LA VERNE COLLEGE

Tuesday, January 23, 1923

CONFERENCE OF LEADERS HELD HERE

A group of sixteen young men and women representing the Student Volunteer Bands of the various colleges in Southern California held a Leaders' Conference at La Verne College January 13-14.

Meeting at 4:30 P.M. in the parlors of the Ladies' Dormitory, the first session opened with Miss Louise Huston presiding. The theme for the conference was the four-fold purpose of the Student Volunteer Movement. At the afternoon meeting the first purpose: "To awaken and maintain among all Christian students of the United States and Canada, intelligent and active interest in foreign missions" was informally discussed and various suggestions for missionary education on the campus were given.

After supper and a recreation hour spent in getting acquainted with the students, the evening session opened with devotions conducted by Miss Helen Yerbaken. The second purpose: "To enroll a sufficient number of properly qualified volunteers to meet the successive demands of the various mission boards of North America in their efforts to give all living men the opportunity to know the Living Christ" was discussed. Mr. Hartlett, traveling secretary of the movement, gave splendid suggestions on recruiting.

A social hour was enjoyed at the close of this meeting, when red apples were passed and marshmallows toasted in the fire-place. Needless to say that the girl delegates who were guests of the College Dormitory girls slept good that night—after everything had quieted down.

After the Sunday morning prayer circle, the third session met in the college library and considered the third purpose: "To help all such intending missionaries in preparing for their life work and to enlist their co-operation in developing the missionary life of the colleges and of the home churches." The suggestions on preparation were of vital interest to the volunteers.

The meeting closed in time to attend the preaching services at the La Verne church.

After dinner the closing session discussed the fourth purpose: "To lay an equal burden of responsibility on all students who are to remain at home as missionaries and lay workers, that they may actively promote the missionary enterprise by their intelligent advocacy, by their gifts and by their prayers." Mr. Hartlett gave a splendid talk in summarizing and adding new thoughts.

The helpful discussions, the spirit of fellowship together with the Christian atmosphere made the conference a decided success.

Let Us Keep it Safe for You!

Waste is the one big folly to guard against. You will do so if you keep your money in OUR BANK instead of in YOUR POCKETS. You want to get ahead, don't you? Then bank your money.

NEW COMMISSIONER OF FINANCE ELECTED

The student body was recently extremely unfortunate in losing Phil Smith as Commissioner of Finance and chairman of the commission. His resignation was accepted several weeks ago and steps were immediately taken to fill the vacancy. As a result of the campaign and election following, Levi Dickey was elected to control the student body funds. There is no doubt that the financial part of La Verne's activities will be well supervised under the care of our new commissioner and again, the student body should pledge its most loyal support to one who earnestly endeavors to help make the year a success.

2:15 Discussion—The Teaching Program of the
Church.....Elder J. B. Emmert
3:00 Discussion—Problems of Religious Education
.....Elder Ezra Flory
7:00 Lecture—Christ and World Affairs.....Elder C. E. Davis

Mr. Urban Hartman has a new title but just what this title implies is hard to tell. The title was bestowed last Sunday afternoon when, while waiting for his manly form to appear, "Judy", alias Lola, was saying "I'm going to have company this afternoon"—and peering down the street she cried out "See It—here It comes."

BIG BIRTHDAY DINNER

Singing, hiking and buggy riding were special features of a birthday party given by Gladys Larimer in honor of Mollie Rhodes, Mary Frost, Eva Marshburn, Lois Johnson and the hostess.

The main event of the day was a wonderful chicken dinner and everything that goes with it. Then after an hour of playing, singing and talking, the girls left for a six-mile stroll. They found an old buggy and Margie volunteered to be the horse. Those who enjoyed the delightful affair, besides the honored guests, were Beulah Smith, Mary Blickenstaff, Ruth Price, Marguerite Dickey, Marie Roynon, and Mina Shirk.

