

Associated Student Elections Tomorrow, Tuesday

FRIDAY 10:25 PERIOD DEVOTED TO COMING ELECTIONS

ASSOCIATED STUDENTS HEAR NOMINATION SPEECHES

The Associated Student Body meeting of L. V. C. held Friday, April 24, consisted of nomination speeches for school officers.

Doyle Montz gave a very enthusiastic speech in favor of Charles Manning for president. Leonard praised Jerry Deal and nominated him for president. If you want an honest Deal, elect Jerry!

For commissioner of welfare: three telegrams, which were read by Edna Brubaker, had been received from notable people in favor of Mildred Smith. "We want a bigger and better social program." Esther Thomason "is the girl, for she is interested in welfare, and a person of five fine and great traits," according to Orlin Vaniman. Frances Sandblom, a great kid and all around reliable girl, was nominated by Homer Kreps.

Commissioner of Athletics: Isaac Funk made a "short" talk for a "long" candidate, Bert Jones, the man track team. Fred Hubbell nominated Homer Kreps "because he is the one man who deserves the position of commissioner of athletics."

Charles Snell was nominated, because he knows how to treat the other fellows and how to do his work," by Glenn Harmon.

Commissioner of Finance: George Berg says, "The only man suited to his office is Russell Frantz. He knows the difference between a dime and ten cents." Ronald Bessey, speaking of "Wart," said, "He may be a small fellow, but it's the small things that make this world go around," and nominated Leslie Hart.

Commissioner of Forensics: Arnelia Brubaker and Orlin Vaniman took their positions on the stage for speeches, but could not seem to get along, so decided to use printed signs to express their wishes. Orlin and Arnelia, are both capable, and Arnelia is dependable—as for Orlin, well, "ditto." Orlin nominated Arnelia, and Arnelia nominated Orlin for Forensics.

Elbert Ebersole foresaw and revealed his "foreseen" prophecy" from the year 2031. He highly recommended Florence Snider because she has shown her executive ability as well as her originality. Orlin and Arnelia nominated the "Dark Horse," who is highly recommended by the faculty, commission—and by "Tommy."

Ruthe Bishop was presented by Everett Calvert, who told of her "make-up," ingenuity, etc., in her work on the Campus Times as associate editor.

The announcements:
(Continued on Page Four)

Advanced Drama Class Program is Well Attended

Thursday evening, April 23, at 8:00 p. m., the Advanced Dramatics class again presented three short plays. These were given in the LaVerne College auditorium, and were well attended by people of the community, as well as students.

The LaVerne College orchestra, directed by Mr. Howard Greene, gave several lovely numbers preceding the plays and between them.

The plays presented were as follows:

"Evening Clothes Indispensable," by Rolan Pertwee, coached by Constance Horning and Doyle Montz.

Alice Waybury.....Ardeh Horning
Sherla.....Kay Crist
Nellie, the maid.....Fern Bowman
George Connaught, Ed Cunningham.

Geoffray Chandler, Orlin Vaniman

"The Chinese Waterwheel," by Edna Stiachern, coached by Frances Bishop and Gladys Ikenberry.

Camille Horn....."Beth" Masterson
Sara Brown.....Dorthea Gans
Elija Brown.....Ed Cunningham
Hosea Brawn.....George Berg
John Redding.....Doyle Montz

"Did It Really Happen?" by Alfred Brand, coached by Glen Harmon and Dorthea Gans.

Ezra Wallace.....Ed Cunningham
Grace Wallace.....Fern Bowman
The Sprite.....Constance Horning
Rev. Walter Dana.....George Berg
Mamie Thompson.....Opal Kuns

The stage carpenter was Joe Pratt, and his untiring efforts were deeply appreciated.

Prof. Laura E. Haugh was the able director of all the plays, with several students coaching.

The plays selected were modern, and yet not stereotyped; they were very interesting, and were well presented.

Conditions at Mt. Morris Discussed

Classes Resume After Fire

Reports on conditions at Mt. Morris College were given by Dean Hoover and S. J. Miller Tuesday during chapel. It was learned that the fire which has recently devastated Mt. Morris College had started in the boys' gymnasium at about eight o'clock in the morning. The whole town has responded to the need for aid, and classes have been resumed in all available buildings.

Dean Hoover also announced that he had received a telegram from "Boly and Bob" saying that Tuesday, April 21, they would be performing with the Southern Cali-

(Continued on Page Four)

CALENDAR

Tuesday—Forensic Club meeting.
Wednesday—Deputation Team arrive home from Arizona.
Thursday—Frosh-Soph S. S. Class Box Social.
Frosh Debate with Redlands. L. V. negative here; affirmative there. 8:00 p. m.
Friday—Preliminary registration for following semester.
Sunshine Quartet farewell program, college auditorium, 8 p. m.
Saturday—"Frosh"-Junior beach party.
Sunday—Sunshine Quartet at Monrovia Christian Church, 7:30.
Monday—Orchestra practice.

