CLEVER PROGRAM FOR L-DAY TOILERS

The traditional pilgrimage to the "L" on the mountainside in the San Bernardino mountains a week ago Thursday is now a pleasant memory in the minds of those who made the trek.

At various hours in the morning ranging from 5:30 a. m. on, groups of college students started a decidedly upward climb with a cleared space eight miles distant as the goal. Among these pilgrims were the lowly Frosh who bore the implements necessary for the clearing of the shrine. Working laboriously for several hours, the Frosh left the "L" in excellent condition.

Upon the arrival of the ambitious hikers at San Dimas Park a unique dinner was served by the Sophomores, consisting of noodles, beef, apple sauce, doughnuts, rolls, and hot chocolate.

To the Juniors we wish to give credit for the program following the most luscious dinner. Vernon Heckman read "The Inner Boy" from Penrod. Edith Eisan sang "What'll I Do" and "The Voice in the Old Village Chroir." Professor Hollenberg, one of the original surveyors of LaVerne's emblem, gave a short historical review of the blocking and initial clearing of the "L." Group singing of "Guide of LaVerne" and the "Alma Mater" concluded one grand and glorious day.

PROFESSOR BRUBAKER'S CLASS TO VISIT MUSEUM

The tentative date, Oct. 26, has been set for Professor Brubaker's historical survey class to go to the famous Henry E. Huntington Library and Art Gallery in San Marino.

The class will observe the special Tudor Drama exhibition which is selected from source materials in the Huntington Library. Folios of Shakespearean works, theatre plans, comedies, and other interesting material of this period of literature are displayed.

It is a rare privilege these students have in going to this well known collection center of literature, scupture, painting and, last, but not least, the amazingly beautiful grounds surrounding the buildings.

THE FROSH HAVE A DAY IN COURT

Friday, October 7th, was a day of judgment for the Frosh. After receiving citations for felonies committed during the previous weeks, several Frosh were sentenced by Judge Vernon Heckman and his staff of assistants.

Many Frosh repented to the upper classmen for their wrongs, but all were compelled to carry out the sentences given them. Harold Arnold was given the task of shaving himself before the entire student body, because he had neglected to shave for a period of three weeks. Other Frosh, musically inclined, sang solos to the upper classmen.

After court the students held a pep rally prior to the bonfire rally for the San Diego game.

1932-33 LAMBDA STAFF IS APPOINTED

Grace Ward has been appointed as editor of the Lambda for this year. Her assistants are as follows:

Write-up editor, Helen Heisey.

Photograph editor, Everett Myers.

Mounting editor, Kathryn Blickenstaff.

Business manager, Royal Glick.

Assistant managers, Harold Arnold, Vernon Heckman.

Staff typist, Betty Shaffer.

It is still undecided who will act as Art editor.

CAFETERIA OFFERS ECONOMY PRICES

The college cafeteria in the downstairs of Miller Hall is a very good place for students to dine This cafeteria is under the efficient management of Mrs. Replogle who serves tasty meals at regular hours every day of the week.

A cafeteria under the auspices of the school naturally has at heart the welfare of each student's stomach and pocketbook. In mentioning that the school cafeteria is a good eating place for students, the two very important factors of desirability and cost of meals are taken into consideration.

Vegetables, salads, fruit and desserts are all very reasonably priced. This year $5.00 meal tickets are offered to the students for $4.50. Even a person who makes use of the cafeteria at noons only will find it economizing to purchase a meal ticket. Fifty cents saved is fifty cents gained.

Take the advice of one who is experienced in the ways of the food world and dine regularly in the neat and sunny rooms of the L. V. C. cafeteria on the first floor of Miller Hall.

CHORAL UNION GIVES MUSICAL PROGRAM

Sunday morning, Oct. 16, the College Choral Union furnished the special music at the Church of the Brethren in LaVerne.