BIBLE INSTITUTE COMING

The annual Bible Institute of La Verne College is drawing nigh. From February 4th to 11th, a splendid program is scheduled centering around the theme, "Christ, the Light of the World." A group of strong speakers, both from La Verne and from many other localities, will be heard in the auditorium. Large crowds are expected and there is no doubt that the coming Institute will be a splendid success. There are no fees or charges and meals and lodging can be secured at a reasonable rate. Those desiring accommodations should communicate with Business Manager A. J. Beckner. The program for the eight days is outlined as follows:

THURSDAY, FEB. 8th

9:20 Devotional
9:30 Bible Study—Life Messages from the
Philippian Letter.....Elder H. A. Brubaker
10:20 Address—Christianity and Modern Life
.....Elder A. O. Brubaker
11:10 Chapel—The Pre-eminence of Jesus
.....Elder J. S. Zimmerman
1:30 Special Conference on the Program of
Christian Education—Directed by.....Elder Ezra Flory
7:00 Continuation of afternoon Conference

FRIDAY, FEB. 9th

9:20 Devotional
9:30 Bible Study—Life Messages from the
Philippian Letter.....Elder H. A. Brubaker
10:20 Address—Christianity and Mormonism
.....Dr. W. I. T. Hoover

Church.....Elder J. B. Emmert
3:00 Discussion—Problems of Religious Education
.....Elder Ezra Flory
7:00 Sacred Concert—La Verne Choral Union, under
direction of.....Prof. B. S. Haugh

SUNDAY, FEB. 11th

11:00 Sermon—(to be supplied)
7:00 Sermon.....Elder Hiram Smith

CHAPEL NOTES

Monday and Tuesday, January 8th and 9th, the boys who attended the Y. M. C. A. conference of college men at Asilomar during Christmas vacation reported on the conference. The boys showed their enthusiasm in their talks, and the student body enjoyed them very much.

The programs are as follows:-

Monday

Devotional,
The Spirit of Asilomar, and the Daily Program.....Howard Beckner
The Trip, Stunt Night, and Athletics.....Levi Dickey
The Program Rendered by the Foreign Students.....Alva Brower

Tuesday

Devotional,
Prof. Bowman on the Bible, and on Prayer.....Phil Smith
The Lectures by J. Stitt Wilson and David R. Porter on World Conditions and Life Standards
.....Ernest Landis

Dr. Oxnam on the Social Principles of Jesus.....Chase Harper
Miss Mineva Neher, as a representative of the Student Volunteer organization, talked Wednesday, January 10th, on "Purposes in Life". She said that we may choose our life vocation and the place in which we shall use it, but it is incomplete until we have the right purpose behind it. On the following day Miss Neher explained the student volunteer organization and its declaration cards. She devoted part of the time in answering inquiries from the students.

How are you using the privilege accorded you of attending La Verne College? Mr. C. Ernest Davis "struck this note home" to each student present at the chapel house Tuesday, January 16th. Mr. Davis has spent six weeks of this winter in the northern part of the state in the interest of the College. He told what the people there are doing for the College and everyone concerned, and caused each student to realize how much depended upon him. By the close of his address each one was determined to try harder and do more than he had in the past toward the success of his college career.

Wednesday, January 17th, Rev. Eli Eriksen, a converted Monk, who has been holding services in La Verne the past two weeks, spoke to the student body. He told of the fallacies and injustices of Catholicism, and showed us how much it means to us that we know God as we do.

Another one has gone from us! Miss Frances McCahill left La Verne for Reedley Monday, January 22, where she will remain at home the rest of the year. Just ask the dorm girls if they won't miss her! We surely wish she might have been able to stay in La Verne.

Money AND Business

Money is to business—

What food is to the body—
What reading is to the mind—
What exercise is to the muscles—
What blood is to the heart—
What breath is to our lives—

Money is the very life of business which makes the selection of your Bank of vital importance if you are to grow and prosper.

First National Bank

ALUMNI DOINGS

The Alumni Association in the past years has not been taking a very active part in the real life of our College. The membership in our Alumni Association is small compared with other colleges but yet there is a place for even our small group of members. The power of the Association has been lately vested in a Board of Directors. This board is to take care of all the business of the Association that does not effect the general plans and is also to make plans whereby the Association can do something worth while for the College.