SOPHS STAGE BIG BLOW-OUT

Seniors Entertained at Dinner

On Tuesday evening, April 21, at 8 o'clock the Hotel Ontario, at Ontario, was the scene of a gay, informal dinner given in the honor of the Seniors of LaVerne College by the Sophomore class.

The dining room was decorated in spring motif with flowers and sprays of green lining each table. Max Forney, Sophomore class president, presided, with Charles Snell acting as toastmaster. Following the dinner a very interesting program was arranged as entertainment for the guests. Mr. Green gave a saxophone solo; Vernon Heckman, two selections from Milt Gross' "Nize Bebb"; Mr. Greene and Dan Stover an accordion and alto horn duet; Miss Vera Flora, a soprano solo, and a number of selections by the Apollo Quartet. Following these numbers all joined in the Alma Mater.

Eighty-one covers were laid for the guests.

Don't fail to vote Tuesday!

Miss Muir: "Who organized the Rough Riders?"
Ray Wilkerson: "Henry Ford."

If you can't laugh at the jokes of this age, just laugh at the age of the jokes.

Y. M. Plans Guest Banquet New Cabinet Going Strong

With the installation of the new Y. M. C. A. cabinet under the leadership of Dick Maley, the new president, the Y. M. C. A. of the college is on the way to a great year of Y. activities.

At last Thursday's cabinet meeting at the Lincoln school cafeteria, a number of plans were drawn up for future activities of the college Y. M. C. A. The most important of these activities is the guest banquet which is to be sponsored by the Y. on Saturday evening, May 9, 1931. This is an annual event for the Y., the first being held last year with great success. It is hoped that this year's banquet will be the finest yet, and according to the plans and arrangements made thus far, all point to the fact that it will be a night long to be remembered by those who attend.

Every man in the college should be present at this affair. The tickets will be sold for \$1.00 each, and that price includes the privilege of bringing one guest, either high school seniors, or junior college men.

Committees have been appointed and the work is progressing finely, so every fan should keep this date in mind and plan to attend this annual affair and boost the college. The faculty is also included.

Next week further plans of the banquet will be disclosed.

Advertisers Deserve Your Praise and Patronage, Students!

Herr's Drug Store and 'Bob's' Are Steady Advertisers

Our advertisers have been very faithful in their co-operation with the Campus Times to make it a "bigger and better" paper. In the remaining issues this year space is being reserved in which we can express our appreciation for their most helpful assistance. Two articles for two advertisers will be edited each week.

"Pop" and Mrs. Herr, who run the corner drug store, are among L. V. C.'s most loyal stand-bys. Every time there is a program or a play at the college the tickets are reserved at the drug store, and Mr. and Mrs. Herr always handle this job for us. That isn't all, either; they run an adv. every week. The students think that "Pop" Herr sure is a "good scout,"

especially when the candy bars are forthcoming at the beginning and the end of the year, and when the root beer flows freely on April Fool's day at the price of "all you can drink for a nickel." "Pop's" main interest outside of the drug store is his cactus garden, which contains some rare specimens of cactus and other succulent plants.

"Bob" Williams is another of our staunch friends and steady advertisers. He has been a resident of LaVerne for twenty-five years and has been a friend of L. V. C. for the last twenty-three years at least—as he married a LaVerne College girl twenty-three years ago. His pet hobbies are golf and flowers. By the way, "Bob" asked me to mention that he is having the Bob-eteria painted and remodeled thru-out and that he is staging a food

MANAGERS WRITE ARTICLE ABOUT THEIR CANDIDATES

Death Valley Featured in Y. M. Meeting

Mrs. Frasher Gives Illustrated Lecture

Monday morning Mrs. Frasher of Pomona gave an illustrated lecture on a trip to Death Valley. Three days are needed to make a trip to Death Valley: one to go, one to spend there, and one for the return trip. Frashers took the pictures that were shown at the Y. W. Monday. Terrible wind storms rage in Death Valley many times. It is a wonderful trip, however, under ideal conditions.

The valley has many different colored portions, as lavender, blue, purple and red, which are certainly beautiful.

There is great deal of wealth in the mountains, yet now they are practically deserted. Years ago ago many people were there, but they have since left. There are, however, a few still remaining.

When traveling through Death Valley, one comes across large salt beds. Besides the salt beds there are many salt pools. This salt is between 97 and 99 per cent pure.

During the entire year there is less than one inch of rainfall, which is surely a small amount.

It is also interesting to note that fish, although not very large, live in these salt pools.

While on the desert, Frashers visited an old gentleman who is known as Scotty. He is a very interesting character and does anything for you. He is building vast buildings down in Death Valley that will take a lifetime to complete. Many workers are employed on building this immense "castle." Scattered through the different rooms of the building will be found fourteen fireplaces. "Scotty" has had hauled to the place enough railroad ties to last a hundred years with a fire in every fireplace every night. When gazing into your bath you can enjoy pipe organ music, just by turning on the electric pipe organ.

