NEGRO EDUCATOR GIVES SPEECH

HIGH IDEALS DEFINED
BY REV. THURMAN

Rev. Howard Thurman, colored minister, poet, and educator, delivered a very stirring address in college chapel last Tuesday.

He said the greatest values are destroyed sometimes by following a course of conduct in private life that is not on a par with one's highest ideals. This is dangerous, because of the lack of distinction between good and evil.

A man loses the significance of his life when he refuses to identify himself with some cause or movement which is more important than his own life. It is wrong to adopt an attitude of indifference toward the ultimate common experiences of life and deny that there is beauty in a tree or a rock. The man who doesn't want to love people and make them happy loses the best there is in life. Rev. Thurman gave many interesting incidents along with his address.

The Apollo Four sang the Negro National anthem preceding the address.

JAN. 26 TO BE DATE OF PUPPET SHOW

"Unique," and "highly entertaining" characterizes the coming production of the advanced dramatics class when it presents its puppet show on January 26, 1932.

This new phase of drama has been especially interesting in that the construction of the puppets, their dress, furniture, and stage is the original work of the students.

Three one-act plays will be presented:

1. "Jack and the Beanstalk." characters: The boy, Jack; his mother, the traveling salesman, the giant, the giant's wife, the cow, the hen.
2. "Children's Paradise": Pandora, her brother, four spirits—Hope, Bad Temper, Hate, Spite.
3. "The Three Bears."

DONATION GIVEN TO COLLEGE LIBRARY

The following donations were recently made to the LaVerne College Library: three bound volumes of early numbers of the Pictorial Magazine were given by Miss Sarah J. Cough of LaVerne; eight bound volumes of early numbers of the Century Magazine, three bound volumes of early numbers of Scribner's Magazine, and several other miscellaneous books were donated by Mr. Wm. B. Pierson of LaVerne.

The college appreciates very much remembrances of this character from friends of the institution, for they mean much in the development of the historic data which are to be found on the shelves of the library.

THEORIES OF LIGHT TO BE DISCUSSED

Next Thursday during the chapel hour Prof. Brandt will give a very interesting discussion on the theories of light and their application. A demonstration will also be given.

Special privileges always develop a superior class. Look at American women.

DEBATE TEAMS TO BE PICKED

MEN TO TRY OUT
FOR VARSITY SQUAD

Coach Crawford Brubaker is again lining up his teams for another year of victory. The results of the practice tournament held in Redlands last December are evidence of good debating strength for this year. The women's debating teams have already been selected. They are: Virginia Scarisbrick and Helen Heisey, affirmative, and Virginia Stern and Arnelia Brubaker, negative.

Due to the narrow difference of debating skill displayed by the men debaters at the practice tournament at Redlands it will be necessary to have an elimination contest, which will be held Wednesday, this week, after school. The judges that are to make the selection are President Studebaker, Miss Muir, and Coach Brubaker. The contestants for the men's teams are Bob Walker, Orlin Vaniman, Chalmer Faw, Royal Glick, Daniel Renke and Ellsworth Replogle.

The conference tournament for the varsity debaters will be held at Cal-Christian on the 18th and 19th of February. The question for the conference tournament will be the same as in the practice tournament: Resolved, that Congress should enact legislation providing for the centralized control of industry."

COLLEGE ORCHESTRA RECEIVES \$141.50

Director Howard A. Greene and the LaVerne College orchestra wish to extend their heartiest thanks and most sincere appreciation to the former LaVerne Band for their recent gift of \$141.50. Especially do the members of the orchestra desire to express their gratitude to Mr. Perry Schrock, who was influential in making this musical organization the recipient of this gift, and welcome all old band members to come and sit in the orchestra whenever convenient.

Part of the amount accumulated by the LaVerne Band for the furtherance of a musical organization, has already been spent in the purchase of a dozen very good and much needed orchestra concert stands; and some more money will be spent in the near future for new music.

Up to date the college has donated different instruments valued at \$300. The organization has \$350 worth of music; however, \$150 worth of it belongs to Director Greene, and the individual members own over \$2,000. Incidentally, each member spends two hours every Monday night at rehearsal while Director Greene averages more than an hour per day working on orchestral music and plans.

All we ask is that each one of you will back up your orchestra. To all those who have been behind us in the past we say, "Many thanks for all the fine support we have been receiving."

Sometimes you fear the country is going to the dogs and then you try a dozen radio stations and don't give a darn if it does.

