Whittier Again Wins Radio Contest

SECOND PLACE IS GIVEN TO U. C. L. A.

The College Rally radio competition sponsored by Desmond's is over, and the winners have been announced. Its purpose was to give the college people of Southern California an opportunity for a new form of expression, incidentally acquainting the public with little-known activities.

The programs were termed "rallies" because each school's came the night before an important football game. The competing institutions were all members of the Southern Conference.

A first prize of \$700 and a second of \$300 was awarded, the winners being chosen by three disinterested judges. This money is to be used by the student council as it sees fit. Both years Whittier has won first prize. Last year Pomona won second and this year U. C. L. A.

day, October 7th, and ended Friday, day, October 7th, and ended Friday, November 18th. It was conducted over station KNX.

Those contesting were Whittier, LaVerne, Cal Tech, Redlands, Pomona, U. C. L. A., and Occidental. The winners were announced Wednesday, the 23d inst., during the program given by the University of Hawaii, which played Occidental on Thanksgiving Day.

Campus Times Staff Working on Drama

"Makers of War," a drama in three acts and a prologue, will be put on in the college auditorium, January 13th, by The Campus Times staff. It will be under direction of Mrs. Haugh.

The play involves an up-to-date and vital question. It deals with the powers of the press in relation to world peace.

The play of three acts requires a cast of about forty characters, which includes: Harris, Howard Frantz; Howard Roberts, Harold Hoff; Beradine Roberts, Marie Tingle; Gladys, Ellen Edminster; Jones, Joe Roynan; Satan, Glen Dellenbach; Aileen Harris, Ruth Bolinger; Henry, Webster Albright; Mary Roberts, Edith Bowman; James Roberts, Jay Myers; DeSoto, Ray Mahoney; The Good Angel, Martha Baer; Greed, Ed Cunningham; Harold Roberts, Otis Whipple; Newshoy, Sam Rothrock; Trum-peters, Ralph Schrock and a selection; Reader, to be selected. Soldiers and bandits.

Clarion Four Give Programs in San Diego

The Clarion Four gave five programs in the churches of San Diego over the week-end. Programs were given in the following churches: Park Avenue Methodist Church, Friday evening; the National City Methodist Church, Saturday evening; Church of the Brethren, Sunday morning; Colored Methodist Church, Sunday afternoon; East San Diego Christian Church, Sunday evening.

Dr. Hoover (quite agitated): "Fish is a good brain food, and some of us need a whale."

This is a very important announcement of a very indefinite thing.

The Annual FOOTBALL BANQUET will be held next Monday evening, December 5, 1927, somewhere, somehow and some way. That's all there is about it but there's more to it. The Commission made this declamation at the last meeting. No arrangements have been made as to the where, and how, and what of it. The student body will have to resort to faith, and the football squad to hope. The Commissioner of Welfare, Nellie Frantz, will do the rest.

Special request is made that this date be kept open. A conflicting date would require a disintegration of physical personality and you know you can't do that.

New Girls of College Give "Y" Program

The Y. W. C. A. was entertained on Monday morning by a program given by the new girls of the College. Crete Heiny announced the numbers.

Preliminary to a short skit entitled "Remembrance," Margaret Ringer sang "My Hour." She was accompanied by Edna Brubaker, and Ruth Bolinger gave the reading, "Tidbits."

The time of the skit was sometime in the future when a girl of the present Freshman Class had become older and was singing her children to sleep. The songs she sang were the ones she had learned when she was in college.

The background was very clever and unique. It consisted of a screen on which was painted a staff, and each note consisted of the head of a girl. They sang songs to the Senior, Sophomore and Junior girls, and ended by singing "Follow the Gleam."

Thanksgiving Services Held in Chapel

The chapel service last Wednesday was devoted to a Thanksgiving program presided over by President Studebaker.

Professor Haugh sang a solo, "Peace and Plenty," which promoted the desired atmosphere for the following service. Following the responsive reading, the assembly joined in singing, "Song of Blessing" to the tune of "America." A responsive reading on "Thanksgiving for Guidance in the Past" also added to the devotions.

The first Thanksgiving celebration was reported on by Miss Muir, who read, in connection with her talk, a letter from a primary source. "The First Thanksgiving Proclamation" was given by President Studebaker, who also read "The Last Thanksgiving Proclamation," up to date, as it was given by the President of the United States. The assembly sang "America" and took part in other responsive readings concerning Thanksgiving.