Edith Flory sang a solo, "How Beautiful Upon the Mountains," by Harker. After the invocation a quartet composed of Marion Steves, Vera Mae Shafford, Edward Baer and Vernon Heckman, answered with the response, "Hear My Prayer," written by Prof. Travis. The Choral Union then sang an anthem, "Praise the Lord," by Randegger.

ANNOUNCE SPEAKERS FOR CHAPEL PROGRAMS

Next Tuesday, October 25, Dr. Sarafian is to speak in chapel, and it will be well worth your while to listen to one of our own professors who is so full of enthusiasm and interest.

Then at some chapel hour program in the near future, LaVerne College will greet Mayor Porter of Los Angeles. Indeed we are fortunate to have the opportunity of hearing a person who holds such an important position as that of mayor of the nearby metropolis. Come and become better acquainted with the man who has such responsibility in local government.

REV. RASMUS CITES DEPRESSION RICHES

"The depression may have robbed us of things we have created, but it did not rob us of our creative power," was a statement made by Reverend Rasmus, pastor of the First Methodist Church in Pomona, as he spoke in chapel Tuesday morning.

If we were to take an inventory of ourselves in this time of depression we would find that although we may not have as many material possessions as we have had in times past, we still have our hearing, eyesight, and the friendships we have made.

We should have a finer sense of brotherliness now as we see the misfortune of our fellowmen and we are led to make new evaluation of personality. What part may we play?

We may be passive spectators, looking on and doing nothing, or we may be blind reactionaries feeling only helplessness in our plight, but we may be prophets working for the future to create less selfishness and more co-operative work.

DR. HOOVER SPEAKS ON JUDICIAL PROCEDURE

Dr. Hoover spoke very interestingly in Thursday chapel on the problem of "Judiciary and Criminal Procedure."

He advocated a higher type of judgeship. This higher type of judgeship, he maintained, could be secured if all judges were appointed by the governor rather than elected by the people. In Los Angeles county alone there are fifty Superior Court judges who, instead of remaining on the bench, at election time spend their time campaigning. This makes for less efficiency,

The average voter is in a poor position to select judges, but the governor, by virtue of his position can secure the qualifications of each as does the president, who appoints the federal judges.

Criminal procedure in America is also fraught with many difficulties. The time between arrest and trial is so long as to defeat justice for often the witnesses die or move away.

It is an alarming fact that today more men are studying criminal rather than civil law. Criminal lawyers receive large sums for their services. They aim to confuse the jury so that their guilty clients may go free. Dr. Hoover believes that nine out of twelve of the jury should have the power to convict.

PROFESSORS ATTEND TUDOR DRAMA EXHIBIT

Professor Crawford Brubaker and Professor Paul Miller were among the professors of English from Southern California colleges and universities who assembled recently at the Henry E. Huntington Library and Art Gallery at San Marino to inspect a special exhibit of Tudor Drama prior to its public opening on October 1. The guests saw some of the rarest and most important manuscripts and first editions of English plays in existence.

CONDUCTED TOUR TO LITTLE MEXICO

The International Relations Club plans to take a conducted tour of the Mexican quarter of Los Angeles Saturday, October 22.

This will include visiting in real Mexican homes of various kinds, eating dinner in a Mexican restaurant, and seeing a Mexican motion picture. This gives an accurate picture of Mexican life, for the people in this section make their institutions and daily life in this section as nearly like that in Mexico as is possible. They have carried over their culture into the country until this section of Los Angeles may be called "little Mexico." This is a valuable trip to take for anyone who is interested in knowing Mexican life.

LEOPARDS TO BATTLE POETS TONIGHT AT ARNETT FIELD

INTENSE RIVALRY KEYS-UP TEAMS

More than 250 students and loyal supporters of the orange and the green turned out last night to the Fox Sunkist Theater, for one of the largest and best school rallies in history.

The great pep social was preceded by a regular show program. The main feature, Constance Bennett in "Two Against the World," was followed by a pre-view, "No Living Witness." Added attractions on the screen were a Fox news reel and a football reel suitable for the occasion.

