LA VERNE SHINES IN BASKET BALL

COLLEGE TEAM TIES POMONA

The famous Pomona Sagehen cackle was changed to several loud "squaks" Wednesday evening, January 24, and they returned to their roost with their feathers sadly ruffled and several of their tail feathers plucked. The La Verne boys played a wonderful game all around. It was the fastest and one of the most exciting games ever played in the La Verne gym. At the end of the game the score was 23-23, so the coaches decided to let the teams play five minutes longer to play off the tie. This five minutes was surely a fight from star to finish, and during that time each team scored one field goal, tying the score again, 25-25. Beckner and Welch did most of the stellar work for La Verne, scoring 8 and 11 respectively of the 25 points made. Brooks and Dickey also played a wonderful game as guards, Brooks scoring 4 points.

Capt. Braven Dyer did most of the shooting for Pomona, annexing 13 of the 25 points. The two teams will probably meet somewhere in February to play off the tie. Mr. Tay refereed.

LINE UP

La Verne (25)	Pomona (25)
Beckner (Capt.)	F Braven Dyer (cp)
Price	F Lorbeer
Welch	C Chambers
Brooks	G Brainerd Dyer
Dickey	G Young

Substitutions—For La Verne: Landis for Price; Root for Brooks. For Pomona; Wilson for Lorbeer.

BIBLE INSTITUTE NOW IN SESSION

Judging from the interest and attendance at the opening sessions on Sunday and Monday, the Bible Institute promises to be exceptionally fine during this week. Although a more detailed report of the meetings will be given in the next issue, it will suffice for the present to note the splendid social spirit. Friends are meeting former friends and acquaintances. Between sessions there are usually small groups to be seen in the halls and about the campus visiting and talking of old times. The spirit of friendliness is manifested everywhere, and, in fact, it is a spirit that adds much to the success of the Institute.

The hospitality of the Ladies' Aid in serving meals at the college dining room at reasonable rates is greatly appreciated.

COLLEGE SENIORS DON CAP AND GOWN

The college Seniors of this year chose Wednesday, January 30th, as the day of their "Step-Out." The forenoon classes of that day were shortened, that there might be a longer chapel hour. Pres. I. V. Funderburgh led the processional, followed by the speakers of the day, the faculty and the Seniors. That they were all in their caps and gowns heightened the dignity of the occasion.

Rev. Samuel Buckner, pastor of the First Christian church of Pomona, delivered the address. He pointed out that we are living in an age of great things and much progress, and it presents a great challenge to the young people of today. He said: "There is no danger of too great a head education so long as the heart is educated to control it." In emphasizing the value of a Christian education, he noted that one is not a Christian in order to protect Christianity, but that Christianity defends the individual and helps him in that for which he is striving.

Following the address, Mr. John Price president of the Senior class, spoke in behalf of the class on that which their college course had meant and should mean to them. He called Rev. Jacob Funk, chairman of the college fund endowment campaign, to the platform and presented him with a pledge of one thousand dollars from the members of the class, toward that fund. At this time there was great applause from all present. Rev. Funk acknowledged receipt of the gift as a representative of the college and its constituency.

The "step-out" had been announced previously and there were many friends and visitors present, besides the student body.

NEW COMMISSIONER OF DEBATING

Another vacancy occurred in the Commission when Paul Throne resigned his position as Commissioner of Debating, due to the fact that he would not be in school during the second semester. Mr. Walter Gilbert in his loyalty to his school, was persuaded to become a candidate for the office and in the regular Student Body meeting on Friday he was declared elected by the student assembly. It is an extremely difficult undertaking to take up an office on the Commission in the middle of the year, and the students should back our new debate chief to the utmost of their ability. It is hoped that the revised Commission will soon be working smoothly and that the students will cooperate in every undertaking.