The chapel service was closed with the hymn, "Praise to God and Thanks We Bring."

Woman's Debate Schedule Announced

LA VERNE ENTERS TWO TEAMS WITH SILVER TONGUES

The women's debate schedule of the Southern California Conference was made and sent out November first by Genevieve Temple, woman's debate manager, of Los Angeles. The subject for debate is, "Resolved: That modern advertising is detrimental to the public welfare."

For a number of years LaVerne has run teams in the Southern Conference successfully, and is again preparing material for this year's debating. The dates have been put as far in the future as possible, so that the teams might have more time for preparation.

The schedule for the conference debates is:

First Round—Negative travels. Date, December 1st, Thursday, 8 p. m. LaVerne negative to Pomona; Occidental negative to LaVerne.

Second Round—Affirmative travels. Date, December 13th, Tuesday, 8 p. m. LaVerne affirmative to Redlands; Whittier affirmative to LaVerne.

The LaVerne teams are: Negative, Catherine Crist, Martha Baer. Affirmative, Ruth Bolinger, Wilma Long.

Under the competent coaching of Professor Dorothy Merritt, and the management of Wilma Long, LaVerne is to be well represented.

Prohibition Progresses and Is Successful

Tuesday, the 22d inst., A. F. Newcomb, field secretary of the Anti-Saloon League for Southern California, spoke in chapel on "Progress and Prospects of Prohibition."

Mr. Newcomb spoke at length upon the progress made by prohibition during the last few years. He said in part: "We are facing today the most insidious and widespread propaganda of history. We cannot get the truth from the papers. No law is agreeable to all citizens and no law is a 100 per cent success. Prospects include a more rigid enforcement with Congress constantly growing drier. Ninety per cent of old saloon trade was beer. We cannot stop boot-legging by legalizing soft drinks."

Mr. Newcomb spoke of the economical success made by prohibition. Six billions of dollars have been saved in annulling crime, sanity, and in the decrease of vice. Mr. Newcomb displayed a small chart as an illustration of the growth of the success of prohibition and the decrease in the consumption of liquors.

Home Volunteer Values Discussed

The Student Volunteers met Tuesday evening, November 22d, and enjoyed a short program. Vera Hoover talked on "Why I Am a Home Volunteer," and Zafon Hartman told the Volunteers about the home mission field and what he meant to do for his life work. Alma Linebaugh gave a piano solo and devotions were led by Crete Heiny.

After the main meeting several announcements were made and a letter of appreciation of the Volunteers' work, from the LaVerne Church of the Brethren, was read by Melvin Rothrock, president. It was announced that a short Wednesday service will be held every Wednesday morning at 7 o'clock, which will be open to all.

Those present were Vera Hoover, Crete Heiny, Louise Huff, Ellen Edminster, Lois Rupert, Mary Platt, Edith Bowman, Alma Linebaugh, Gladys Larimer, Hazel Rothrock, Lola Ramsey, Melvin Rothrock, Jay Fyock, Lloyd Cunningham, Zafon Hartman, Dwight Dubois, and Everett Calvert.

Extempore Contest Held at Redlands

HAROLD HOFF REPRESENTED LA VERNE COLLEGE

Herbert Tay, representing Pomona College won first place in the extempore speaking contest held in Redlands Tuesday evening, November 22d. The subject which Mr. Tay drew was, "The Newspapers as a Medium of International Relations." He was awarded a gold medal as well as a loving cup for his school.

Frank Watson of Redlands University, speaking on "The Press and Public Opinion," won second place. He was awarded a silver medal.

Other representatives entering the contest were: Fred Berlew of the California Institute of Technology; Addison Cole of Whittier College, and Harold Hoff of LaVerne College.

Harold Hoff was less fortunate in drawing his subject than others of the contest. It fell to his lot to speak on "The Press and Sports," which was perhaps the most difficult subject in the lot. However, Mr. Hoff presented a very good speech, representing LaVerne College very creditably. The contest is an annual affair. This marks the second year that Pomona College has won the cup. The college winning it five times may keep it permanently.

Judges in the contest were Miss Lois Avery, of Chaffey Union High School; Arthur Durward, Mayor of LaVerne; Prof. C. H. Tilden of San Bernardino Junior College; Principal H. W. Moore of Banning High School, and Mrs. W. H. Kegley, of Ontario.