After the shows were over, Mr. Jenner, the manager of the Sunkist Theatre, presented the football team with a beautiful autographed football. It is his hope as well as every LaVerne student, that "Leo" conquers the Whittier Poets and then on to the conference championship.

After the presentation, Elbert Ebersole led in a number of school yells which rang out in such a volley of thunder that everyone in Pomona, LaVerne, San Dimas, and even Whittier could almost hear them. Mixed in with the yells were a number of pep songs and talks. A stunt was prepared for the occasion.

What was all this for? Well, of course if you were not there you could not possibly have the spirit and determination to "Punch the Poets" that was manifested at last night's rally. Anyone who was not there last night come out tonight at 8:00 o'clock and see the LaVerne varsity march down the field to victory.

MYSTERY CAR VISITS WHITTIER CAMPUS

The Frosh class may be small but when the do things they do them in a big way.

Tuesday morning our orange and green stickers came out with the words "Punch the Poets" printed on them in bold type. The Frosh, as usual, were given the privilege of seeing that they were placed on cars to advertise the game and give everyone a chance to show some real spirit. The faithful Frosh who had no classes canvassed the business district of LaVerne placing a sticker on every car that could be found. When all the LaVerne cars had been "stuck," the Frosh set out for new worlds to conquer.

First came the Frosh, next the stickers, next an idea, next a car, and last but not least, gasoline to persuade said car to run. When all these factors were united in one spot, nothing could keep the total members of the party from setting out for Whittier.

Whittier campus, of course, would be the ideal place to find ardent supporters who would be desirous of having these attractive stickers placed on their cars, or modes of transportation usually found around colleges.

Conversations were held by some with various people about the game and prospects of different teams in the conference, while others went about the business of the morning, namely, decorating the campus with a desirable tint of orange and green.

When the cars ran out sooner than the stickers, experiment proved that administration building windows and doors were just as good a background for stickers as car windshields.

When the business of the morning was completed, the unknown car departed from the Poets' campus, leaving behind it numerous decorations and advertisements.

Varsity game at 8:00 p. m.

Friday evening at 8:00 p. m. on the LaVerne football field there will be played one of the most brilliant and exciting games ever staged at LaVerne College. The Leopards, who always before have been counted out even before the game was started, are prepared to give the Poets their toughest battle ever staged with LaVerne.

Whittier, who took it on the nose from Occidental last Friday evening to the tune of 20 to 7, has its last chance to make a bid for the conference championship by defeating LaVerne. The Leopards have had a week's rest and all their physical as well as their mental actions are pointing to sweep Whittier off its feet and win that game.

The Leopards have Chief Newman worried and the Poets can expect some real tricky plays to be used against them Friday evening. It was noticed that the Chief had all of the Poets' numbers mixed around in the Occidental game and it was rather confusing to the game announcer.

The Poets have a large squad of men and there will probably be plenty of substituting. Krueger is their real threat, being a very fast and tricky runner. Marshburn, Chapman and Arrambide are also the mainstays of the team and should have plenty of action.

"Red" Montgomery, the Leopard quarterback and safety, is expected to give the Poets some real worry, along with Brooks, his teammate. Peewee Lathrop may be able to put in some time, but it is rather doubtful. Forney, the Leopard captain, may see plenty of action, although he has been out for several weeks with an injury. In the line, Noll, Bessey, Swihart and Calvert are expected to give the Poet linesmen some of the toughest competition they have seen this year.

The students and alumni are behind the Leopards 100 per cent and are going to back their team to the very finish. With all of this spirit and that of the team, the Poets are going to be taken for a ride Friday.

The Whittier line outweighs the Leopard forwards considerably, while the back fields are nearly equal, giving the Poets a slight edge in weight.

The probable starting line-up:

Whittier		LaVerne
14 Warner	REL	Wright 5
41 Dietrich	RTL	Swihart 25
20 Glover	RGL	Noll 6
19 Duncan	C	Calvert 18
26 Batson	LGR	V. Heckman 3
44 Gibbs (capt)	LTR	Bessey 33
10 Wood	LER	Kercher 26
34 B. Krueger	Q	Montgomery 11
2 Mashburn	RHL	Davis 5
33 H. Krueger	LHR	Brooks 30
45 Soeberg	F	Stern 4

JUST LOOK AT THIS!