B. G.'S MEETING

The Bethany Girls met at the home of Ruth Price last Friday evening for a business meeting. But the president had a hard time keeping order, for what could anyone do when thirty girls were laughing, gossiping and doing various other things? However, some very important business was transacted and each girl brought some sewing to do for Mrs. M. S. Frantz. After all the work was done and the most important subjects of the day discussed—even to the "getting better every day" theory—apples and popcorn balls were served by the hostesses of the evening.

ACADEMY WINS FROM LONG BEACH

The Academy basket ball team of 1922-23 is by far the best team ever put out by the Academy. They have been defeated but once this year and have scored more than double the number of points registered by their opponents. They have played schools many times as large, numbers, than themselves, but they always get the long end of the score.

They journeyed to Long Beach last Tuesday and made the largest high school in Southern California look sick. During the entire game the defense worked perfectly. Root and Hartman both played a wonderful game. The shooting was not so good because it was a strange court but the forwards found the goal often enough to keep the lead. Bohn played a good defensive game and also succeeded in making three baskets. The score was: La Verne 26; Long Beach 23. On to the Southern California championship.

APOLLO CLUB MEETING

In spite of the California blizzard, which struck La Verne Thursday night, the Apollo Club held its regular musical, this time consisting of tests and contests in musical appreciation. Each member played or sang one or more of the best known classics and the audience attempted to identify each. Although some serious mistakes were made, such as mistaking the "Melody in F" for "Traumerii," the experiment proved very successful and those present found that what they didn't know outweighed their knowledge. The Club expects to give some such program in chapel some morning, so it might be well if the students brushed the cobwebs from memories and use their ears to the best advantage during the next week or two. The following list consists of some of the numbers used by the Club Thursday night:

Wedding March	Mendelssohn
Sextette (Lucia)	Donizetti
Moonlight Sonata	Beethoven
Habanera (Lohengrin)	Wagner
Swan Song (Lohengrin)	Wagner
Minuet in G	Beethoven
March Militaire	Schubert
Traumerii	Schumann
Rollin' Down to Rio	Germau
(Words by Kipling)	
Melody in F	Rubinstein
Prelude	Chopin
Israfil	Oliver King
Dancing Doll	Poldini

A. W. S. "T."

Saturday afternoon, Feb. 3, the Associated Women Students gave a tea as the formal opening of their new room, which in former days when the girls and boys both resided in the old building, was the kitchen. It is wonderful to see the transformation the old room has gone thru with at the hands of the A. W. S. members. The walls were kalsomined, new cretonne drapes hung on the windows, and a long wall seat was also covered with cretonne. Outside the windows in boxes are geraniums, and with the chairs, cushions and cretonne-covered screen, the girls surely have a room to be proud of.

The guests of the occasion were the college men, from 1:30 to 2:00, and the faculty and board members, from 2:00

IMPERSONATOR COMING FEBRUARY 14

The third number of the La Verne College Music and Lecture course will be presented on Wednesday evening, February 14.

John B. Ratto, impersonator, will give the program. Mr. Ratto believes that the greatest art is one of pleasing, and that as an artist it is his work to please artistically. His programs are full of life and action. In them he presents the type of character met in the average community, or of famous men, past and present.

Mr. Ratto has been in lyceum and chautauqua work for fifteen years. He has worked hard to maintain the ideals of these two great institutions and has a splendid record. In these fifteen years he has filled more than 3500 engagements. He is very careful in the selection of program material. His characters are true and genuine and his audiences are always assured an evening of good, wholesome fun.

"DADDY LONG LEGS" IN POMONA

By the request of some of the influential business men of La Verne and Pomona, the Academy Seniors took their class play to Pomona on Monday night, January 29, and, despite the difficult staging, it was a great success. Many of the Pomona people who are little acquainted with La Verne and her college were somewhat surprised at the talent shown in the Academy department. Mayor Ovington declared some of the main characters as "real artists" and the many comments on the acting ability of the class all reveal the qualities of our splendid director, Mrs. B. S. Haugh. Because of the fact that the play, "Daddy Long Legs," is so well liked by the people, the cast may be called to Pomona again in the near future.