The Board now has great plans made for our organization and on Saturday night, January the 20th, there will be a regular Board meeting. Here it is hoped to make the future plans definite and to be able to get something started. We solicit not only the interests of our Alumni, but also the interest of all those who want a greater La Verne College. Watch the Campus Times for further information.

the one true church.

He holds that monasteries and convents should be open to public inspection and oversight; that the bible should be taught in the public schools and that our public school system should be free from sectarian influence and bias.

Mr. Eriksen's meetings this week were for women only and the last night for men only. Both were well attended, nearly every seat being taken.

He has shown a series of remarkable views illustrating his talks, and claims that he had documentary proof of all the assertions made by him.

He leaves here today and will go to San Francisco to begin a campaign lasting several months.—From La Verne Leader.

The girls indoor Baseball teams have started in on their season's work. A meeting was held recently and Frances Arnold was elected manager, with Miriam Shirk as captain. As they compose the board, they have named themselves "Slats" and "Shingle".

THE HOME STRETCH

The time is here when every school journal will begin to editorialize on the "home stretch" or "beginning a new leaf" or some such phrase of equal moral import to the student body. Far be it from the Campus Times to be out of step.

Why is it that we always have a feeling of relief at the close of the old semester? Why do we feel more peppy when we think of the new semester? A big part of the reason lies in the fascination of a mystery of the future. If we were poetic we would say, "Hope springs eternal in the human breast."

As the days pass and the possibilities of the new semester become actualities, we will keep our pep or lose it, just as we face our problems. If we meet them squarely, we will come through with flying colors. If we dodge them, the unpleasant taste of regret will be with us forever. D. W. L.

WHAT IS THE BEST CURE FOR CRABBING?

Who has been crabbing this year? Who hasn't been crabbing? To keep the good work going we suppose we should register a crab at those who have been crabbing at the crabbers. But it doesn't seem possible to cure crabbing by more crabbing. All that crabbing does is to stimulate more crabbing. Who does the most crabbing, the fellow who is playing the game as hard as he can, or the one who is loafing on the job? Crabbing will belong to one of the extinct pastimes of the stone age when everybody in school is doing his best. There are a lot of things that need to be done about the school. Let's stop measuring everyone's else action and attitudes with a micrometer and get busy accomplishing something. D. W. L.

CLUB ACTIVITIES

One of the things that needs to be done is filling up the gap in our student activities program. We need some literary activities to take the place of our old literary societies, deceased. There seems to be new life stirring about the Academy debating aspirants. Every student ought to take part in some sort of club activity—debating, literary, dramatic, scientific, radio, or the like. What do you think? D. W. L.

MYSTERIOUS PARTY

January 13, 1923—
It was the unlucky 13th which nevertheless, furthermore proved to be lucky. A group of "Never you mind" girls went nowhere in particular at about 7 o'clock to celebrate the going out of the second week and coming in of the third week of this our glorious New Year. They very fittingly welcomed it by divinity and rook and incidentally a few ripe(?) oranges. The girls waited impatiently for THE MAN, but as he was late in arriving they retired to their own room. In the wee hours of the morning the "Never you mind" girls broke up and went to their respective homes, after all had expressed that they had had a very good time—we should worry.

she was told to take a piece of chalk and go up one flight of stairs, turn to the right and go up another flight. There she would find a blackboard where she was to write all the lies she had ever told. So up she started and whom do you suppose she met? Miriam Shirk!! After exchanging greetings and exclamations of surprise at meeting each other there, Norma asked Miriam where she was going and she made the most startling reply: "I'm am on my way to get another box of chalk."

Miss Almira Ries was a visitor at the College Friday, January 19. Miss Ries is a former La Verne student and a roommate of Miss Sanger when she was in school.

President Funderburgh and Leland Brubaker returned this week from their tour in the northern part of the state in the interests of the college.

Norma dreamed that she had died and had gone to "pergatory." There

More Truth than Poetry

Soph—Oh! I hit my crazy bone!
Junior—You should guard your head more carefully.