No wonder astrologers sometimes make mistakes in telling your fortunes. There's a newly discovered planet they didn't figure on.

ANNOUNCEMENT

The following is the first semester schedule of examinations:

Monday, Jan. 18

7:30-9:30—Tuesday 7:25 classes.
1:30-3:30—Wednesday 7:25 classes.

Tuesday, Jan. 19

7:30-9:30—Tuesday 8:20 classes.
10-12—Wednesday 1:55 classes.
1:30-3:30—Wednesday 8:20 classes.

Wednesday, Jan. 20

7:30-9:30—Tuesday 9:15 classes.
1:30-3:30—Tuesday 1:55 classes.

Thursday, Jan. 21

7:30-9:30—Wednesday 2:50 classes.
10-12—Wednesday 9:15 classes.
1:30-3:30 — Wednesday 11:05 classes.

Friday, Jan. 22

7:30-9:30—Tuesday 11:05 classes.
10-12—Tuesday 1:00 classes.

As another special announcement, get your necessary Blue Books now!

Student Store Special

Last quarter, one week to go; last down, many dollars to go before final settlement with Student Store debtors.

Students, what's the matter? Why should the present credit system in our store be so abused that it is again necessary to bring this matter before you? There is something rotten about the whole affair, and I'm writing this little notice as THE LAST warning. I have made arrangements for next week to turn in to the offices the names of those who have not made satisfactory settlements at the store by paying up or speaking to me about the matter. Such students will find their grades and credits withheld for the semester. THIS IS NOT A THREAT, be assured of that.

In conclusion, I wish to announce that since the credit system has been illused, rather than used as a method of temporarily helping students, THIS SYSTEM WILL QUITE LIKELY BE ABOLISHED FROM THE STORE'S POLICY for the the ensuing semester.

What are you going to do about it?

Kenneth Deardorff.

FAW RETURNS FROM S. V. CONVENTION

Chalmer Faw, our delegate to the Student Volunteer Quadrennial Convention held at Buffalo the first week in January, arrived home early Wednesday morning after a delightful trip across the continent.

Faw was one of twenty-three hundred delegates from all parts of the world. While there he came in contact with eminent Student Volunteer leaders, among whom were John R. Mott, Kirby Page, Robert E. Speer, and C. Z. Koo, and Dr. Walter Judd of China.

He also stopped at Bethany where he visited Lorell Weiss, a former LaVerne student. However, he missed seeing Glenn and Florence Harmon.

Both going and coming he traveled with groups of delegates from the coast. On the return trip, Faw, with other delegates, had an interesting visit with the Governor of Wyoming, who discussed their problems with them.

LEOPARDS DEFEAT SAGEHENS IN FIRST CONFERENCE B.B. GAME OF SEASON

LAVERNE DEFEATS POMONA 26-21, IN ROUGH
AND TUMBLE GAME; SNELL HIGH POINT MAN

The Sagehens, an ancient rival, felt the teeth of "Leo" for the fifth consecutive year last Saturday evening when the LaVerne Leopards defeated the Pomona Sagehens in the first conference basket ball game of the season.

INTERNATIONAL CLUB ENJOYS DINNER

By Hester Cox

The International Relations Club held a dinner at Miller Hall Wednesday, Jan. 7. Miss Scarisbrick, president of the club, in her greeting to the new members, explained that the club, which had formerly been composed of women, felt the need of masculine assistance in order to function properly. Orlin Vaniman, speaking for the new members, said they appreciated being in the club and promised to keep the men in their proper places. After dinner Miss Scarisbrick introduced the speaker, Mr. Herman Kirchhoff.

Mr. Kirchhoff, whose home is Hanover, Germany, is a student at U. S. C. He gave a very interesting speech on "Germany and Disarmament." Mr. Kirchhoff first explained that since he was speaking on something very near his heart, he was probably biased. He pointed out that Germany should not bear the blame of the recent World War any more than France or England. Even in the nineteenth century Germany's policy under Bismarck should not be condemned, for his warlike principles were instigated by Napoleon, who took the offensive. It is true that Germany had a large army before the war, but that was because France and England also had large armies. At the opening of the war, France alone had more men than did Germany, and Austria-Hungary combined. At the Treaty of Versailles in 1919, in spite of Wilson's "Fourteen Points," which promised "peace without victory," territorial rearrangement placed millions of German people outside of the German boundary. The German army was reduced to a minimum, while the French army was stationed in Germany. Germany was promised that after a certain number of years the French army would leave, but the French were not recalled as promised, and France began to build up a larger army than before. Germany was forced to pay large sums of money as reparations, which are turned over to the United States by France and England to pay for their

(Continued on Page Four)

Y. M. C. A. PLANS FOR EVENING OF FUN

Hoping to stage a huge comeback of its entertaining program of last year, the Y. M. C. A. will present another evening's program on Friday, March 18, 1932.