COMMISSION NOTES

Wayne Bohn was elected temporary chairman of the Commission. The Commission hopes to reorganize as soon as a new commissioner of debating is elected.

The student body have assumed the responsibility of \$3.50 per member for the annual fund. One dollar is to be paid now and the remainder raised by such means as the student body may arrange. It is now planned to give programs. The student body is equally divided and are at work planning some entertainment.

Harris Moore was made circulation manager, since the departure of Ora Weddle, and Roland Stutzman his assistant. Esther Renkle will also assist by typing the names on the paper wrappers.

Plans are being made whereby the business manager of the Campus Times will receive a commission similar to that of the business managers of the annual.

to 2:30. The board seemed to enjoy greatly the little vacation from their session, and, needless to say, it took very little persuasion to induce the faculty to adjourn from their meeting for a few minutes to the room below, where all were served to tea and wafers.

The A. W. S. intend to open their room for a ladies' rest room during the Bible normal, and we are sure it will be greatly enjoyed, especially by the mothers with small children.

CHAPEL NOTES

At the first chapel service of the new semester on Monday, January 22, Pres. I. V. Funderburgh spoke to the student body. He emphasized the fact that the students were again starting with a "clean slate," advising them to look forward, not back.

"Give to the world the best that you have and the best will come back to you." On Tuesday, January 23d, Miss Ruth Williams based a talk on the above quotation. She said that this policy would overcome many of our difficulties and play a big part in our happiness.

Wednesday, January 24th, Rev. J. B. Emmert told of some of his experiences while a missionary in India. From an illustration he said: "I am a man, and my religion is Christian." He said that a Christian should rank himself thus in life.

Miss Pauline Miller, on Thursday, January 25th, read a poem entitled, "The Calf Path." It told of the calf, who, walking through the wood, "made a trail all bent askew," and how that trail through centuries became "a city's crowded thoroughfare." It concluded as follows:

"For thus such reverence is lent
To well-established precedent.
A moral lesson this might teach,
Were I ordained and called to preach
For men are prone to go it blind
Along the calf-paths of the mind,
And work away from sun to sun
To do what other men have done."

The new pastor of the Brethren church of La Verne, Rev. Tay, Monday, January 29th, addressed the students on the Bible. He said that this is an age of specialization, and although it is usually conceded that a minister can speak on any subject, he preferred to stay with that on which he had specialized. He based his talk on Psalm 19.

Miss Elva Gillett, on Tuesday, January 30th, during the chapel hour read an original poem.

Thursday, February 1st, Pastor M. A. Frantz of Lindsay spoke to the student body. He insisted on using "Hash" as his subject, but the students felt that he had a very definite theme to his discussion. He used as his text I. Corinthians 16: 13, "Quit ye like men, be strong."

The Ladies' Aid is providing meals for the Bible Institute visitors and many others at the ladies' dormitory this week. The proceeds are to go to the endowment fund for the College. There is a rumor that a chicken dinner is to be served there Thursday. Everybody be there.

Money AND Business

Money is to business—

What food is to the body—
What reading is to the mind—
What exercise is to the muscles—
What blood is to the heart—
What breath is to our lives—

Money is the very life of business which makes the selection of your Bank of vital importance if you are to grow and prosper.

"YOU AND YOUR SCHOOL PAPER"

One thing which is badly needed in La Verne College is a greater spirit of cooperation in student body activities. Too often when some project is under consideration we are all heartily in favor of it providing there is no responsibility to come our way. We like to see our College accomplishing things and making a name for itself—if we have none of the hard work to do.

An example of this problem is the attitude of some of the students toward the school paper. A harassed editor comes to an individual and asks him to write an article for the next issue of the Campus Times but this is the reply, "No, I can't possibly do it. I'm too busy. I have a committee meeting at noon, and I'm terribly busy. You'll have to find someone else." And then this "someone else" makes the same answer, and so on, until the editor, unless Fortune, in the person of some willing student, smiles upon him, is forced to do it himself. Some of these people would be surprised if they would keep an exact account of all the time wasted talking in the library and in various other ways.