Lola had a little light,
It was well trained, no doubt;
Every time that Urbin came,
The little light went out.

Bert—"Last night I dreamed my watch was gone. I woke up and felt under my pillow."

Ben—"Hard luck. It was gone, I suppose?"
Bert—"No; just going."

Prof. Lefever—"Marion, I'll give you three days in which to hand in your back papers."

Marion R.—"All right; I'll take it: Christmas, Fourth of July and New Year's."

Eva—Olive, what did George K. do last summer when he took Maurine out on the lake and she refused to kiss him?

Olive—He paddled her back.
Eva—Oh, the rude thing!

A diligence is an industrious vehicle who drives around collecting up people—Dr. Miller in Eng. 2A.

Dr. Miller again—"Now when Hawthorne wrote 'David Copperfield' he said that 'it was not good enough to be his best work.'"

'Twas in a restaurant
First they met,
This Romeo and Juliet;
This Romeo got into debt
For Rome-owed what Juli-et

A hen on the premises of the University of Washington is said to have laid 225 eggs in less than 10 months. But how many farmers can afford to give their hens a college education?

Miss Sanger (explaining a hard theorem)—Now, class, look at the board and I will run through it quickly for you.

Let him now laugh,
Who never laughed before;
And he who always laughs,
Now laugh some more.

WHAT WAS IT?

Luke had it before; Paul had it behind. Bryan never had it at all. All girls have it once. Boys cannot have it. Old Mrs. Mulligan had it twice in succession. Dr. Lowell had it before and behind, and he had it twice as bad behind as before.

There was an old man and he had a wooden leg,
He wanted to ride but he was too proud to beg;
So he took four spools and an old tin can,
And he called it a Ford and the old thing ran.

THE STUDENT NOTICES

That the term is half over.
That it has gone too fast.
That we didn't learn much.
That we wish we had done better.
That our teachers do, too.
That they always do.
That we don't blame them.
That we will next time.
That 'twas ever thus.
That this has ten lines.
That we can't think of any more.
That if it had fourteen,
That 'twould be a SONNET.

JUST BEFORE CHEMISTRY EXAM
Don't touch me please! I feel like a supersaturated solution and the slightest jar might cause precipitation. But I'm afraid that at ten o'clock crystallization will take place in my brain and I shall not be able to pour forth any of my unstable information.

IN LATIN

Lasilius neghtibus non keyorum climbibus porch postibus breechibus torrium.

AN ACUTE OBSERVER

Natural history was the subject of the lesson and the teacher asked "Who can tell me what an oyster is?" A small hand, gesticulating violently, shot up into the air and a shrill voice called out, "I know—I can tell teacher!"

"Well, Bobby," said the teacher, "you may tell us what an oyster is." "An oyster," triumphantly answered Bobby, "is a fish built like a nut."

OPEN FORUM

"Education is not only training for life; it IS life." The best of a well-rounded education is not that knowledge obtained from books alone, nor that combined with the development of one's athletic abilities. Our education is valued mostly in the development of our ability to adapt our lives to the needs of the world. We may write an especially good paper on an examination; we may be able to absorb all that is offered in the classroom lectures, or we may be able to 'drink in' the principal tho'ts of a text-book, but unless we at the same time acquire the practice of revealing our tho'ts to others, of presenting and standing firmly for our own convictions, we miss the coveted prize and we are not one hundred per cent what we could be.

Our hats are off to the man who, with convicting eloquence, sways the crowd either pro or con. But what are we, as students, doing to acquire that freedom before a crowd which should characterize one as a leader? We sit during a student body meeting as if it were a crime to open a mouth or that rheumatism kept us from standing up. If anything goes "hay-wire", whose fault is it?

We "razz" the one who has tried and perhaps done his best but the student who deserves the severest criticism is not the one who has tried and failed, but rather he who sits down so hard in a meeting he can't be pried loose with a crowbar and then after it is all over gathers his little group about him and tells how "they're trying to put something over on us."

"When does a man have horse sense?"
When he can say "Nay."