Whittier defeats LaVerne, 66-0 (1929).

Whittier defeats LaVerne, 54-0 (1930).

Whittier defeats LaVerne 26-13 (1931).

But

LAVERNE defeat Whittier—(1932).

Punch the Poets!

Mention of Ford reminds us that he was recently credited with having said, "I would quit making cars if Prohibition were repealed!" It would be a great pity to have Detroit's two leading industries destroyed at one blow.

FRESHMEN PUT ON C. E. PROGRAM

A program put on by the Freshmen was a special feature of the College C. E. last Sunday evening.

Roscoe Vaniman was in charge. Merlin Eisenbise led the devotions, Ruth Miller presided at the piano, and Prof. Crawford Brubaker was the special speaker, talking on "Obstacles to Christianity."

THE CHARGE OF THE LAVERNE LEOPARDS

(With Apologies to Alfred Lord Tennyson.)

Fifty yards, fifty yards,
Fifty yards onward
Into the Poets' field
Fought LaVerne Leopards!
"Forward, you Leopards!
Tackle their line," said Red;
Into the Poets' field
Fought LaVerne Leopards.

Poets to right of them,
Poets to left of them,
Poets in front of them
Tackled and fumbled.
Encouraged by cheer and yell,
Bravely they fought and well,
Into the jaws of death,
Into the fray they fell—
Brave LaVerne Leopards.

Flashed all their tricky plays
Flashed in the worst of frays,
Bewildering the Poets,
Charging the Quakers while
All the world wondered:
Fought the opponent folk,
Right thru the line they broke,
Linemen and backfield
Gained goals and yardage
Dauntless, inspired.
Then the game ended.

When can their glory fade?
O the grand charge they made!
All the world wondered.
Honor the charge they made!
Honor LaVerne Leopards,
Noble their victory.

LAVERNE CAN BEAT WHITTIER!

Can LaVerne beat Whittier? LaVerne, that so-called little college way out here in the sticks, can she beat the school which with good reason has been "doped" to be the season's conference champions? Yes, WE CAN. And that isn't idle optimism.

I am thinking of the game last year. I am hearing about the games before that. Defeat looked into my eyes. I see headlines which state that Whittier has again trounced LaVerne. But now I look into the future and see a great change—LAVERNE defeats Whittier. Our Leopards are real; they will fight to the finish; they will be VICTORIOUS even though there be

"Poets to right of them,
Poets to left of them,
Poets in front of them"

as they fight it out under the lights tonight.

Whittier may be expecting to duplicate the drubbing they have given us these last years. Those of us, however, who saw our Leopards win the first two conference games know that it can't be done. The Leopards will give the Poets and the rest of the conference another grand surprise which will make good conversation for the next fifty years. But, if we do lose, we will lose gloriously. LaVerne College will be proud of you; we are behind you; we believe in you.

Nevertheless, if we are to achieve any such triumph as to win another game toward our goal—a Southern Conference championship—the whole student body must continue in these last few hours, to "Punch the Poets." It may seem like yelling for less than nothing when the teams are fighting down the field toward the wrong goal post. But remember this—it's never, in the least, futile effort to let the team know you are wholeheartedly and loyally supporting and encouraging them on to VICTORY. Don't fail to show that all your cheering at the rally was not merely hot air. We can beat the poets.

LAVERNE CAN NOT BE BEATEN!

RECENT DINNER PARTY ENJOYED ABOARD LINER

"Ship Ahoy!" And the huge liner, "Good Ship Youth" launches for "a family night cruise," with Stewards A. A. Frantz and A. J. Beckner at the helm and Captain Dr. Emmert announcing scheduled ports.

Such was the incentive for much fun and frolicking, with just enough seriousness to make the Mothers' and Daughters' and Fathers' and Sons' banquet held in Fellowship Hall on the evening of October 14 one of the most unique affairs yet held—given under the auspices of the Mothers' and Daughters' Association.