Because of the phenomenal success of the "Bachelors' Club" and the surprising dramatic ability of Coach Eisan in his presentation of "The Death of Dan McGrew," the students may be sure of another worth-while hour.

Remember—the night of March 18, 1932, and the low admission.

From the starting whistle to the end of the game the crowd was kept on the edge of their "seats" by the very close game score and a rough and tumble fight. At times the game seemed to be more of a free for all than a basket ball game. Plenty of fouls were made by both teams and many more could have been called.

Pomona began hitting the bucket sooner than LaVerne and held the lead most of the first half. Towards the end of the half Snell found himself and made the score 13 to 12 in favor of LaVerne.

Snell played a brilliant game, both on the offensive and defensive. He was high point man of the contest with 13 points to his credit. Max Forney turned in a neat game at center especially in defensive playing. "Bob" Welty and "Jerry" Deal gave a good account of themselves in the guard positions. In fact "Bob" and "Jerry" were so determined and aggressive in their manners that Pomona found few chances to make shots under the basket.

At the beginning of the second half the Leopards came back with a surge that completely demoralized

(Continued on Page Three)

CHI DELTA CHI TO STAGE "NEW BROOMS"

The Chi Delta Chi have chosen "New Brooms" by Frank Craven for their annual three-act play.

"New Brooms" offers excellent dramatic entertainment, having proved its worth in many high class theatres and playhouses.

The cast chosen includes:

Thomas Bates.....	Charles Manning
Mr. Kneeland.....	Orlin Vaniman
Margaret.....	Evelyn Wine
Williams.....	Max Forney
George Morrow.....	John Heiser
Thomas Bates Jr.....	Kenneth Deardorff
Ethel Bates.....	Opal Kuns
Florence Wheeler.....	Ruth Bishop
Wallie Nowell.....	Russell Frantz
Rev. Phillip Dow.....	George Berg
Geraldine Marsh.....	Ruth Rothrock
Simpson.....	Jerry Deal
Nelson.....	Dan Stover

The cast is working hard under the direction of Miss Opal Kuns and Miss Eleanor Shepp.

The date and other particulars will be announced later.

ENTIRE LIGHT CIRCUIT RENEWED IN GYM

In keeping with the trend of general improvement the lighting equipment of the "gym" has been improved. The entire circuit was rewired to handle the new 300 watt globes which are replacing the former 150 watt.

The new lights have greatly improved conditions for players and spectators and it is much easier to follow the ball than formerly.

Princeton's president says America needs a superman. Daughter, page that halfback you were telling us about.

THE DEVIL'S PLAYMATES

The devil's holiday is here, if one is supposed to enjoy himself on a holiday. The devil has evidently been working over time in the minds of some of our students. Supposing someone robbed the till in the A. S. Store. Wouldn't you be in favor of expelling the scoundrel at the next sunrise? Of course, but what about another of the devil's playmates that really does exist? The intentional lifter of books which are in great demand isn't one whit better than the person who would rob a till. Unfortunately, we have some people who fail to consider their classmates in their own selfish thoughts. They will sneak a book out of the library and prevent thirty or forty students from their rightful privilege. Think of it, in a library where we are trusted we have one or two persons who can't bear such a trust. Keep on the lookout for such culprits. There are one or two books lost at present and if you find the scoundrel report to Commission at once. Such persons are to be dealt with severely. Yes, sir, expulsion is almost too good for 'em.

THE ZERO HOUR

January the 18th is steadily approaching and with it comes a zero hour for one of the highest ideals of our school. The 18th is a "going over the top" for the honor spirit, and it depends on every one of us to see that the change is successful.

Surely we do not want to resort to the old method of having a teacher police the room. We are past the infant stage and surely can feel and appreciate the trust and confidence which is placed in us. Aren't we men and women enough to be able to carry the responsibility? Of course we are, but do not fail to be of assistance to your weaker brother. Do not make it easy for him to be dishonest and cheat. Help each other by playing fair, thinking of yourself, and writing so your paper will not be tantalizingly visible to your neighbor.