We sometimes wonder just what the conception of the average student is of the school publication and how they think it is "put across." Often the very ones who refuse to help are heard "crabbing" when the paper comes out because one organization has more space devoted to it than another or because the athletics are not where they should be, or because of numerous other faults. The sad part about it is that they do not come to the staff with constructive criticism, but talk in their own little cliques and decide that "if they couldn't put out a paper better than that, they'd quit," or some similar conclusion.

Students, if the Campus Times doesn't please you, work to make it what you think it ought to be, and do your part when you are asked to contribute. Bring your suggestion to those who are directly responsible for the paper. Everyone is busy, but we must have a school publication if we are to maintain the standard of other colleges, and the ONLY way to do it is to work together. Every student in La Verne College is personally responsible for the success or failure of the Campus Times. It is **your** paper and your duty to help those who have been selected to carry out the routine work. Your interest must go farther than to the point of inquiry if the paper does not make its customary appearance every other Tuesday noon.

Stop "crabbing" and get to work. Let's make our school paper and every other student body activity a success by fostering a greater spirit of cooperation among us here in La Verne College.

More Truth than Poetry

Chase (in English 14b): That magician was great when he played on the pipe organ in Grauman's theater. Marion Royman (in History of Education): A machine is something to make work easy.

Too Much Rivalry

"How is your wife making out with those onions she is raising in a flower pot?"
"They're drooping. Stirring the soil with a hairpin was all very well, but I don't think perfume from an atomizer is the sort of irrigation they need."

"After all, fools make life amusing. When all the fools are dead, I don't want to be alive."
"Don't worry; you won't be."

He: "It would be a mighty dull world for you girls if all the men should suddenly leave."
She: "Oh, we should still have you college boys left."

"How long has that clerk worked for you?" asked the caller.
"About four hours," replied the boss.
"I thot he had been here longer than that," said the caller.
"He has," said the boss, "he has been here for four months."

When the rooster crows at sunshine,
In that strident tone of his,
Then the weather either changes,
Or remains just as it is.

Experienced Jeweler

Customer: "I-ah-er-um."
Jeweler (to assistant): "Bring that tray of engagement rings here Harry."

An Original Chapel Talk

If you like rambling, rambling, talks,
Listen to me today,
For all I have is chopped up advice;
That's all I have to say.

Happy is the one who never tries to
balk,
But does his christian duty
And takes his chapel talk.

Does it though its hard to do
And he's just brim full of scare,
But calmly takes his seating
By Dr. Hoover's chair.

And tries to bring a message
That the student says is stale;
Do you wonder at the speaker
If he's growing a little pale?

Happy is the student
If it's anything worth while,
Who does what he is asked to do,
And does it with a smile.

Be more accommodating;
Look out for things to do
That will make somebody happy,
And one somebody will be you.

Don't wait until they beg you
And work and coax you in,
But do before they ask you,
Then watch the widening grin.

There's a hundred thousand million things,
If you'd only use your eyes,
You could all at least do one each day,
Without extra moans or sighs.

For instance, when you go to class
And everything seems gloom,
Don't reflect your inner seemings—
Don't contaminate the room.

For frowns and smiles are so contagious,
And will take when mumps won't take,
So put on your Sunday's best expression
And smile, for goodness sake!

Happy is the student
Who always does his share,
And never wears a cloudy face
When the day is really fair.

Thus you help your teacher,
Help lame days o'er the stile,
For she gets an inspiration
When she sees her pupils smile.

There are other ways to cheer the
Prof.—
Yes, many, many more—

OPEN FORUM

A department of the Campus Times which has received but little attention is the Open Forum. It is possible for this column to become of the greatest interest to the students if it is used properly.

Students, if you have some pronounced views on any subject, write about them and send your contribution to the Open Forum. If there is some new movement or reform you would like to see begun in school, hand in your ideas to the paper and get an exchange of opinion with the other students.