English Class Presents Two Plays

The Contemporary Drama Class of LaVerne College, under direction of Professor Dorothy Merritt, is planning to present two one-act plays on Saturday evening, December 10th.

The plays are: "The Slave With Two Faces" and "Romancers." They will be presented to the students and general public with an admission charge of 25c, but the primary purpose of their production is, as a project for the class to work out.

Tryouts for the parts were held Thursday evening, November 17th, and the complete casts were chosen.

These two plays offer unusual possibilities for unique stage sets and clever interpretations, and hence furnish the students of the English Class a fine opportunity for practical study in the field of modern drama.

Deputation Teams at Work on Programs

The deputation teams will start their tours December 17th, and will not return until New Year's Day. Both teams are working up their programs now and should be very well prepared when the time comes for their tours.

The teams as given in the last issue are: Northern Team—Anna Emmert, Mary Platt, Joe Hoffman, Joe Davis, and Melvin Rothrock. Arizona Team—Miriam Shirk, Erma Saladin, Glen Vaniman, Emerson Button, and Zafon Martman.

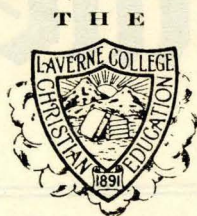

There are a lot of people who know everything about everybody and precious little about themselves.

A BIGGER AND BETTER ROOTING SECTION

Looking back over the past football season, one does not in any sense of the word, get a pleasant feeling. One needs only to listen to some of the football fans to see that next year, with the footballers coming up from the Frosh squad to strengthen the Varsity, it will be quite a different story. The players are planning, organizing, and hoping for a big year to come. Are we going to sit idly by and let the football squad do it all? NO, emphatically, NO! Let us get together, plan and organize the largest and best rooting section that LaVerne College has ever had, and do all in our power to help those football boys realize their hopes. Let's start talking now. Head Yell King Archer, of San Diego, says that there are not very many of you, but you can YELL. Sure we can yell, and anyone that has the true LaVerne spirit can outyell anyone else in the bleachers.

One of the first principles of good yelling is to back up your yell leader. Your yell leader may not yell when you want to yell; he may not well like you want him to yell, or even give the yell that you think is best, but do not give up because of that. The football team is what you are yelling for, and not the yell leader. Dissension in the bleachers is quickly noticed by the players. Keep your grievances until after the game and then tell them to your yell leader. They may be corrected much more easily and with much more pleasant feelings than in the bleachers. Yell leaders are always eager for any suggestions that will in any way help to make cheering better.

Another way in which you can help your school and your cheering section is to hand in about two or three good original yells. In past years, nine out of every ten yells have been made up by the yell leaders. If there is a yell that you do not like (Dr. Hoover is not included in this), make up a better one and hand it in. If five or more new yells were chosen from those that were handed in every year, it would not be long until we would have a great many from which to choose at our football games. Let us all make our slogan "A BIGGER AND BETTER ROOTING SECTION."

WHY IS A FOOTBALL GAME?

The University of Southern California vs. Notre Dame University football game at Soldiers' Field, Chicago, ought to cause us to think. Over 115,000 people bought seats in the stadium at anywhere from five to twenty-five dollars per seat. There was close to a million dollars taken in for someone in gate receipts.

The population of the nation that is not privileged to attend the game sit spellbound before the loud speaker, having tuned in on Soldiers' Field, Chicago. Men in the field leave their implements; men in the shop drop their tools. The minds of the nation are centered upon one spot, Soldiers' Field.

What meaneth all this strife and commotion? There must be something going on in that stadium!!!

It means that on that field, named for and dedicated to those who heroically and willingly gave their precious lives for the supposed cause of democracy, there is being fought a great battle—not a battle to destroy lives, but a battle to build lives. Here just a handful of men are in the center of that great arena. These men are in the prime of youth. They all have the whole of life before them. In the minds of those men is but one thought, clearly expressed in the words of the great Morley Drury to his teammates, "Fight to win, fellows, but fight clean!"

Those words are the motto of great football players and every game is played with but one goal in view—to win for the Alma Mater.

What is our motto in life? What is our goal? Does it resemble a football game? Life is almost a game. We are born to fight and our aim should be to fight clean and fair and to win. Our goal should be to bring honor and glory to the One whom we serve, even our Maker.