Vote for the candidate that will DO THINGS!

ERROR IN PLAY CAST

We wish to acknowledge and correct an error in the senior play cast last week. The correct parts and their players are:

Titus.....Onis Leonard
Simeon.....Ralph Fesler
Brand.....Kenneth Deardorff

Don't be prejudiced for any reason! Vote for the one that will make LaVerne progress!

show next Friday and Saturday, May 1 and 2, with special music and surprises as extra attractions.

"LaVerne Needs These Candidates," Say Managers

She needs a man who is capable of leadership. A leader not only in one or two sports, one or two activities, but a leader equally interested in athletics, music, drama, publications, religious and social life. A leader full of pep, "wiggles and vitality," with a personality and originality that will lead her on to victory and insist upon securing for LaVerne the place so richly deserves. It is "Chuck."

Students, Jerry Deal is beyond any doubt the one man in the school who can successfully fulfill all the requirements for student body president. He has natural ability, pleasing personality, stage poise, broad viewpoint, and experience as a student executive. Don't stand the votes against yourself, but insure yourself of an honest DEAL next year and elect Jerry Deal, student body president. Oney.

Bert is the man we must have for athletics. Why? First, because he is an athlete vitally interested in athletics. Second, because he understands athletics. Third, because he's a hard worker. Fourth, because he has the ability to make people co-operate with him. Fifth, because he will always be on hand to supervise the work and see that it is done properly.

Be wise. Think of the future of the school and then vote for Bert. Isaac Funk, Mgr.

Charles Snell is the man running on the dry ticket for Commissioner of Athletics. Charles has had athletic experience, so he knows what that position calls for. There is no man who will co-operate with coaches, managers, and players like Chuck will. As far as it is possible he will encourage and build up the weaker athletic activities. Study these three candidates and vote for the one who will make "Leo" bite the hardest.

Glenn Harmon.

Vote for Homer J. Kreps for Commissioner of Athletics. The man for the job.

Fred Hubbell, Mgr.

Remember the "L" Day social last year, and the program that year, the Mothers' and Daughters' banquet the last two years? Girls, do you remember the Y. W. programs the last six weeks? At Juniors, do you remember the parties each month?

Consider these functions and then seriously consider the girls who managed them and made them successful. If you do this seriously and with the best interests of LaVerne College in mind, you will vote for Esther Thomason for Commissioner of Welfare.

(Continued on Page Four)
Students, support her.

THE AIM OF THE CAMPUS TIMES

is to increase support of, and centralize our loyalties on the five leading activities of The Associated Students of LaVerne College, which are:

1. Feeling a sense of unity as one of The Associated Students.
2. Athletic activities (inter-collegiate and inter-class).
3. The Lambda and the Campus Times, our publications.
4. Forensic activities (mainly inter-collegiate).
5. Associated Student Socials and individual class life.

LET'S QUIT TALKING AND STALLING FOR TIME! LET'S GET SOMETHING DONE!

A month or two ago, following "Dad" Elliott's visit, there was much agitation for a few social changes to be brought about which would lead to closer co-operation among the leaders of all student organizations and which would result in a better and more interesting social life. Then, this revival was allowed to die out without anything being done.

Now, every student in LaVerne College knows that the preceding discussion involves one of LaVerne's most vital problems; and most students also know that little is being done to solve the problem. The reader may ask, "But what can I, or we, do about it?" Here's the answer:

The leadership and power in our student government is vested in a Commission of five members, besides the president. This body should guide all student activities and especially the social life of the students to a high level; and they have the power to do so if they will.

Now is the time to do your part. Vote for the candidates for next year's Commission who have these things at heart, and who will come nearest to getting them done.

(This editorial is not a satire on the present commission. The hope of the writer is that it will be only an incentive to you, reader, to help elect the best candidates for next year's commission.)

The Editor.

FOR WHOM WILL YOU VOTE?

Tomorrow, or Tuesday, the Associated Students will choose their officers for next year's commission. Now, although many may not realize it, the type of social life, the quality of Associated Student entertainments in the Friday meetings, the morale, the financial integrity, the kind of publications, the standards of forensics, and all other phases of Associated Student life depend on what kind of officers are elected. The very progress of LaVerne College as a group of students (or if there is to be any progress or not) depends on the type of commission that is elected.

Get a commission, the members of which coasted into office their senior year just because they were popular with their classmates and had a pleasing personality, and you will have a commission that ventures nothing for the good of the Associated Students, but which leaves as much as

Campus Chuckles

Mrs. Merritt: "What is your aim in writing your theme every week?"

Frances Nix: "The bottom of the page."

Zelda: "Mother, I baked some nice biscuits for supper, and the dog ate them."