Every student of La Verne College and Academy is invited and urged to make use of the Open Forum and help to arouse interest and enthusiasm concerning our school problems by discussion and constructive suggestions through the columns of the Campus Times.

Who will be the first to respond?

Laugh at the jokes they tell,
Though you've heard them twenty times before.

And listen with interest to their chapel talks
And try to sympathize,
Realizing how hard they had to work
To let you criticize.

Don't be a joy killer and a crab
When things go wrong,
But be a hearty booster to all mirth
That comes along.

If there's no excitement
Don't complain about the lull,
But stir up some adventure;
It's your fault if things are dull.

If talks have themes mine is this,
Life is what you make it;
There's plenty of sunshine to be had
If you will only take it.

Do your duties when they're due,
And do them to the letter
Then day by day in every way
You'll be growing better and better.

If I could preach as preachers do,
Or sing as Harry Lauder,
I'd give you something then worth while,
But I'm only a preacher's daughter.

All I can say has all been said,
Passed down from father to son,
But I can do what others don't—
I can quit when I say, I'm done.
I'M DONE.

SOCIETY

"HARD-TIME" BIRTHDAY PARTY

It seems to be a practice in the "dorm" that whenever a birthday comes along there has to be some sort of a blow-out. Lois Johnson was the last one to be honored. On last Wednesday evening, about 10:30, to be exact, Lois' friends assembled in one of the vacant rooms to celebrate her 17th birthday. The general idea of the party was a "hard-time"—everyone had it! The decorations in the room were most unique (correct?) and the costumes which the guests wore were worthy of serious study, for it is not generally known that the girls possess such original talent, and the eats were scrumptious, to say the least. Popcorn and nut fudge surely hit the right spot. After each girl had received a "gift" she very quietly retired to her respective bed to dream wierd dreams of future midnight spreads.

Not so bad!!

SUNDAY SCHOOL CLASS PARTY

It was indeed a cold day, but nevertheless, on Thursday, February 1, Mrs. Arnett and her Sunday School class journeyed forth to the Brenaman home. Upon entering the house the first thing to greet them was a muslin donkey, which was pinned on the wall.

Each one was curious, but some found out that they were to be blindfolded and then see if they could pin on the donkey's tail, somewhere near the right place.

Some succeeded quite well, but few remarks are needed about the rest. Ruth Barnhizer was "luckiest one" and received the prize. Ask her what it was! After a short business meeting, refreshments of peaches with whipped cream and cake were served by the hostesses, Bertha Swihart and Ruth Emily.

Just ask any member of the class if they didn't have a good time.

A SNOW FROLIC

On Saturday afternoon, February 3, a group of Academy Juniors started up to the snow. With Mr. and Mrs. Leland Brubaker as chaperones, sixteen of them embarked in two Fords and one Paige and were off to the mountains at 1:30.

After arriving at a spot one and one-half miles from Camp Baldy, the afternoon's entertainment consisted

in sliding down the hills, without any sled. When four o'clock came, and with it a tremendous appetite, the party made a search for a place to eat. A cozy nook was found, but unfortunately just before making the fire to roast the wieners a sign was observed which stated that fires were forbidden. Not having any superfluous wealth, they decided to find another location. When all were settled once more in a place outside the canyon, the wieners, buns, coffee and doughnuts were greatly enjoyed, after which everyone started homeward.

The only serious mishap of this jolly afternoon was that Leland Brubaker's eye came into close and severe contact with a snowball, causing Marie much alarm for a time.

Those who enjoyed the frolic in the snow were: Lloyd Emmert, Frank Gillett, Orville Brooks, Wayne Bohn, Glenn Krepps, Galen Root, Russell Frantz, Miriam Shirk, Olive Shirk, Norma Roynon, Ethel Drescher, Irene Brooks, Lois Ruth Miller, Minnie Dickey, and Mr. and Mrs. L. S. Brubaker.