Come on, straighten up your back, square your shoulders, and be able to walk out of every examination and look your professor, classmates, and the world square in the eye and say, "I am honest."

SCHOOL PRIDE

By LaVonne Putnam

I do not think students and faculty of L. V. C. have enough pride in their college. It is a small institution without adequate funds for as many buildings as most of the other schools have, and which has the handicap of not offering as many courses in special fields as most students would desire, all of which holds the school back. But it seems to me that everyone who IS at LaVerne should be glad he is here, if for no other reason than that he hasn't money enough to go elsewhere, the school would be much more progressive. It is the knockers within the school that pull it down. Every school has a bunch of mud slingers off the campus who can't say a good thing about the school, but the school gets along just the same. LaVerne has some students who act as though they are ashamed to be here. They knock every social event that is put on and razz the team at every game that is played, yet they don't go out for any of the sports and if they are asked to help plan a party they fail at the last minute, but they still go around to their friends and apologize for being a student at LaVerne.

If somehow the loyal members at L. V. C. would get spunk enough to make it so hot for this type of parasite that he would either keep still and work for the school or get out, it would be the best thing that ever happened for LaVerne College.

SCABBARDS OF IVORY

Diogenes once saw a handsome young man chattering in an unseemly manner. He said, "Are you not ashamed to draw a sword cut of lead out of a scabbard of ivory?" Isn't this too true of most of us? We have been given a wonderful body, finer even than ivory. A body which is capable of nurturing that greatest of all of God's creations, the mind. A body which is capable of serving God and man is modeled in the likeness of God. Yes, indeed, much finer than the finest scabbard of ivory. Why is it then that we will spend our time and energy in useless and unseemly chatter. Taking from this scabbard of perfection some of the basest and most foul acts it is possible for man to think of. Spending the energy needed by our body and mind for gossiping about Susie's dress or Jack's girl. Indeed, we should be ashamed. Let us try to make our conversation such that when we open our mouths our words shall be as a sharp, diamond-hilted, two-edged sword. Words worthy of the body wherein we live and move. Words which will be of benefit to our fellow men and not driveling nonsense which is the best a half-wit can do. Remember, do not draw swords cut of lead from scabbards of ivory.

EDITORIALS and FEATURES

SPASMS

By S. A.

The swivel chair that has so nobly served ex-President S. J. Miller, college professors and other prominent individuals, has at last degenerated to the Campus Times office.

This chair successfully weathered the worries and storms of a new and small college, but some one gave the president a new desk and chair so this old faithful, still in good condition, was set up in one of the professor's offices. The professor, an ornery old rascal if there every was one, who died trying to prove to the world that he didn't beat his wife on Monday mornings—well, anyhow, the chair came thru that episode battered and scarred, but willing to carry on for good ol' LaVerne.

Now every one knows that all things, furniture included, that have passed their age of beauty or usefulness, are given to the students. The chair, clasified under the first heading, was presented to the Campus Times office, free of charge, with love and kisses, and no doubt all wrapped up in a big red ribbon. This noble chair, tried in the president's office, proven in the meanie ol' pefesser's office, and at last given to the editor of this here rag, as a reward to the chair for 20 years of faithful service, and as a passifier to the editor.

Howevah, ladies and gentlemen, this chair could not bear the force of this dynamic editor, and it split from fore to aft (I mean the chair), baring it oaken heart for the world to saw—no, see.

Unfortunately, due to the ingenuity of Mr. Woody, the old patched wreck is up here again, and will probably last for fifty more years.

Stop me if you have heard this one before.

IN REMEMBRANCE OF ETHICS

Onward, ideal, onward!

Turn not thy face to me.

Far up yon rocky sloped climb

As onward thou dost flee.

They say thou art a standard

Made for me by society,

Environment, thus they call it,

So I accept thee happily.—F. T. M.

BERKELEY SQUARE TO
BE STAGED JAN. 7-16

"Berkeley Square" at Pasadena Community Playhouse. Gilmore Brown, producing director, announces the first of the 1932 productions of the Pasadena Community Playhouse. "Berkeley Square" by John Balderson will be presented from January 7 to 16, and "Once in a Lifetime" by Moss Hart and George S. Kaufman is slated for presentation from January 21 to 30.

I.R.C. SPEAKERS

The I. R. C. of LaVerne College will be glad to send speakers competent to discuss the coming Disarmament Conference to any group which desires such information. Call Mary Lauver at the college—2351—to arrange for dates. There is no charge, except transportation, for this service.