Mrs. Sheller: "Don't worry. We can get another dog."

Prof. Brubaker (in Shakespeare): "We shall have 'Hamlet' next. Everybody loves this along toward the end."

"Hobbs" Adams: "Let's begin at the end, then."

"Alex" Mallides: "I tell you I'm here for an education."

Harold "Bru": "Cheer up. I didn't make the team, either."

George Berg: "You went to chapel this morning, didn't you? What did the speaker talk about?"

"Tommy" T.: "He forgot to say."

Ardie Horning (on telephone): "Father, come home quickly. I've mixed the plugs in some way and the radio is covered with frost, and the ice box is singing, 'I surrender, Dear.'"

Prof. Hollenberg: "Is mistletoe a vine or a tree?"

Fred Butterbaugh: "Neither, it's an excuse."

Miss Muir: "Where did Napoleon die?"

Elvin Wilson: "On page 104."

Dr. Sarafian: "I doctor myself with the aid of medical books."

Homer Kreps: "Yes, and some day you'll die of a misprint."

"Even a fish won't get caught if it keeps its mouth shut."

Joe Roynon: "If you found \$5 in your pocket what would be your first thought?"

Dale Stutzman: "That I'd put on somebody else's suit."

Fred Mahoney: "No, sir, the seniors aren't what they used to be!"

"Dee" Dellenbach: "What did they used to be?"

Fred M.: "Why, freshmen, of course!"

possible for the next commission to do if it sees fit and lightly passes over many opportunities to get other student leaders together, to improve the co-operation of all organizations, and to put LaVerne College on the map as a real live group of students and a good institution to attend.

For the president of next year's Commission, we have as candidates, Charles "Chuck" Manning and Gerald "Jerry" Deal.

For Commissioner of Finance, Leslie DeHart and Russell Frantz.

For Commissioner of Welfare, Esther Thomason, Frances Sandblom, and Mildred Smith.

For Commissioner of Publications, Ruthe Bishop and Florence Snider.

For Commissioner of Athletics, Bert Jones, Charles Snell, and Homer Kreps.

That's the line-up! Now, who are you going to vote for? Will you vote for the snappiest, peppiest candidate, the one which will make LaVerne progress and get 100 per cent alive or will you vote for your friend, the one that's good looking, the one with the nice pleasing but listless personality, or the one that has done this, that or the other thing which has no meaning as to whether or not he will get anything done for LaVerne next year?

It's up to you! Think, no matter how painful it is is, and then cast your ballot!

The Editors.

Don't fail to vote Tuesday!

ATTENTION! SENIORS ON PARADE

Alexander Mallides is one of our foreign students, who came over to the United States in the month of October, 1927, from Athens, Greece. He is an ambitious person, and will make his mark in the world. He has contributed much valuable and interesting information in various classes, expressing the sentiments and ideas of his native people.

"Alex" is vice-president of the Forensic Club, and is a member of the Y. M. C. A. Last year he was one of LaVerne College's yell leaders.

Plans for this next year are still

a problem to Alex. He has an application filed for the position as secretary of the Y. M. C. A. in Athens, Greece. If he is not elected to this position he is planning to remain in the United States and attend Columbia University, where he will work on his master's degree. We sincerely wish you success, Alex.

Orville Thomason, known as "Tommy" around the campus, domiciles here in LaVerne. He is admired by his fellow students for his outstanding executive ability. Still, there are only a few who really understand him.

Tommy was president of the student body during his Junior year, while this year he is president of the Senior class.

He is a member of the Aeolian Quartet, which is one of the most popular and best known organizations of LaVerne College. He portrayed the leading role in "David and Goliath" during both his Junior and Senior years. His interests vary in the realm of drama, too, as he had a prominent part in the Junior class play, while this year

he has been selected to play a role in the Senior class play, which is to be presented in the near future.

Cy Nical Comments

Any half-witted, insignificant desert nightingale, I mean ass, who would turn out the auditorium lights in the middle of an orchestra number on a seventh chord isn't fit to be socially qualified with a gutter snipe. Especially when it was done in the underhanded way by turning them off at the outside hall switch.

Aren't we a bunch of cooperating students? The business manager of the Lambda tells me there hasn't been but one or two of the whole dern buch sell an annual. What's the matter with us? Don't we want the Lambda to succeed? We better stir our stumps or we are going to show we are plain yellow.

We are soon going to have a stage, if I may call it that (irony), which will be admirably equipped with dead lights. I don't know who is responsible, but here is some news for whoever it is. About sixty per cent of the bulbs in the foots and borders are shot. What say to some new bulbs, huh?

Sportsmanship does not belong solely to the athletic field. It is just as much a part of everyday life as eating is. I think we should show true sportsmanship in the coming election as much or more so than ordinarily. May the best man win for every office and may the losers be men enough to congratulate the winners.

he has been selected to play a role in the Senior class play, which is to be presented in the near future.