After the "elite" society folk had arrived later, purposely for the benefit of showing off, and after the steerage division had been filled with poverty-stricken parents and kids, Mrs. Harrison A. Frantz, president of the M. and D. Association, welcomed the entire crew.

Ralph Schrock's musicians entertained with peppy band selections, which kept the company from acquiring any serious cases of seasickness, although it was necessary for a few individuals to hunt the "side rail" after indulging quite intemporarily in the bountiful feast which the tables displayed.

The steerage division was found to contain a little dark haired miss with red-checkered dress, and a blonde boy with red checkered shirt and blue jeans, both of whom entertained the company with violin duets. The couple, Alta McQueen and Maurine Hamann, were probably of Scottish descent, in view of the eagerness they showed in picking up the pennies which the first class passengers tossed up to them.

Miss Kathryn Brandt spoke on "The Port We Are Bound For" and Marvin Bollinger sang humorous selections, with Dan Stover at the piano. George Hollenberg described the best "Chart and Compass" for use in steering of the Good Ship Youth; Mrs. J. H. Kreps described the "Storms," ending with a poem written for the occasion by her sister, Mrs. Myra Welch.

Roy Hylton spoke on "Derelict Ships" and Miss Evelyn Deardorff on "Beacon Lights."

June Walker, Mary Ebersole, Doris Beckner, Maurine Moomaw, Eunice Throne and Dorothy Frantz sang "Goin' Home," as a sextet number, at the close of the program and the Rev. Galen K. Walker pronounced "the ship safely into port."

The program closed with the singing of "Jesus, Savior, Pilot Me."

An appreciation applause was given the committee in charge, Mrs. H. A. Frantz, Mrs. Walker and Mrs. Perry Schrock.

MODERN LANGUAGE CLUB HAS MEETING

A French program arranged by Vera Mae Shafford was the special feature of the Modern Language Club meeting held last week at the home of Miss Lear.

Vera Mae Shafford and Anna Messamer sang the French national anthem; Maurine Hamon gave a reading, "The Old Story"; Vernon Heckman gave a talk on French art and showed many French paintings, and Fern Rule gave a talk on French music.

The president, Irene Blackerby, urged that all members pay their dues immediately, and it was planned to have the initiation of the new members at the next meeting. In case you don't know, the new members are those girls and fellows who are wearing black and silver hair ribbons and neckties.

It is easy to explain the report that telephone calls from the United States to Europe have fallen off during the summer months. The only Americans who can afford 'em are already in Europe.

CHANGE IN CALENDAR

The Ghost Party announced for Monday night has been postponed to Wednesday evening at 8:15 at Miller Hall.

STUDENT HALLOWE'EN HAYRIDE AND PARTY

O--o-o-o-o! Too whoot wooooo! Youooo!

"Ghostly greetings to you!" Thus will you cry if you attend the student body Hallowe'en frolic on October 31st, when dignity crashes blindly away and when otherwise prim and pert individuals tumble all over a load of hay on their eerie way to some vacated, haunted, "skeery" barn.

Various ones will, no doubt, dangle within or uart way out of their clothes, as it's a hard times, old clothes affair (modernistic, in other lingo). And no dainty "tidbits" to nibble—instead, a real old-time box social—price limit 25 cents. (Good place to get rid of stale cake and what-nots.)

All this gruesomeness will be a grim reality, October 31, and the only thing one worries about is whether, with a little encouragement, one might actually go "buggy" in the "bughouse" that is in store for us on Hallowe'en night.

Arrangements are under the direction of the Commissioner of Welfare, Elizabeth Lehman.

MONDAY EVENING DATE OF SENIOR-SOPH PARTY

The traditional Senior-Sophomore party is to be held next Monday evening, October 24, in Fellowship Hall.

It is rumored that the Seniors are inviting the Sophs to a studio dinner party where some well known actors and actresses will be presented. Various entertainers of note will take part in the program, including a feature number by a famous radio crooner.