PAY BILLS OR
NO GRADES

Hear ye, one and all! Students, do you realize that unless you pay your bill at the student store, be it large or small, YOU WILL NOT RECEIVE ANY SEMESTER GRADES.

This is not just a scare, but it's the real stuff. You better think it over and then hurry down and pay, or your grades will be among the unclaimed in Prexy's fice.

You might also give the new student manager who will take charge next semester a break. He will accumulate troubles of his own.

Here's to you, Professors! If you are thinking about making up orders for the new semester, then why not give the order early and save a lot of grief. But please don't over-order and don't expect them to come the next day after they are ordered.

If everyone does his part the student store will give its co-operation.

MEOWS

Do you know that Virginia has stepped with Ike between sixty and seventy times since the tenth of October? . . . And how do you suppose Opal gets her good looking hats? She walks into a room—it was Shepp's last time—pulls on the hat and leaves the following note:

"Condemn me to eternal damnation if you wish, I could not resist the temptation—I wore your hat." O. K. Afterwards, fearing the wrath to come, she humbly presenter a peace offering of delicious chocolate chips. . . . Boy, I sure found some dirt about the faculty. Ralph Travis is the nosiest prof. in the whole world! It's been proven. It happened in the dorm the night the girls entertained the faculty. A sheet with a tiny slit in it was stretched across the door of a room while the male members of the faculty huddled behind it. One at a time a nose appeared through the slit while girls, faculty women, and wives, named each one. Ralph's nose was recognized more often than any one else's. Prexy ran a close second. . . . Vera Mae's sister, Velma, seems to be having a marvelous time while she's down here. Yes! It's Bozo this time He walked her home from the game and then just continued walking her

WHITTIER TO
GIVE DEGREES

Culminating work which was started at the beginning of the current year, Dr. Marcus Skarstedt announced the completion of plans for graduate work to be offered by Whittier College.

The graduate work will be given in several departments, the degrees of Master of Arts, Master of Science, and Master of Education being available. All of the instruction will be administered by a permanent faculty committee to be known as the graduate committee. This group will be responsible to the faculty, but will also have large discretionary powers.

All applicants for graduate instruction must have received the Bachelor of Arts degree or its equivalent from an accredited college or university. They must also be accepted as a graduate student by the graduate committee. This acceptance, however, does not imply admission to candidacy for a higher degree.

The granting of higher degrees is one of the most important steps yet taken in the expansion program of Whittier College. The graduate program will also include work in the department of education at Broad-oaks.

EXCHANGES

The Los Angeles University Club plaque, awarded each year to the most valuable player among California teams in the Pacific Coast Conference, will be presented the 1931 winner, Gaius Shaver.—Trojan.

At St. Benedict's College Empress Eugenia hats, adorned with purple and white plumes, have replaced the little green hats as the official head-gear of the freshmen.

At Indiana University students are publicly corrected for use of slang in the class rooms and at public gatherings, in an effort to use more correct English.

around the block until the wee small hours. . . . Oh, you say you have to go now? Well, I'll see you later." Catty Co-ed.

THIS WEEK'S
BASKET BALL
GAMES

Tuesday night LaVerne College will play the Shamrock team at LaVerne.

Saturday night the Leopards will play their second conference game against Santa Barbara State College at LaVerne. This game should be a plenty tough game as the scores of the later years have been close, and Santa Barbara can be counted upon to play a hard and fast game.

Come on, you rooters, and give the Leopards a lot of help.

FOOTBALL SCHEDULE
FOR '32 TO BE STIFF

With a much different football schedule than last year, LaVerne will play every team in the conference, as well as Fresno State, which was refused admission to this conference because of the expense and the distance to be traveled in order to play.

The coaches found a much different attitude at the meeting in which this schedule was chosen. All the coaches were willing to play LaVerne, whereas last year the Leopards only had four conference games, against the seven conference scheduled for '32. The reason for this heavy schedule is due to the fine showing made by LaVerne in this year's games.

Four of the hardest Leopard games will be played with Whittier, Occidental, and Pomona on consecutive Friday nights, and Redlands on Armistice Day at LaVerne in the afternoon.

At present LaVerne has two bye dates in which games will be scheduled later on.

The Leopards have a tough schedule, but it will give them a chance to make a good showing and with the support of all its backers, we expect much from the team for '32.

Following is the LaVerne football schedule which was tentatively adopted by the coaches and managers:

Sept. 23—Cal-Christian College at LaVerne.