Tommy is one of our best all around athletes. He was chosen as an all-conference basket ball player during his Junior year, and is a three-year letter man in this sport. He is a two-year letterman in football, a three-year letter man in baseball, and served as captain of the baseball team during his Junior year.

Now let us look in the crystal to see what Tommy's future reveals. Yes, it is in the fall of 1931, I can see Tommy in Baldwin Park, California, teaching in Junior High School, where he is to make a success. What else do I see! Possibly Tommy would rather I would not tell—so you must wait. But we do know that he will live an eventful life.

Flossie Page is her name, and she hails from Strathmore, California. Flossie is a conscientious student and is efficient in whatever she undertakes to accomplish.

She is a member of the Y. W. C. A. and the Choral Union, while last year she served as secretary of the Junior class. Flossie renders

a musical tone on the trombone in our college orchestra. Also she is a member of the Sunshine Quartet. This quartet has given many remarkable programs throughout the state, and LaVerne College is proud of its personnel.

Your thought is in the right trend—yes, Flossie is to be another pedagogue. Here is hoping that the population increases, in order that the undergraduates will have a chance at this profession—when their college days terminate. Watch your step, Flossie.

Some Exchange Notes

Whittier was recently approached by the American Association of University Women. This is a Whittier women on equal rating with all co-eds.—The Quaker Campus.

After a committee had made broad surveys of fraternity situation on their own and other campuses, it was decided that should amalgamate in the dormitory and be non-perpetuated from now on.

The California Educational Search Association held its tenth annual conference in McLane Hall, Fresno State last Friday. William John Cooper, U. S. Commissioner of Education was the main speaker of the convention.—The Occidental.

A muzzle loading rifle and old pistol, both used in the Civil War, were recently presented to the North Manchester College Museum.—Oak Leaves.

Occidental College women entered a women's week each year, which there is put out a special women's edition of their paper reception of high school girls, and a May Fete in which a May Queen is revealed.—The Occidental.

Pomona College will be host to the annual convention of the Pacific Coast Forensic League, 1932.—Student Life.

The American Alumni Council, of which Frank Hadlock, Trojan alumnus, is president, will hold their annual confab in Los Angeles in 1932.—Daily Trojan.

Instead of its present weekly paper, The Daily Aztec will be published at San Diego State next year.—The State College Aztec.

Robert Walker, violinist, and Edwin Boly, clarinet player, both LaVerne, played in the S. B. Symphony Debut last Tuesday.—The Roadrunner.

John Lehman, senior at Michigan Pherson College, won first in the recent Phi Kappa Delta extemporaneous speaking contest at Pittsburgh State Teachers' College.—The Spectator.

STUDENT SOCIAL LIFE

Freshmen to Entertain Juniors

Laguna to be Scene of Celebration

The Freshman class held a very important meeting in the Y. M. room at 3:45 Wednesday, April 23, with President Carol Aeschbacher in charge.

Minutes of the last meeting were read by Helen Buckley, in the absence of Ruth Rothrock, secretary.

A treasurer's report was made by Elizabeth Lehman. She read the names of those who had not paid their dues. It was urged that all Freshmen pay their dues immediately, if they wish to have parties.

President Carol Aeschbacher thanked the class for their good cooperation in putting out the frosh edition of the Campus times, which was considered a very successful frosh number.

George Weybright announced to the entire class about the Frosh-Junior party, which will be held at Laguna Beach Saturday, May 2. This party is given in honor of the Juniors in return for the party they gave the frosh at the beginning of the first semester. Swimming, a baseball game, football, and many other interesting sports will make up the entertainment. The group will leave LaVerne at 12:30 p. m. Transportation is being furnished for all those who do not have ways. It was decided that no one but the Junior and Frosh class members be included (unless you have a wife.)

Y. W. CABINET TO ATTEND CONVENTION

Results of Banquet Are Discussed

The Y. W. C. A. held its regular cabinet meeting Tuesday, April 21, at 3:45 in the "Y" room. Plans were made for the convention to be held at U. C. L. A. from April 25 to 27. Seven of the cabinet members are planning to attend. They are LaVonne Putnam, Mildred Smith, Mary Hollinger, Helen Buckley, Frances Nix, Frances Sandblom, and Virginia Scarisbrick.

The results of the Mothers' and Daughters' banquet were discussed, the affair being a huge success.

SENIOR SONG CHOSEN

Frances Berg Author

SENIOR CLASS MEETS AT 10:25 WEDNESDAY

The Seniors meet in the auditorium Wednesday morning to select a class song for step-out day.

Miss Frances Berg and George Berg presented "The Class of '31," and Miss Gladys Ikenberry, accompanied by Prof. Ralph Travis at the piano, presented "Seniors of LaVerne."