FRASHER'S FOR PARTY IXIN'S

FOR EVERY OCCASION, OF COURSE

No need to regret being on the decorating committee—instead, it is lots of pleasure to have the opportunity. For—Frasher' make it so easy, and really there are dozens of so many pretty trims and ways to decorate the table—and dainty nut-cups, napkin holders, place cards, hats, caps, etc., that are quickly and inexpensively made, yet add to the merriment of the affair.

Frasher's are always glad to help you any time for every occasion.

BIRTHDAY SURPRISE

Last Tuesday night, January ninth, Elva decided she would like to go to Pomona. So, she and Hazel so-journed to that place. The secret had been let out that the day was Elva's birthday and the girls planned a surprise. With Dorothea and Esther in charge of the eats, a fruit salad was concocted which would "make a king's mouth water." Elva came home to a darkened room full of girls and was greeted by a merry chorus of well wishers. "It was one great surprise," as Elva put it, and in a few minutes eats were enjoyed, and the girls dispersed to their respective rooms. Those present were Elva Gillett, Hazel Brubaker, Martha Brubaker, Frances McCahill, Lois Johnson, Arlene Roynon, Clovie Carroll, Esther Renkel, Wanda Carl, Kathryn Harshbarger, Thelma Kuns, Dorothea Dyck, Ada Moothart, Ruth Emley and Pearl Whitcher, Susan Stoner, Mary Gockley, Viola Neher.

FUDGE PARTY AT DORM

Saturday evening, January 20, as the strain of the dreaded examinations was over, the girls in the dormitory who remained over the weekend, entertained several outside friends with an evening of fudge and music.

The kitchen rang with shouts of laughter as the "eats" were in the process of being made. Fortunes were told by various people with large mouths and an astonishing ability to catch sailing grains of popcorn therein. The chocolate fudge, produced by the combined efforts of twenty people, was delicious and the divinity a marvel of confectionery art. After everyone had eaten as much and more than they wanted and the kitchen had been cleaned up and left shining, the party grouped around the fireplace in the parlor where a roaring fire was built. With Lois Miller at the piano, a real old-fashioned "sing" was held. The girls arranged themselves on pillows and blankets and one after another the songs that

had grown dear to the hearts of everyone were called for. Finally as the fire burnt down to glowing coals, the last songs were sung with the gang half asleep or lost in reveries. After "When You're Gone I Won't Forget You" and "Abide with Me," the girls repaired to their rooms. Several went to bed but not to sleep, for the remainder of the party started some exciting games in the upper hall and the impressions produced on those on the sleeping porch were of thunder, forked lightning and shrieking hyenas. The guests from outside the dormitory were, Lois Miller, Rose and Florence Landis, Margarite Dickey, Mary Holland, Maurine Miller and Ruth Van Dyke, and the hostesses from the dormitory were, Dorothea Dyck, Kathryn Harshbarger, Pearl Whitcher, Martha Brubaker, Susan Stoner, Mary Gockley, Ruth Emley and Clovie Carrol.

THE WINSLOW SISTERS ENTERTAIN

Saturday night, January 19, there seemed to be a spirit of freedom and joy abroad among the students, for the semester's work had drawn to a close. This spirit was manifested in several little social gatherings around over town. One of these gatherings took place at the home of the Winslow sisters, Ethel and Ada.

All cares and worries of school life were thrown aside as the merry little group, consisting of Myrtle Crist, Edith Crist, Bessie Hixon, Ada Moothart, Roy Crist and Simeon Davis, spent the evening in running cracker and spoon races, guessing art mysteries and eating popcorn. The biggest mystery of all was the drawing of a moon, just exactly correct. Because few had had much experience in art (?) the task was found to be very difficult.

After a delicious lunch of fruit salad and cookies, the young people went homeward, feeling that they had fitly celebrated the close of the semester's work.

KOLLEGE KNEWS

Miss Elva Gillet spent the weekend at the home of her brother in Los Angeles.

Miss Esther Renkel went to her home in Pasadena to spend her "examination vacation."