Oct. 1—LaVerne at Caltech.

Oct. 7—LaVerne at San Diego.

Oct. 21—Whittier at LaVerne.

Oct. 28—LaVerne at Occidental.

Nov. 5—LaVerne at Pomona.

Nov. 11—Armistice Day, Redlands at LaVerne.

Nov. 18—LaVerne at Fresno State.

Nov. 24—Thanksgiving Day, Santa Barbara at LaVerne.

LAVERNE BEATS POMONA
(Continued from Page One)

the Sagehens. Snell and Wilson, substituted for Montgomery, got "hot" and ran the score up to 23 to 12. Pomona called out time to talk things over and came back ready to make a kill. They made nine points to LaVerne's three, but were unable to break the Leopards' lead.

Because LaVerne had not shown great prowess in practice games early in the season, Pomona had been doped to win, but it has become a habit for LaVerne to punch a hole in the dope bucket and she just couldn't resist this time. Both teams played a rather ragged game of ball and much improvement is needed if they expect to take the rest of their conference games.

The line-ups were as follows:

LaVerne 26	Pomona 21
Snell (13) RF	Eells (2)
Montgomery (1) LF	Jones (8)
Forney (3) C	Ludelen (2)
Deal (1) RG	Clements (4)
Adams (3) LG	Cross (1)

LaVerne substitutes: Welty for Adams, Wilson, 6, for Montgomery.

Pomona subs: Shaffer 1, for Jones;

KITTENS MASSACRE
SAGECHIX 44-14

Kerr and Rothrock High Point Men with 16 Points Each

Last Saturday night the Leopard Kittens tried their milk teeth on the Sagechicks in their first bid for conference honors. They ran up an overwhelming score of 44 to 14.

The game started out slowly but speeded up as it continued. The Kittens took the lead early and held it throughout the entire game.

The high point honors of the game go to Kerr and Rothrock with 16 points each. Mitchell of Pomona was high point man for his team with 8 points.

The Kittens kept the Chicks completely befuddled the entire game. Their fast offensive and defensive playing just couldn't be stopped. The tip off play of Kerr to Rothrock to Dickey worked time after time. Pomona started a rally at the beginning of the second half, but it was stopped by the entrance of the first stringers again.

The line-up was as follows:

LaVerne Frosh 44	Pomona Frosh 14
Crites (6) RF	Johnson
Rothrock (16) LF	Fitts
Kerr (16) C	Mitchell (8)
Elder (4) RG	Junian
Dickey (2) LG	Lidgate (3)

LaVerne substitutes: Harshbarger, Myer, Norstrom, Smith.

Pomona subs: McAlister McEl-downey 2, Maple, Balmer, Welch, 1.

KERR STARS IN GAME
WITH MONROVIA HI

Frosh win third game of season by defeating Monrovia High 35-27.

As a preliminary to the varsity game with Arizona, the Frosh played Monrovia Hi, and defeated them by a score of 35 to 27.

The entire game was fast and hard fought. Lester Kerr, center for the Frosh, gave the spectators many thrills by continually breaking thru Monrovia's defense and making "dump shots." Kerr was high point man for the Frosh, with Rothrock next. Fisher, center for Monrovia, played a stellar game.

ANNOUNCEMENTS MADE
IN W. A. A. MEETING

Two important announcements were made by President Nix at the W. A. A. meeting Friday morning. The first was about the hot dog sale to be held at the game Saturday night. The second was that money has been appropriated so that the girls may enter a basket ball team in the Civic League. Such a team was entered last year which won second place in the final play-off.

The W. A. A. is one of the clubs in the school that is backing the basket-ball team one hundred per all games.

LEOPARDS LOSE TO
SPEEDY WILDCATS

Arizona wins over Leopards 39 to 27.

Red Montgomery plays brilliant game.

Outclassed but not outfought, the LaVerne Leopards suffered defeat before the Arizona State Wildcats, Tuesday evening, January 5.

After playing a mediocre game in which the first half ended with LaVerne on the short end of the score, 21 to 11, the Leopards came back in the second half and held their opponents even in field goals, scoring 16 points to Arizona's 18.

Red Montgomery was the individual star of the LaVerne team, shooting 11 points and making his shots from the most difficult angles. He also played a good guarding and floor game.

Adams, Deal, and Welty all played good ball in the guard position. Forney played a good game at center, keeping his opponent from placing the tip-off with a great deal of accuracy. Snell, although not up to his usual form in shooting, played a strong floor game.