After the presentations, votes were cast by ballot, resulting in the choosing of Miss Berg's as the class song.

The rest of the period was spent in preparing the song for the Senior Step-Out which is to be held in the very near future.

Jack Singer: "Why did you paint those numbers on each side of the front door?"

Marion Steves: "Because my folks told me to come in between nine and ten."

Ruth Gibbel: "Do you believe in a hereafter?"

Hugh Shaw: "Sure I do."

Ruth G.: "Then hereafter don't bother me."

Life on Cork Legs Not So Easy

Ralph Veady, popular Whittier student, declares that getting used to a new pair of legs involves all the difficulties that a child experiences when he first begins his study of self locomotion. Yet Ralph has proven himself capable of dancing, horseback riding, and driving an auto with the artificial limbs. In fact, he says his year of recuperation has been the most active period of his life.

The legs, from the Extra Light Limb Company of Long Beach, are made of silk, compressed, dried and baked so as to produce a fiber that is very light and strong. The knees are controlled by straps over the shoulder and according to Veady this brings about one of the most difficult things to learn: how to prevent the knees, which are ninged by an elastic rubber, from buckling and causing a totally unexpected tumble.

Cares are rare in which one has to make use of artificial legs above the knees and extreme difficulty as well as complete fatigue is experienced in learning to wear this type of support. However, Ralph proved himself adept at balancing by walking for some distance the first time on artificial legs and by visiting the principal at Lincoln high in Los Angeles only five months after receiving the leg injuries.

Before even boots can be worn a great deal of resistance must be built up and still more is required for continuous use of artificial legs. Because of this and also "to save his legs," Ralph does not wear his legs all the time, now but expects to be able to by next term.

Ralph has accepted his new situation philosophically and does not wish for anyone to feel sorry for him for he enjoys some privileges that those with toes cannot, as he is "safe from ptomaine poisoning."

—The Quaker Campus.

Don't fail to vote Tuesday!

Present Status of Germany Discussed in Chapel

Pomona Prof. Speaks to Students

Professor Navall, who teaches German at Pomona College, gave an enlightening talk on the present status of Germany, in his chapel address Thursday, April 23.

He brought out the fact that according to the Versailles Treaty, Germany was forced to pay a larger war debt than she was economically able to carry. Two billion gold marks each year, the Germans feel, is too much for a nation depressed by the recent war, to pay. Germany is as small as Texas, and has to import more than she exports.

The old Roman saying, "If you want peace, prepare for war," is untrue, Professor Navall said. The only way to get peace is to prepare for peace. We must disarm in mind, as well as in armaments, and learn to trust other nations. No nation can be considered by itself, since each makes some contribution to the world's progress. Although too many people think of Germany as a military nation; yet Germany has made many fine contributions to the fields of music and of philosophy.

There are now many new beginnings taking place in Germany. The youth of the land are demanding simplicity and democracy instead of the old order of things.

In conclusion, Professor Navall stressed the fact, "We must solve the world problem altogether."

Don't be prejudiced for any reason! Vote for the one that will make LaVerne progress!

Paul Funk: "I feel like seven days."

Everett Calvert: "How's that?"

Paul: "Weak."

YOU ARE CORDIALLY INVITED TO ATTEND

I walk nonchalantly into chapel, take my seat in row x, and converse with my neighbors as the pianist plays the prelude. I continue talking also during the song service. I look up to the platform and survey the prospects for the morning. Ah, we have a speaker—one who looks as if he might be able to say a few words to a restless student body. He is introduced and is on his way—not an easy one if I can help it. I dare him to interest me in anything and the fight is on. He says he is glad to be here and proceeds by telling a few stories so that we all laugh. He begins to speak on one of the great problems of life which I should be interested in, but which I have always left out of my thinking. As his manner is not quite free and easy, we all assume rather indifferent sitting postures in order to approach something near a reclining position. With my feet propped up on the book rack in front of me I try to study my chemistry lesson; about the time I found out what a drying agent is the speaker springs a wise crack which I don't hear. I inquire of my neighbor but do not see the point. After a few minutes of earnest endeavor to catch a bit of slumber lost over the weekend, I am awakened when the clock rings for 10 A. M. I squirm in my seat, scuff my feet on the floor, and make sarcastic remarks in an undertone to my neighbor concerning the futile attempt of the speaker to strike oil in his boring process. I am disgusted. Why shouldn't I be? I represent the highest type of intellectual beings on the face of the earth. I am a college student. I haven't had any excitement since the football game and no real entertainment since the show, "Half Shot at Sunrise," which I saw last Saturday. The speaker interrupts my musings by stating that his last point is just around the corner (and ought to be here any minute). In ten minutes more he has just this one word to leave with us and presently he is seen slinking slyly back to his seat between Doc Holl and Prexy. I applaud heartily, as do the rest of those around me—we are truly grateful.