"The evening event is indeed promising," quoth the committees.

KING BERSHAZZAR HAS SPLENDID RECEPTION

King Belshazzar reigned once more when the Wright California Players presented "Feast of Belshazzar" Tuesday evening in the college auditorium.

The action takes place in the palace of the king and beyond the rich hanging draperies is seen Babylon, the most colossal city of the world, especially painted by the Spanish artist, Macias, for the Wright California Players.

This was the tenth annual tour of the Wright California Players in their presentations of Biblical dramas, and this play was the greatest of them all in its gripping realism, powerful climaxes, and never to be forgotten lessons. One tense, thrilling moment followed another as the characters appeared on the stage. It was a magnificent religious drama with gorgeous costumes, beautiful stage settings, transforming a platform into a colorful scene of oriental splendor.

TROUT SERVED TO CADETS AT AZUSA

October 10, the Azusa Practice Teachers' banquet was held at the Azusa Angling Club. A very appetizing trout dinner was served, and an informal program was given. The faculties and trustees of the four grammar schools of Azusa were present with their families. The cadet teachers were introduced to one another and to the faculty members. LaVerne cadets present were the Misses Arnelia Brubaker, Frances Horner, Anna Messamer and Edna Samson.

The "Serenade" by Victor Herbert has been selected for the annual opera to be presented by the Modesto Junior College next spring.. This announcement was made early in the week by Edna Barr Love, who will direct the musical portion. Joseph E. Whitaker is to have charge of the dramatics. The "Serenade" is known as the musical masterpiece of this well known composer.

And now take the inhabitants of the Sandwich Islands. They don't even know what a sandwich is.

SENIOR DISCUSSIONS OF TIMELY INTEREST

The Senior class held a meeting in the home of Mrs. Larimer on Monday evening, October 10.

The class met in order to discuss plans concerning the coming Senior-Sophomore party. After much discussion and planning, the business of the evening was completed.

Group singing held the class about the piano until refreshments of punch and cookies appeared. Immediately following the emptying of the punch bowl, the Seniors left, presumably for home and study.

PERSONALS

Eleanor Shepp took the 11:14 train home Saturday night because of an unexpected visit there of her fiance.

Dr. and Mrs. Studebaker, Mrs. Holsinger, Miss Muir and Vera Mae Shafford attended the concert of Lily Pons in Bridges auditorium Wednesday evening.

Helen Heisey and Merlin Eisenbise were dinner guests of Rev and Mrs. G. K. Walker Sunday.

Vera Mae Shafford experienced a long hoped for motorcycle ride on "L" day. She rode down the mountainside between Johnny Harshbarger and Melvin Bowman.

Ruth McReynolds, Elwin White, and Melvin Folles spent last week-end at their homes in Oakland. Manual Kwon and Howard Nordstrom accompanied the other three, Manual to see his mother in San Francisco, and Howard to spend the week-end at his home in Kingsburg.

Mary Ellen Lauver spent Sunday with Edna Samson at her home in Pomona.

Russell Frantz enjoyed a visit with friends last Saturday when he came home from Santa Barbara, where he is engaged in "hospital activities." Russell returned Sunday afternoon.

Miss Helen Buckley, student at Santa Barbara State, came to LaVerne for a brief visit last Saturday. She returned to Santa Barbara with Russell Frantz, medical student.

This week-end Miss Ruth Carroll enjoyed a visit with her sister, Clovie Carroll, who teaches in Riverside.

Mrs. Myrtle Howes of Pasadena was the dinner guest of Miss Alta McQueen on Sunday.

Miss Maurine Hamann attended the dance recital at the Jean Marie Beale Studio in Pomona Thursday evening.

ACTORS WELL FED IN "MR. MARY SAWYER"

The old saying, "you can't eat your cake and have it too" is reversed in the current comedy, "Mr. Mary Sawyer," at the Pasadena Community Playhouse, in which Emerson Treacy and Gay Seabrook are featured. Every performance, a large freshly baked anniversary cake is served in one of the scenes, together with other delicacies in the food line.