The varsity defense has greatly improved. Arizona's plays stopped time after time in the middle of the court. They were compelled to take long shots or lose the ball, this keeping the Wildcats' score to a minimum. LaVerne supporters need not be discouraged at being defeated by such a team as Arizona. They have upset U. S. C. and taken the measure of Occidental in two games by more than 25 points a game.

VARSITY CAGEMEN BOW
TO KEOUGH EAGLES

A "let down" by the varsity, combined with the phenomenal shooting of Marty Carter, made what had been a close game into a one-sided contest, with a score of 43 to 28 in favor of the Keough Eagles.

The game was closer than the score indicates. With six minutes to go LaVerne was leading 18-17 points. Carter broke loose and scored 17 points in one wild streak. Charles Snell was high point man for LaVerne with 18 points.

In the preliminary game the Frosh defeated the varsity reserves 25 to 24.

FROSH DEFEAT VARSITY GOOFS
24 to 24

Last Tuesday night the Frosh again showed their superiority in basket ball by defeating the varsity Goofs. In the first half it seemed as though the Frosh would have an easy victory. But in the second half the Goofs staged a fast comeback and were very nearly winning the game when the final whistle blew.

Brooks, who acted as captain, was the outstanding man for the Goofs. For the Frosh it was Jones and Rothrock.

UNDER THE
BASKET
by EDE

It's pretty old now, but it sure did my heart good to see the varsity beat the Varsity Club this Christmas vacation. The "Five Horsemen" were back and out for blood.

In case you're wondering why Bert Jones isn't in there, his knee is still in bad condition. He played in one scrimmage and threw it "out." Let's hope that he gets better in a hurry.

"Hobbs" Adams, although not out for basket ball last year, is proving himself a very valuable player.

Let's hope that Red gets "hot" in some of the conference games as he was against Arizona.

The "timer's" gun, which startled so many LaVerne rooters last year, has not been used this season. The roar of the "cannon," bad as it was, is to be desired over a "fish horn" which refuses to blow at the crucial moment.

Elwin Wilson sure came thru in a pinch Saturday night. His field goals and fouls were, to say the least, greatly appreciated.

The varsity must be practicing their 50 foul shots a day. It's just getting to be a habit the way they drop in.

Charles Snell is getting back into form, and when he does—watch out! He was high point man of the game with 20 points Wednesday night.

Noticed that the golf cage up on the stage of the gym has been taken down. Wonder where Coaches Eisan and Glick will practice now? Nice work, Leslie.

Now that our conference season has started with a victory, let's hope the varsity continues to improve and that LaVerne students support the team as never before!

Kerr, who has looked like a real basket ball player in the last two Frosh games, looks like he'll be one of the "mainstays" of the team.

Did any one miss noticing that the gym has been rewired and the amount of light has been doubled.

Just after we get new lights, Sammy Rothrock has to start arching his shots so that any moment there is danger of having to run out and put in a new globe. However we'll forgive him if the shots go in so regularly.

Crites, if he continues to improve as much in the future as in the past, will make some varsity forwards worry over their positions next year.

Frankie Elder seems to be in the right place at the right time, and besides has added a few points in the score column.

These Frosh substitutes who played against Pomona will give most any team a good contest.

CHRISTMAS PLAY CAST HOLDS PARTY

The members of the cast of the Christmas play, "From Our House to Your House," were entertained at the home of Irene Blackerby Friday evening, Jan. 9.

The fun started with a treasure hunt which ended after much searching, both indoors and out, when Harold Hilton finally discovered the treasure hanging in the kitchen cupboard.

After several interesting games had been played, Miss Blackerby told the fortunes of her guests. This was done by placing a wet dime on the forehead of the person wishing to know his future. Questions were asked and the number of shakes required to dislodge the dime gave the answer to the question. George Berg, who was the last victim, had very little difficulty in shaking off the dime until he came to the question, "How many children will I have?" He shook his head and wrinkled his

COACH LEITH AND WIFE ENTERTAINED BY EISANS

Coach and Edith Eisan, who returned from San Francisco on the 28th, entertained Coach and Mrs. Lloyd Leith and "Frank" Bass over the New Year holidays. Coach Leith is one of the North's best basketball officials. They stayed two days and returned home by airplane.

Coach and Edith Eisan entertained four couples who came to LaVerne for the Pomona basketball game and who spent the weekend here.

forehead but the dime just would not come off. After 35 efforts he finally gave up in despair and was considerably embarrassed when he discovered that the dime was not on his forehead as he had supposed but in the hands of the fortune teller.