Is it any wonder then that the nation turns toward Soldiers' Field? It is not merely a series of plays and an occasional pileup, but in the course of an hour men see a real dramatization of life played by the spirit of youth. The great issues of life are all brought to bear on the game. In school, football players must be men, and in the game of life men must be "football players."

So I Said

By Harold S. Hoff

I see that now my name is recorded among the 57 Varieties of the editorial page. I call attention to this so that the other members on the staff may get some recognition. By the time you discover my y-clept handle, you ought to be somewhat acquainted with the publication department of the Campus Times.

Now do you deny that pride may sometimes have a social value?

* * * *

The lecture by Dr. Kurtz in chapel on "Student Ethics" must have hit a lot of folk right between the eyes. But I am also confident that it got behind many others and pushed. There's a world of difference in a guilty conscience and a regenerate attitude.

* * * *

The Hearst newspapers are on another propaganda-ized rampage. Those Mexicans are clever people. They seem to see through our "brotherly impositions" in Nicaragua—which is more than most of our own people do. Hearst boastfully admits he started the Spanish-American War, it is said. His brilliancy makes up for his ignorance else he would have died of cerebral combustion long ago, in which case his funeral would probably equal an Armistice celebration. He'll never die from a rapid brain change—he believes too much in the Monroe doctrine.

Suppose Mexico did support the "anti-American" revolution in Nicaragua, what right has this fair land of ours to dictate the policies of either nation?

* * * *

After writing the above paragraph I am reminded of a new term that would be quite suggestive as a synonym for any word meaning "to become provoked to righteous indignation." Just say, "Arnettled."

Someone Answer, Please

College Library, Friday P. M.

Dear Sir: This is supposed to be a Christian college. The education we receive here is supposed to prepare us for life. In fact, college life is supposed to be real life. We are not only to learn to live but we are supposed to live!

Well, those are great ideals. But everything is "supposed." They are nice phrases, full of glittering generalities. But they aren't facts. Some of the things I can't understand are:

Instead of dormitory regulations, why aren't the students taught the values of 10 o'clock retiring, etc.?

Why don't we have more education of the type Dr. Kurtz gave instead of the dogmatic demand, "Thou shalt not?"

Why aren't the students shown the value of class and chapel attendance instead of being persuaded by compulsion?

—Guess Who.

"LINDY" IS STILL IN THE LEAD

Only two more weeks to go in The Campus Times contest. "Lindy," May Chronister, is still in the lead, but Aileen Rothrock is gaining. She has piloted her plane up to within five feet of the leading plane and is skillfully maneuvering to gain the lead. Eyes are also watching the third plane, piloted by Everett Calvert. Who knows? His sturdy plane may finish first on the same stretch.

Exact reports are announced as follows:

TICKET-SELLING CONTEST BEGINS

Today starts the big ticket-selling contest for the series of movies. Two prizes will be given besides free tickets and commissions.

Perhaps few realize that the movies are given for the annual benefit. Not much interest nor boosting has been shown by the students either in the selling of tickets or in the attendance at the shows.

The first prize will be an annual, The Orange Blossom; the second, an annual at half price. Besides the prizes, a free ticket will be given to each person selling ten tickets and a commission of ten per cent will be paid for each ticket above ten sold by those persons.

See Merle Butterbaugh or Alton Kurtz now for tickets. Get started at once. If you want a perfect annual you will endeavor to help the staff put one out. Be one of the ticket sellers. First come, first served.

One thing intelligent people realize—never to laugh at a man who has an ache.

STUDENT SOCIAL LIFE

Personal

Grace Looney spent the holidays with Vivienne Wyne at her home in Santa Ana.

Sam Babcock, of Los Angeles, Joe Hoffman and Zafon Hartman were guests of Lola Ramsey at her home in Reedley on Thanksgiving.

Don Miller barely escaped death on his way home, in an automobile accident. Two big, fast-traveling cars and a truck piled up on the Ridge. The one in which Don was riding was badly wrecked but Don and his companion escaped injury.

Mary Platt spent the holidays at her home in Hemet.

Lois Rupert was the guest of Ellen Edmister over the Thanksgiving holidays.

Lorell Weise spent the Thanksgiving holidays in Laton, where he has served as summer pastor for the past summer.

Ellen Edmister, Lois Rupert, Jay Fyock and Ivan Edmister spent Thursday at Camp Baldy.