LUMNI NOOS

Herman Landis was recently elected president of the Orange County Christian Endeavor Society. He and his wife Hazel Minnich Landis, were dinner guests of his parents Wednesday night before they attended the meeting of the Board of Christian Education of the district of Southern California held in Covina at the home of Leland and Marie Woody Brubaker. Leland is president of this board. Another alumnus, Levi Dickey, is a member having charge of the boys' work of this district.

Misses Ruth Price and Genevieve Page and Mrs. Miriam Shirk Betts enjoyed a school teachers visiting day Thursday. Miriam teaches first and Ruth fifth and Genevieve fourth grade of the Lincoln school in LaVerne.

Dame Rumor reports that Russell and Hazel Studebaker Frantz and Merlin and Doris Welch Yoder are planning a trip to the middle west during summer vacation.

Rose Exmoyer Calvert is one of the leading workers in the Glendale Church of the Brethren at present and helped entertained the group of 72 people who went to Glendale to put on the Girls' Reserve special program April 19. Other former students of LaVerne contacted by this group at Glendale were Mr. and Mrs. Roy Waas. The LaVerne crowd went to the Calvary Church of the Brethren in Los Angeles in the evening where Mary Blickenstaff Brubaker was one of the gracious hostesses.

Fred Chamberlen and his wife, Edith Lichtenwalter Chamberlen, of Coachella Valley were LaVerne visitors during the past week.

Lois Miller Yochem of Brawley spent the week-end with her parents. She reports busy times with music classes in Brawley. She gave a piano recital recently.

Junior: "Do you believe ignorance is bliss?"

Freshie: "Why?"

Junior: "You look so happy."

Boxing and Wrestling Show Attracts Many Fans to Gym

Frosh 'Racketeers' to Play Pomona Hi

Match Now Scheduled for Tuesday P. M.

Revised and with one conference match under their belts, the frosh tennis team will invade the Pomona high school courts Tuesday afternoon.

After the challenge matches last week, the ranking of the first five men is as follows:

Fluck, Walker, G. Weybright, Kelley, A. Calvert.

No match has been definitely arranged for next week as yet, but it is hoped that the Caltech freshmen will be obtained for a match this Saturday.

THE MANAGERS SAY—

(Continued from Page One)

We are in need of a change in the social life of LaVerne College. I believe Mildred Smith, my candidate for Commissioner of Welfare, can meet the changing needs successfully.

Mimi has had experience and is a good leader. Last year she was social chairman of the Y. W. C. A., and secretary of the Sophomore class. In high school she was editor of the school annual. Yes, she is capable, clever and industrious. Vote for Mildred.

Eddie Brubaker.

New ideas! Popular. Who? Frankie. That's her. Make your vote count by voting for Frances Sandblom for Commissioner of Welfare.

Homer Kreps, Mgr.

Ruthe Bishop is one candidate who not only knows her own special department, publications; but she is a peppy student who will add life and intelligence to the commission on other matters as well. Ruthe not only would like to be in a position to raise the quality of our publications, but would also like to see more co-operation among the various organizations of the school and would work for a better social life at our college.

These are the facts. Think them over and you will vote for Ruthe. Everett Calvert, Manager.

Work is the keynote of accomplishment and Snider is the synonym of work, so why not put Snider in as Commissioner of Publications and see some real work with wise supervision in that field for once. Florence has done a remarkable work in the Campus Times by both writing and getting other people to write, so why not advance her and see what more she can do. Be wise and vote for Snider.

You thought I was clowning in my campaign speech, but seriously, the "black horse" is the man for Commissioner of Publications. You feel like I did when I was told about the black horse, but I learned the particulars and if possible would tell everyone who he is. There is absolutely no question but what he is the man for the job. I feel sure at least 95 per cent of you students will be sorry if you

Strong Men and Boxers Strut Their Stuff

Last Wednesday evening at the gym a group of boxers and wrestlers assembled, and they did their utmost to defeat their opponents in the art of fistic and wrestling entanglements. You will probably be surprised to hear that only half of the entrants won.

The first event of the evening was between Deeter and Berg. Berg came out victorious in this event by taking the first two falls. Next came a boxing exhibition between Hall and Ganger. The latter was completely overcome with jabs and hooks to the head and body.

The third was a wrestling encounter between Brownsberger and Weybright. The former took two out of three falls. The next fight, or should we say, game of tag, must have been a put-up job between Singer and Pederson.

What a match was the one between Buck and Alex. Honestly, whoever missed this one missed a good laugh. It was one of the best rounds of the evening. Buck was the winner of this match by a narrow margin. A. Calvert won two of the three rounds from Shaw.

The fastest even was between Renke and Holl. Holl managed to

don't vote for the dark horse.

Tommy.

As I said before, the student body is getting a break in having such a man as Leslie DeHart running for Commissioner of Finance. With his experience as business manager of the Lambda, I feel he is well fitted for the position. He is also treasurer of the Junior class and has pleased everyone in this capacity.