Misses Pauline Miller and Hazel Brubaker spent Friday, January 19, in Los Angeles.

Mr. Phil Smith left for his home in Reedley the last of the week. We are indeed sorry to lose Phil from our number.

Mrs. Alberta Frantz talked to the dormitory girls at their devotional Monday night, January 15. She gave a very interesting account of the life of Alice Freeman Palmer.

Mr. Harvey Emley left La Verne for Reedley Sunday, January 14. He has given up his position at MacDonald's Garage here and will work on the ranch at Reedley.

Several of the dormitory girls attended the production "When Knighthood Was in Flower" in Pomona the first part of last week and they all report an enjoyable time.

President and Mrs. Funderburgh and Mr. and Mrs. L. S. Brubaker went to Inglewood Friday night where the illustrated lecture on La Verne College was given. Miss Susan Stoner accompanied the party, making a short visit at her home there.

Who'd have tho't that it takes four and one-half hours to go from La Verne to Los Angeles? You never can tell what will happen when six folk start out in a Studebaker to go to a game in the city. What did happen? Ah, well—car troubles cannot be helped. Ernie and Guy took a little trip back to La Verne to get the dependable DODGE and the rest of the party had a fine time out on the road near Puente. What time they got home is a mystery but "all's well that ends well."

Mr. Herman Moomaw is back at school this semester and is taking his place among the college freshmen.

The concert given by the dorm boys Wednesday night was much enjoyed. Unknown, perhaps, to the performers, girls were situated at nearly all the windows of the ladies' dorm, listening to the music. Phil's yodeling was especially appreciated.

A number of students found out much about themselves when they were subjected to a "will and temperament test" by Professor Lefever. The scene of action was the study hall. The test furnished material for table conversation at the dormitory.

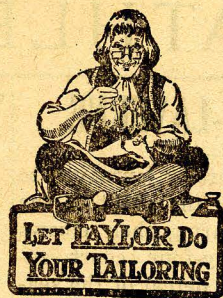

The current topics of conversation around college and campus last week were "Have you finished your paper" or "Wasn't that exam awful?" or "How did you get through in chemistry?" or others of similar nature. We all enjoy examination week immensely—when it's over.

Miss Frances McCahill received a very pleasant surprise when she was summoned to the city, January 13, to be present at the wedding of her brother, Mr. Percy McCahill, to Miss Kate Goldy, both of whom are from Reedley. Mr. and Mrs. McCahill returned to their home in Reedley Wednesday, January 17, after spending several days honeymoon in the south.

One hundred pounds of raisins, some of them muscats of the finest grade, were sent to the dormitory last week, by Mr. and Mrs. William Dyck of Reedley. We certainly thank them for this generous gift which is much appreciated. As a forecasting of joy to come, it might be said that Mrs. Hoke has sent to Reedley to get Mrs. Dyck's recipe for raisin pie. To anyone who has been at the Dyck home this need no further comment.

Mr. and Mrs. Charles Vaniman arrived in La Verne last week from Virden, Illinois. Their many friends here are glad to see them return and hope to see Hazel and "Dena" when school closes.

Mr. Frank Gillet spent the weekend at his home in Los Angeles.

ATHLETICS

REDLANDS-LAVERNE

The La Verne Varsity journeyed to the Bull-dog kennel the night of the 13th, and after wearing their elbows off on their two-by-four court, returned with the first defeat of the season by the score of 17 to 30. Most of the Redlands team did considerable growling but Miellette did most of the real biting by rolling up a total of 16 points. Refereeing was very loose, allowing a good bit of first-class football to be demonstrated. The name Daniels seems to be in good stead at R. U., that name applying to coach, referee, and a guard on the team. The La Verne men were on the defensive most of the time as shooting seemed to be much below par. We hope some time to meet them on our own court.

ACADEMY DEFEATS BONITA

The La Verne Academy basketball team defeated Bonita high school on January 8th by a score of 25-15. This was the first time La Verne has defeated Bonita in basketball for four years. However, the two schools did not play last year. The game was slow and the La Verne fellows were not up to their regular form. Wayne Bohn was responsible for 12 of La Verne's 25 points. The final score was 25-15. Ray Root refereed the game.