Neva Snell, of Raisin City; Alma Linebaugh, of Fresno; Glenn Harmon, of Strathmore, and Vernon Weybright of Fresno, spent the Thanksgiving holidays at their respective homes.

Chester Shirk is driving a Buick sport roadster for a change.

Ruth Wilkinson, Erma Saladin, Mark Lehmer, and Owen Gible, a former student of LaVerne College, spent the Thanksgiving holidays in San Diego and Hemet.

STUDENT VOLUNTEER SERVICE

Wednesday morning at 7 a. m., the Student Volunteers met in the music room west of the book room for morning watch service.

In spite of the early hour there were several members present who, aided by the freshness of the morning, entered heartily into the service, which began in song. Following the songs Melvin Rothrock gave a talk on "The Opportunities of the Student Volunteers in Their Work." Following prayer, the remainder of the service was devoted to singing inspirational and devotional songs.

MRS. MILLER REMEMBERS THE DORM STUDENTS WITH A LARGE CAKE

It came as a grand surprise! No one expected anything, but it came. Last Thursday evening as the dormitory family had just finished their evening meal, the house-mother rang the bell for announcements. The air was fairly tingling with excitement on account of the time being so near Thanksgiving and the LaVerne vs. San Diego football game. However, no one guessed what was coming. Clovie Carroll, Mark Lehmer, Katherine Strate, Emerson Button, Marion Boots, Ernie Carl, Edna Brubaker, Dorothy Temple and others whose birthday had been in the month of November were honored. A birthday greeting was given to them. Mrs. Grace Miller soon appeared with a large birthday cake, decorated with a large "Happy Birthday." Those honored shared their cake with the remainder of the family.

Mrs. Miller takes these occasions for remembering the students who stay at the dormitory. Everyone appreciates heartily these remembrances and looks forward more eagerly to the time when his birthday will come.

SURPRISE FOR KATHARINE HANAWALT

Tuesday evening, November 22d, a group of college students under the leadership of Francis Crites, gave Katharine Hanawalt a pleasant surprise in honor of her birthday, at her home on G Street.

The evening was pleasantly spent playing bunko. In order that the football boys might be in early before the trip to San Diego, refreshments of sandwiches, salad, chocolate, French pastry and ice cream were served at an early hour.

Those present were Esther Dickey, Helen Griffith, Grace Nay, Katherine Rothrock, Ruth Wilkinson, Katharine Hanawalt, Glen Vaniman, Orville Hollinger, Harry McArthur, Bob Hanawalt, Mark Lehmer, and Francis Crites.

WEDDING BELLS RING

The marriage of Grace Forney and Virgil Kindy took place Sunday at high noon at the home of the bride's parents, Mr. and Mrs. D. L. Forney, on Third Street, LaVerne.

The house was attractively decorated with bowls of flowers. An archway decorated with fern, roses and sweet peas formed the marriage altar.

Rev. C. C. Kindy of Pasadena, father of the groom, read the ceremony. The bride and groom were assisted by Mr. and Mrs. Lynn Sheller, acting as matron of honor and best man. Mrs. Lynn Sheller is better known as Mary Gilbert.

The bride's gown was of white satin. Her veil, worn cap shape, fastened with orange blossoms across her forehead and caught with a brooch behind, was imported from India. She carried a shower bouquet of rosebuds and sweet peas.

Preceding the ceremony the groom's brother, Carl Kindy, sang "At Dawning," and "I Love You Truly." Vera Hoover assisted at the piano.

Following the ceremony a two-course tray luncheon was served to the guests.

Miss Forney was at one time a student of LaVerne. Both the bride and groom are graduates of Manchester College. The bride recently completed a nurse's training course in a Pasadena Hospital.

They will make their home in Burbank, where Mr. Kindy is employed as a teacher in the city schools.

A sister of the bride, Lucile Forney, and a brother of the groom, Neil Kindy, are students of LaVerne College this term.

SENIOR SOCIAL

The Seniors met in the Y. W. C. A. room Tuesday evening, November 22, for their weekly class-meeting.

The whole evening was given over to making a final selection of the class play. After the play-reading committee had given their report, they recommended three plays from which the class might choose the one to be presented. The one decided upon is "The Road Together," by Middleton. It is a play with a message and one that gives lots of room for real character development. The class as a whole are back of its production, hence something really worth while can be expected.