He has made an enviable record in high school and everyone knows what he has done in College. So I have no hesitancy in nominating Leslie DeHart for Commissioner of Finance and am fully convinced that he will fulfill this capacity to the satisfaction of everyone concerned. Ronald Bessey, Mgr.

Arnelia for Commissioner of Forensics. Why? She has taken an active part in forensic activities for the past two years of college life, and before that was a leader in this field at Citrus High. Arnelia cheerfully accomplished the difficult job of finding judges for the women's debates as well as making all other arrangements.

Arnelia has the true LaVerne spirit and will give her best efforts to a greater LaVerne College, especially in the field of forensics.

O. Vaniman, Mgr.

For Commissioner of Forensics, the students want an officer who is familiar with all forensic activities and who is dependable and entirely reliable in order to carry on the careful correspondence necessary for this office. Orlin Vaniman has had two years of experience as a varsity debater, and this year he is Frosh debate manager. This is just the experience the Commissioner of Forensics should have. Orlin can be depended upon to car-

Tennis Team to Play U.S.C. Dentals Sat.

Challengers Defeated Oxy Netters 6-3 Last Week

The Leopard varsity netters will meet the U. S. C. Dental College outfit this Saturday in Los Angeles.

The men thought the season was over when they lost to Caltech a week ago; but they seem to be only too glad to get their bats out again and wage more battles.

The team will not be in practice for the tilt, but may surprise their foes, now that the conference season is over and they are no longer forced to win for their letters.

win the deciding fall. E. Holl won from Singer, thus winning the championship in his division. Saylor won from Replogle in a very convincing manner.

The fastest event was between a match between Bessey and Brooks. Bessey came out victorious in this event by winning two of the three falls.

These contests made up a whale of a show, a Lambda benefit; and those who witnessed the battle are hoping there will be more in the future.

DUTIES OF PRESIDENT AND COM. OF PUB.

Present Officers Describe Own Positions

The constitution states the following duties for the associated student president. He shall preside at all meetings of the associated students and of the commission; he shall represent the associated students at interscholastic meetings and conferences. These meetings are held the first Monday of each month under the organization of the Southern California Presidents' Association.

The president's most important duty, however, lies on his own campus and is not mentioned in the constitution; that is in keeping harmony and a spirit of good feeling among the associated students, the student leaders, and the student activities and organizations.

Appointment of editors for the Campus Times and Lambda, and supervision of these college publications, is the duty and privilege of the Commissioner of Publications.

It is all-important that some one who has the interests of LaVerne College at heart and a good knowledge of journalism be appointed.

Our publications must truly represent the standards of the college, and it is up to the editors and Commissioner of Publications to see that they come up to par.

The remainder of the period was spent singing sacred songs led by Orville Thomason, accompaniment being furnished by Esther Thomason.

ry this work through successfully. He is the man for the job. Vote for Orlin. A. Brubaker.

Leopards to Meet Oxy Wednesday

Saturday's Game Set Up; Rain Delays Tilt

The Leopard horsehide tossers were supposed to meet Occidental College nine last Saturday, but owing to the excess humidity in the air, the game has been postponed. The date of the postponement has been set for Wednesday, April 29.

Coach Glick has been putting his men through a hard work-out the past week. The boys still show an outstanding weakness when it comes to hitting the apple. The fielding seems to be much brighter in spots, but there is plenty of room for improvement, as proven by the results of the error column.

Last Tuesday Pomona J. C. put up a good fight in a practice tilt on the LaVerne diamond. The J. C. boys looked pretty good in spots, collecting seven hits and committing no errors. The Leopards left the field with three errors to their discredit.

The box score:

LaVerne	AB	R	H	O	A	E
Howell, ss	4	0	0	2	0	1
Jones, lf	3	2	2	0	1	0

FRIDAY STUDENT MEET

(Continued from Page One)

1. Installation of officers will be held next Wednesday instead of Friday.

2. Friday, May 1, the Sunsh Quartet will give its farewell program in the College chapel. Se may be reserved at the LaVerne Drug Store.

3. The election will be held Tuesday. The polls will be open from 7:40 until 3:40.

All athletes who participated in the contest Wednesday evening were congratulated and given a storming applause for their good work.

What Would You Do?

(A Problem in Behaviorism)

Supposing you were overcome by an irresistible urge to encase the carcass in a snappy new set of scenery. You wanted a new suit—and it *had* to have "that certain set" to the shoulders—it *had* to be well tailored and the right color. Maybe it's a sky piece you had in mind—or a pair of sport oxfords—or anything that a young man might *want* to wear. Would you drop into the Campus Room? If the answer is "yes" you will get your reward in finding exactly what you want.

SILVERWOODS CAMPUS ROOM

SIXTH & BROADWAY 226 5522 WILSHIRE BLVD.