SOPHOMORE OUTING

The Academy Sophomores spent a very jolly day Saturday at Baldy, with Miss Sanger and Miss Babcock as chaperones.

They all enjoyed an early morning ride to the edge of Hogs Back on Johnny Price's truck, driven by Otis Brooks. He was some driver, especially around the corners. Then everyone wobbled up to Camp Baldy, as each having an extra surplus of clothes on, it was impossible to walk.

Not wishing to fight the wind, everyone enjoyed a cold dinner, consisting of cold hot dog, beans, sandwiches, pickles and cake.

Cat fashion, everyone's face was washed after dinner, which kept the crowd in good humor.

In the afternoon the chief cooks, Messrs. Shirk, Brownsberger and Kreps, worked very industriously to make some hot coffee on forbidden property, sticking their fingers in to see if it was boiling; the others, hearing an approaching car, ran "cum maynum celeratate," to hover around a signboard which said "Absolutely no Camp Fires on this Property."

Sliding down the hills is great sport—ask the Sophomores.

KOLLEGE KNEWS

Several of the girls enjoyed a pipe organ recital at Bridge's Hall of Pomona College last week. Those who had the privilege were: Ruth Price, Mira Shirk, Marguerite Dickey, Eva Marshburn, Mary Blickenstaff, and Beulah Smith. The recital was rendered by Walter Hartley, who is the organist of the Congregational church of Pomona.

Miss Velma Maust was the guest of Miss Alta Shirk one night last week. The ouija board was the main feature of the evening.

We are very sorry to hear that Virgil Brooks had to leave us and go to his home in Modesto. Bue we hope he will return before so very long.

Several of the boys were out with their old friends, the "smudge pots," on Wednesday night. We hope they enjoyed their visit.

Several of the students attended the play "Othello," by Shakespeare, at Pomona College on Saturday night, Jan. 27.

The girls' indoor baseball team have not been able to practice much since the rain but hope to be in full swing again soon. A practice game will be played with Puente next Tuesday evening.

Rev. Ezra Flory arrived in La Verne Monday, February 5, to be present at our Bible Normal, at which he is to be one of the principal speakers. He has come here from McPherson College, where he was engaged in a similar work.

Miss Dorothea Dyck spent Saturday night with Miss Marguerite Dickey, and on Sunday they motored to Los Angeles to hear Mrs. McPherson.

Miss Mary Gockley spent Sunday at the Ikenberry's, with her friend, Miss Mary Holland of Washington.

Mr. and Mrs. F. A. Vaniman of McPherson, Kansas were the guests of friends in La Verne for several days last week. On Tuesday evening they, with their friends, Mr. and Mrs. F. P. Detter, were entertained at dinner by Dr. Miller and family, all of whom were friends and neighbors at McPherson.

Maurine Miller was the guest of Kathryn Harshbarger at the dormitory, Saturday night.

The familiar faces of the "board" have been seen in the halls for the past week. Pastor A. O. Brubaker of Fresno, M. S. Frantz of Lindsay, M. J. Mishler of Fig Garden, Elder Sanger of Empire, Elder Brower of Reedley, N. C. Brubaker of Los Angeles and W. F. England of Covina.

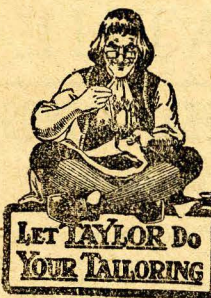

Miss Babcock, Miss Sanger, Miss Muir, and Miss Ruth Emley attended the concert given by Harry Lauder in Los Angeles on Wednesday night, January 31.

Miss Mary Blickenstaff spent last Thursday night at the dormitory with Miss Dorothea Dyck.

Our friends of Pomona College enjoyed a big day in the snow this week, just before their examinations. The trip seemed to be a success in many ways. A hint to the wise is sufficient. It may snow again very soon.