LAVERNE DEFEATS CLAREMONT

La Verne Casaba tossers defeated Claremont quintet by a one-sided score of 25-5. La Verne still continued the same fight which they showed last week when they defeated Colton. Or Brooks is now eligible for this new semester and we are expecting some good work from him. G. Kreps showed his stuff by being high-point man, registering a total of ten points for his alma mater. The La Verne fight was good and they made every minute count. Claremont was not able to solve our defensive game which is clearly shown by only being able to register one field goal during the entire game. La Verne Academy has not only put in their bid for the league but they are putting up a fight that will defeat any team of their caliber.

The Line-Up

La Verne	Claremont	
Kreps	F	Mason
Brooks	F	Patton
Bohn	G	Smith
Hartman	G	Jollings
Root	G	Brackett
Substitutes—Blocher for Hartman.		
Shirk for Kreps. Or Brooks for O. Brooks.		

ACADEMY WINS VICTORY FROM COVINA

La Verne Academy proved to the world that they were not to be defeated by Covina last Tuesday. The first half of the game was not played up to form. They showed some real class in the second half. Orville B. was responsible for ten of the points. The final score was LaVerne 28; Covina 21.

THE ACADEMY WINS FROM LEAGUE TEAM

Friday, January 12th, La Verne Academy basketball team went to Colton and handed them the small end of 24-12 score. This victory for La Verne rather upset the dope as Colton was considered the fastest and strongest team in the "C" league. The first half was fast and ended with a close score. In the second half the Colton boys were entirely outclassed both in teamwork and ability to shoot goals. Otie and Kreps at forwards and Bohn at center accounted for the most of the La Verne scores while Root and Hartman did very well at guard. The captain of the Colton team did most of the work for Colton. This was the first league game and La Verne has a fine chance to win the league this year. Friday, February 2, will probably be the hardest game of the season with Chino Hi. Let's all support the Academy team. We are out for a championship this year.

LaVerne Seconds Defeat Pomona K. of P.

The La Verne second team won laurels for their school Thursday night when they defeated the Pomona Knights of Pythias by a score of 58 to 10. The first half was slow and the score at the end of the half was 16 to 8. In the second half the whole second team went wild. The Harper brothers and Sim Davis were shooting goals from all points of the court. Truman Funderburgh played the first half and it surely looked good to see him playing for old La Verne again. He shot four goals for La Verne. Chase shot eleven field goals and Byrl shot eight. Howard Beckner refereed. They were surely a bunch of good sports, and La Verne enjoyed the game.

COLLEGE WINS FROM CLAIRE ATHLETIC CLUB

The Claire Athletic Club journeyed a long way to get defeated when they came to La Verne Wednesday, January 6. The final score was 52-22. Captain Beckner and "Hop" Welch were probably the stars, making 22 and 13 respectively of the points made. "George Washington," a colored man, was their star and was without doubt the best sport of their crowd. The whole team was mostly foreigners. It was a good workout for both teams and it gave the College a chance to develop their teamwork.

POMOMA FROSH WIN OUT

The La Verne second team suffered its first defeat this year at the hands of the Pomona College Frosh by a score of 36-10. They were entirely beyond the second team's class and could have given the first team a good game. The home team was on the bum all evening, and did not do its best. Merritt did most of the shooting for Pomona, making seven field goals. The seconds got good practice from it, especially for their "wind."

Miss Elsie Booth spent the weekend at her home in Covina.

The "Reo" was seen making its way to Pomona with a crowd of girls. We wonder where it was going and when it returned?

Ben Hepner and the Brubaker sisters motored to Pacific Palisades Sunday, January 14th, where they were met by David Bomberger, attending a Y.M.C.A. conference there.

The Deputation teams, both of the north and south, were entertained on Sunday, January 14, at the Harper home. The splendid chicken dinner and the good time in the afternoon were much enjoyed.