The hostesses of the evening, Ruth Stoner and Grayce Longenecker, then brought forth delicious sandwiches and punch to heighten the enjoyment of the social hour after the work of the meeting was finished.

Interclass Basket Ball Contests Begins

With football suits packed away in mothballs for another year, local interest in sports has been diverted to basketball.

Interclass basketball games are expected to get under way the latter part of the week, on Thursday and Friday. It has been planned to have the Frosh and Juniors mix, and the Sophs and Seniors. The winners then play for the inter-class title and the losers will play to decide the cellar champions.

At the present writing the Juniors and Seniors appear to have the strongest teams by virtue of their having the most experienced men. The Seniors have four letter men on their team and the Juniors five. The Sophomores put a good team running for the title last year, but since then their number of players has greatly diminished. The Frosh are an unknown quantity but have an excellent chance to topple over the upper class teams.

"Hey, Carl Rupert, where'd you get the flivver?"
"Oh, it just crawled up on the lawn and died."

Sports Snorts

Oxy went down to defeat, 20-0, before the husky Hawaii Deans in the Coliseum Thanksgiving Day. One of the Holt brothers featured the game, running wild, besides both passing and punting almost perfectly.

Basketball is here and will probably prove more of a success for LaVerne than did football. Many men are turning out and much good material is making its appearance in both Frosh and Varsity squads.

The Whittier Poets went into the final quarter of the Arizona game with the score 12-0 against them and shoved over two touchdowns to win the game 13-12. It shows what a team can do if it's fighting mad.

Cellar Honors Given to LaVerne

The LaVerne Leopards closed their disastrous season by taking a 39-6 defeat from the San Diego Aztecs on Thanksgiving Day in the stadium at San Diego. But no one can say that they didn't go down fighting, for the score doesn't tell of the thrills furnished by both teams in the Turkey Fest, such as the relentless march of the Leopards in the third quarter, which ended in a score early in the final period.

Several of the fellows played their last game of football for LaVerne and all gave a good account of themselves.

Chet Shirk, Milton Brownsberger and Glen Vaniman stood out for LaVerne, while Ivan Betts played a steady game at center, throughout. Orville Brooks received some beautiful passes.

Starting lineup: G. Vaniman and H. Brownsberger at ends, F. Mahoney and Butterbaugh at tackles, Carl and Hollinger at guards, Betts at center, Lehmer and M. Brownsberger at halves, Shirk at fullback, and Brooks at Quarter. Shirk called signals.

Substitutions: LaVerne—Kurtz for Hollinger, Leonard for F. Mahoney, Davis for Butterbaugh, Boots for Vaniman, Yoder for Kurtz, Myers for Boots, Kurtz for Yoder, R. Mahoney for Kurtz, and Myers for H. Brownsberger.

Frosh Football Season Reviewed

Coach VanCleave developed a good Frosh football team, but due to the lack of reserve power, few games were played, for dependable reserves could not be found at the crucial moments to take the places of the regulars. Nevertheless they were more successful than the varsity and much material was developed for next year's varsity, of which VanCleave will take charge. Judging from the new material and the coach, LaVerne is going to put itself on the map in football next year, and surprise the Conference by putting out a winning team.

The first Frosh contest was staged on the Bonita High School turf and was limited to a tough scrimmage with the High School team. The Frosh succeeded in pushing over several touchdowns and convinced the Bonita players and fans that had there been a real game they would have been walked on in great fashion. This scrimmage gave Coach VanCleave real light on his material and several players showed up very well.

The Frosh dropped their first Conference game to Redlands 13-6, although they made many more yards, and also first downs. The "breaks" seemed to all break for the Redlands Pups. "Pewee" Lathrop was the outstanding player of the game (which was his first), backing up the line like a varsity veteran and running his team like a real general.

The next encounter was a scrimmage with Pomona, in which they downed the Sage Chicks 18-0 in time that would be about one-half of a game. Baynham, Bessey, Lathrop, and Hubble stood out as the shining lights of the game.

Citrus J. C. next fell before the Frosh to the tune of 6-0 in a hard-fought battle, the score coming after a long pass which put them in scoring territory.

The Frosh wound up their season by out-fighting and out-playing the Caltech Frosh, only to be defeated 15-13 on two bad "breaks," a blocked punt close to the goal line and a fumble which the referee hid by getting in the way and innocently running interference for Caltech.

A season line-up and write-up of the players will appear in the next issue.
