planning on returning to her school in San Pedro after Easter vacation.

Only two more weeks to win the Campus Times' contest! Who will be the lucky one?

Katherine Rothrock is in the lead with 82½ inches. Ruth Massey comes next with 40½ inches, followed closely by Naomi Metzger with 40 inches.