Miss Velma Noll left for her home at Strathmore Monday night, January 22. She will complete her senior year at the high school there. We are surely sorry to lose Velma from school and from the Academy senior class.

A. & E. DRUG CO., POMONA

IN OTHER YEARS

(From Files of The Palmerian)

FROM PALMERIAN OF SEPTEMBER 1914

Eld. J. P. Dickey of Raisin, former acting president of Lordsburg College, spent a few days with friends here last week. He was present and led the devotional exercises at the opening services at the college.

Miss Bertha Fike holds the position as clerk in the college book store this year.

NEWS FROM LORDSBURG COLLEGE EDUCATOR 1909-10

The main street of the town is being nicely graded and a top dressing of decomposed granite is being put on. This improvement will be permanent and appreciated.

Eld. Andrew Hutchison of Kansas is in Southern California. He called at Lordsburg and his presence is appreciated among us. We expect to see more of him as the days go by.

President England and wife spent Easter Sunday in Inglewood.

The First National Bank of Lordsburg is now occupying its new quarters, corner of Third and Main streets.

The Ladies' Glee Club of Lordsburg is a new organization. Miss Flossie England is president, Miss Edna Shrock director. They are making things hum some occasionally these days. The young men are following along nicely. They are organizing a glee club and we suppose things will more than hum some of these days.

GLEANED FROM "THE PALMERIAN", 1916

Vesta Sanger made a brief but a much welcomed visit to the dormitory last week. We are always glad to see the faces of our former students in the halls of L. C. She is taking a post-graduate course at U. S. C., majoring in mathematics.

Two more of our students, Gladys Fesler and Ruth Barnhizer, have enrolled in Los Angeles Normal.

On January 8th, the Juniors hired a large wheelbarrow from the lumber yard, pushed by a balky mule (a Ford) and went sight-seeing to Pomona. From reports heard they surely had a jolly time.

"Marie—"How kind of you to bring me these flowers. They are nice and fresh. I think there is a little dew on them."

Leland—"Yes, there is a little dew on them, but I'll pay that next week."

Prof. Miller has been going out in the interest of the school to remedy the financial condition and is well pleased over the result. He has secured a conditional promise for five hundred dollars, while another man has promised ten thousand dollars for endowment if three other people will each give ten thousand dollars. This man also promised to give one thousand dollars toward a new building. Yes, indeed, we are going to have a new building some day!

Jesse Brandt taught school at McFarland one year, but since then he has been attending college and will receive his A.B. degree next February.

Harper W. Frantz has been attending Claremont College and doing some assistant teaching for his alma mater. Grace Hileman Miller received her

B.S.L. in 1914 and since then she has been a real home missionary for a school for Japanese has been established in her home. Patience and sacrifice belong to her.

L. Y. R. Hoover and I. V. Funderburgh received their A.B. degrees with the 1915 class. We say may success be to Mr. Funderburgh in his teaching work and to Mr. Hoover in his scientific chicken business.

Prof. Nininger (calling roll in Physiology class)—"Miss Woody?"

Leland Brubaker—"Absent."

Prof. N.—"Oh, are you looking after her affairs now?"

Maurine Miller (Freshie)—"We are going to take Julius Caesar in English now, and I'm going to remember mine well."

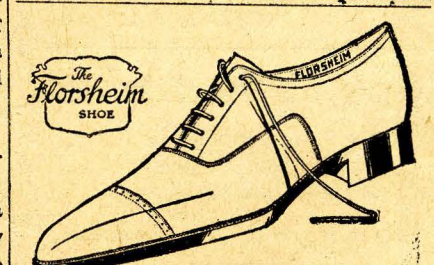

Soph—"How so?"

Maurine—"Why, so I can use it in taking Latin next year."

Mr. Galen Root came in too close contact with an opponent in the Covina-La Verne game and wears a beautifully plastered eyebrow as a result.

Miss Wanda Carl went to her home in Hermosa Beach to spend last Saturday and Sunday.

The college girls have taken up basketball and the gymnasium rings every evening with—, must we say it—squeals. What they lack in speed and ability they make up in enthusiasm.