The refreshments consisting of popcorn and candy, hot chocolate, sandwiches, olives and potato chips were prepared and served by the guests under the direction of Miss Blackerby.

Those present were Dora Jones, Anna and Florence Messamer, Harold Hilton, George Berg, Ira Gillingwater, Jay Fyock, Elmo Holl, Johnny Booth and Irene Blackerby.

SOPHOMORE GIRLS ENTERTAIN Y. W. C. A.

The Sophomore girls entertained the Y. W. C. A. Friday morning with a very interesting program over which Virginia Scarisbrick presided.

Zelda Sheller played several selections of popular music on the piano and the Dorian Four sang the "Indian Love Call." A Japanese fable in the form of a skit, "The Awful Fate of a Fibber," was presented by the following girls: Elizabeth Lehman, judge; Kathryn Perry, keeper of the books; Ruth Rothrock, the woman who told fibs; and Miriam Dickey and Frances Saylor, devils. Ruth Rothrock was punished for her crimes by boiling in a big black pot until she was no larger than a ten-cent celluloid doll. Then she was removed by the imps who tossed her about like a rubber doll.

After the program, LaVonne Putnam introduced the idea of the 50-50 Club. While most of the girls agreed that the boys do stag too much, they did not generally believe the formation of such a club would remedy these conditions.

FLOSSIE PAGE TAKES MATRIMONIAL STEP

Miss Flossie Page was married to Mr. Lloyd Rider of Glendora Wednesday, December 24, at 4 p. m. The ceremony took place in the Presbyterian church at Riverside and was performed by the pastor, Rev. Egly. The bride was lovely in a green crepe suit and chic black hat and she wore a corsage bouquet of pink sweet peas. An impressive double ring ceremony was used while Prof. Travis played softly, "I Love You Truly" on the organ.

Kenneth Deardorff, Kathleen Shaffer, Alberet Gnagy, Helen Heisy, Mr. and Mrs. Cecil Jordan, Ralph Hopwood, Dorothy, Orville and Orpha Page were in the bridal party.

The reception was held immediately afterwards in the home of the bride's sister, Mrs. Jordan, in LaVerne. Wedding bells of ice cream were served to each guest and a bride and groom to Mr. and Mrs. Rider.

Before the festivities were ended, Kenneth Deardorff found a tiny circle under his coffee cup announcing the engagement of Dorothy Page to Ralph Hopwood and the happy bride-to-be displayed a diamond on her ring finger.

These scientists who have such faith in remote control never had a kid in college.

People must still have money they don't need for anything. The doctors are still collecting a little.

MISS DE HART ENGAGED TO ALFRED ADAMS

At a New Year's watch party at the DeHart home, near Laton, the announcement of the engagement of Miss Verna DeHart to Alfred Adams, former LaVerne student, was made.

After a number of interesting games were played, a waffle feed was enjoyed. At the beginning of the evening each guest wrote New Year's resolutions which were exchanged and read just before midnight. Alfred's resolution revealed the fact that Verna was wearing her diamond.

Verna is well known by several LaVerne students as she lived here part of a year while attending Throne's business College. Alfred attended LaVerne College during his Freshman and Sophomore years and is now attending Berkeley.

STUDENT VOLUNTEERS HOLD MEETING

The most interesting and inspirational meeting of the semester was held at the home of Prof. and Mrs. B. S. Haugh last Wednesday by the Student Volunteers. They were honored by special guests—the Apollo Four.

The evening was spent in devotion, music, and discussions of worthy aims along the line of resolutions.

At the close of the meeting Mrs. Haugh served punch and wafers.

I. N. C. DINNER

(Continued from Page One)

war debts. Thus Germany is really paying the cost of the war alone.

Mr. Kirchhoff explained how Germany feels over the present situation. France has not lived up to the promises she made at the Versailles Treaty, so Germany feels that, if the coming disarmament conference in February does not remedy matters, she, too, need not follow the commands of the treaty. This act on Germany's part would undoubtedly cause turmoil in Europe. The speaker said it would probably give the communists control of the present government, for they are threatening Germany today. The United States could help the present situation in Europe if she would by cancellation of war debts and by joining the League.

Mr. Kirchhoff's sincere and eloquent speech was greatly enjoyed by all who heard him. It is not often that we get to hear Germany's side of the story, so the club and its honorary members felt they were privileged to hear one who has first hand knowledge.