Miss Viola Neher has been enjoying a visit from her brother and his wife, Mr. and Mrs. El Reno Neher, of Porterville.

Last Sunday little Philip Davis announced the fact that he has a new brother. Mr. and Mrs. C. Ernest Davis are the proud parents of a boy, born Saturday, February 3. What the name of the new arrival is we are unable to state, but he is heartily welcomed in the faculty circle.

ATHLETICS

LA VERNE DEFEATS CITRUS JUNIOR COLLEGE

The La Verne "hoop sharks" defeated the Citrus J. C. quintet by a score of 26-16. In the first half something was decidedly wrong, because the La Verne fellows were not going at all. At the first of the game Welch was taken out and Beckner played center. Landis took Beckner's place at forward. La Verne only scored one field goal in the first half. The score was 9-4 in favor of Citrus. In the second half La Verne staged one of the strongest come-backs in its basketball history. Welch got an inspiration from somewhere and played a wonderful game the second half, and he seemed to put new life into the whole team. He scored six field goals in the last period, and Price and J. Brooks each scored two. Levi Dickey also came back and played one of his best games this season. The last half was just as exciting and just as good basketball as the Pomona game.

LAVERNE LOSES TO CHINO

La Verne lost her chance for the league championship Friday, February 2, by losing to Chino to the tune of 16-12. The La Verne team was not up to form any time during the game. The game, however, was lost on fouls. The refereeing was seemingly in Chino's favor. Twice as many fouls were called against La Verne as Chino, and Chino made 8 points on free throws. Each team made 4 field goals. The fellows surely deserve a lot of credit for their fight, even if they did lose, because they certainly did show the old La Verne fight.

COLLEGE VICTORIOUS OVER CALTEK FROSH

La Verne College defeated the Caltek Frosh team by a score of 29-12. The game was fast and interesting throughout. Both teams played their best game the first half. John Brooks played a good game for La Verne at guard, scoring 6 points. Beckner and Welch also played exceptionally well, annexing 11 and 8 points respectively. In the first of the second half all of the substitutes were put in and they easily held Caltek. Caltek only scored 4 points in the second half to La Verne's 15. Baker and Werden starred for the visitors. La Verne is attempting to get a game with the Caltek varsity in the near future, and we have a splendid chance to clean them up.

LINE UP

La Verne (29)		Caltek (12)
Beckner	F	Johnson
Price	F	Werden
Welch	C	Baker
Brooks	G	Pyle
Dickey	G	Stine

Substitutions—La Verne: Harper for Beckner; Landis for Price; Root for Brooks, and Jordan for Dickey. Caltek: Coleman for Johnson and Stewart for Stine.

Pres. and Mrs. I. V. Funderburgh entertained at dinner on February 4, Rev. M. S. Frantz of Lindsay, Mr. and Mrs. L. S. Brubaker, Mrs. S. D. Funderburgh, Wanda Carl, and Kathryn Harshbarger.

The time of Bible Institute has come. Visitors are arriving from time to time and many of the students are busy welcoming parents, relatives and friends coming to attend our Bible Normal.

Ruth Barney: "Mrs. Miller, you mustn't go out in the rain."

Mrs. Miller: "Why not?"

Ruth: "Why, you are liable to shrink, and you are short enough already."

ACADEMY BOYS DEFEAT CORONA

On Friday, January 26, the Academy won their third league game by defeating Corona Hi by a large score of 47-7. The game was slow and not so much "class" was shown by either team. Corona was completely outclassed in every respect. They only shot three field goals to La Verne's 22. Of these Bohn got 8, Kreps 6, Otie 4, and Orville 3. The Academy has easily acquired all her league games so far. The big game will be with Chino Hi February 2 at Chino. If she wins this game it means a league championship and a chance to compete in the Southern California semi-finals.

COLLEGE DEFEATS POMONA LEGION

Thursday night the La Verne College quintet defeated the Pomona Legion or the third time this year by a score of 40-8. The first half was slow and ended with a score of 10-2. This slow playing in the first half was probably because every fellow on the team had smudged all night the night before. In the second half, however, they came back and scored 30 more points. Beckner and Welch each got 6 field goals in the last period. In the preliminary game of the evening the second team defeated the Fraternal Brotherhood of Pomona by a score of 52-2. It was some game, as can easily be seen by the score. Byrl Harper was without any doubt the star of the game, making 14 field goals.

Misses Frances Arnold and Velma Vaniman were guests of Miss Lola Shirk on Sunday for a chicken dinner.

Mrs. Arnett's Sunday School class is going to serve at the banquet of the district Sunday School superintendents, which will be held in the dormitory dining room Tuesday evening, February 6, at seven o'clock.

The A. W. S. wish to announce that their new room in the basement will be open from 9:30 to 5:30 each day as a ladies' rest room and nursery. Members of the A. W. S. will be in charge, and mothers of small children are invited to leave their children there in the care of the College girls while they attend the sessions in the chapel. The A. W. S. members are also active in other ways in trying to make the week pleasant for our visitors. Miss Barnhizer, the president, has the following committees at work:

Parlor Committee—Mary Blickenstaff, Beulah Smith, Eunice Kreps.
Chapel Decoration Committee—Alida Larimir Esther Renkel, Dorothea Dyck.

Going to snow seems to be a popular diversion this week. On Sunday, February 4, Miss Lois Johnson and Miss Dorothy Arnold and Mr. Arnold spent the afternoon in the mountains, going as far as Camp Baldy.

Professor D. Welty Lefever was unable to meet his classes last Thursday and Friday because of an attack of tonsillitis. He has sufficiently recovered to be back in school this week.

Miss Dorothea Dyck and her grandfather, Mr. David Bower of Reedley, were guests at the L. J. Lehman home last Sunday.

New and Important

A teacher was trying to impress upon her pupils recently the fact that history repeats itself, and that many things which happen today are the counterpart of things that happened years and years ago.

"Now, will anyone tell me of anything new of importance that has happened in the last twenty-five years?" inquired the teacher.

"Me," answered one of the pupils.

The party of tourists were watching Professor X as he exhumed the wrapt body of an ancient Egyptian. "Judging from the utensils about him," remarked the professor, "this mummy must have been an Egyptian plumber."

"Wouldn't it be interesting," said a romantic young lady, "if we would bring him back to life?"

"Interesting, but a bit risky" returned Professor X, "somebody might have to pay him for his time."

fooling the Neighbors

"What makes that hen of yours cackle so loudly?" inquired Jenkins of his neighbor.

"Why, they're just layin' a cornerstone for the new workingmen's club across the road, and she's trying to make them think she did it."

Welty's watch was slow on Senior Step Out day. How's come? He must be very slow. He dismissed his class in the History of Education so that he might have time to get his cap and gown on correctly. He wanted to look nice on such a day.

The Friendship Girls Sunday School class are responsible for the decorations in the church this week.

At Valentine Time We Remember the Folks we Love

So they say—

Now, why not send a greeting to them for Valentine's Day? At Frasher's Gift Shop in Pomona you will find just the jolliest of jolly Valentine Greetings. Of course there are silly ones and frilly ones, and slushy ones and fluffy ones, but best of all are the jolly ones, which lend a spice to life. And, after all, it's good to be remembered by those we love. So scatter sunshine with Valentine Greetings to every member of your family and all your friends.

And of course it is Frasher's for Valentines of Various Varieties, and Party Fixin's, too.

Pulpit Camouflage

"Mabel, queried the caller of the minister's little daughter, "does your father ever preach the same sermon twice?"

"Yes, I think he does," heplied Mabel," bue he talks louder and softer in different places each time, so it doesn't sound the same to outsiders."

"Princess Pat"

If you trace the outline of a normal foot you will obtain a pattern of the Princess Pat.

That's the secret of its success, it follows nature's lines and keeps the foot in condition.

Recommended by directors of physical education everywhere.