Following the current presentation of "Mr. Mary Sawyer," Margaret Clarke, popular Playhouse actress, will play the title role in "The First Mrs. Frazer." Addison Richards, popular actor and associate director of the Pasadena Community Playhouse, who has been on leave of absence during the summer, returns to play a leading role.

FORESTS ARE POPULAR

California's national forests are the most popular in the United States.

According to a federal report on file with the state department of natural resources, national forests in California were visited by 17,454,748 persons last year.

As compared to this recreational use of the forests, Arizona had 2,818,534 visitors to its national forests; Colorado, 2,265,071, and Oregon, 1,652,000.

It is estimated that all such federal areas were visited by 32,228,613 persons, a record total.

Eight members of the Occidental college faculty were given the distinction of having their names placed in the Who's Who listing. All are Phi Beta men.

FORENSIC DEPARTMENT HAS GOOD MATERIAL

Forensic activities for the new year have already begun. Enthusiasm is running high, and some very promising material has been discovered. LaVerne stands an excellent chance of climbing to a top rung on the forensic ladder for the year 1932-33.

LaVerne was hostess at the Women's Conference fall business meeting, on Oct. 8. Conference officers were elected; the question for debate was decided upon, and all other business was taken care of.

The Men's meeting was held at Cal-Christian the week before.

Tryouts for the extemporaneous contest for both men and women were held in the auditorium Thursday, Oct. 20, at 3:45. The two candidates selected will go to the conference contest which will be held this year at Cal-Christian College Nov. 15. The candidates were Helen Heisey and Maurine Hamann for the women and Edwin Baer and Manual Kwon for the men. All four are well qualified, having had considerable previous speech work.

Debate will start very soon. The Pi Kappa Delta question has been chosen for both men and women. A preliminary tournament is to be held at Redlands in December, and the final conference tournament will be at Caltech some time in February.

Royal Glick is the only one from last year's victorious men's team who is back this year; nevertheless, some promising new material is at hand. Arnelia Brubaker, Helen Heisey, and Virginia Stern are the last year's women's recruits who are back, and expected to be in the fight for a place on the team along with new matrial.

LEOPARDS COME BACK TO UPSET SAN DIEGO

Aztecs Outgain Leopards in First Half But Are Nosed Out in Final Stanza

The Aztecs had their own way most of the time in the first half of what proved to be one of the most thrilling games of the season. The Leopards drew first blood by scoring a safety early in the game. San Diego then proceeded to score a touchdown and the score remained 6-2 in favor of the Aztecs until the half ended. marched down the field on a sustained drive featuring a 25 yard pass from Brooks to Hylton and another pass from Elder to Brooks, which made a first down on the 3 yard line. Frank Elder made two yards thru the line and Brooks went over center for the touchdown. Brooks converted by a drop kick and LaVerne again led 9-6.

In the fourth quarter "Pete" Walker slippery backfield ace of the Aztecs, went over guard and evaded the Leopard secondary to carry the ball 45 yards to the LaVerne 3 yard line. Walker then scored on the second play and the Aztecs led 12-9.

LaVerne scored once more in final period, Brooks flipping a short pass to Davis for this final score. This score was a result of some brilliant runs by Montgomery, Brooks and Adams.

The LaVerne offensive stars were Brooks, Montgomery and Adams. Elder starred with his passing and Davis by blocking. Stern played a good defensive game. Outstanding in the line were Calvert, Bessey and Wright.

Bill Bailey and Pete Walker starred for the Aztecs on offense and Molsolf and Wilson on defense

WHITTIER CALLS OFF GAME WITH KITTENS

The Frosh football team of LaVerne College, under the able direction of Coach Dale Glick, has represented LaVerne very capably so far this season. They have had four games, losing to Riverside Junior College by the small score of 13 to 0, which was considered a good day for the frosh due to the fact that the Riverside J. C. eleven were champs last year. The second game was with Citrus High School which the Frosh won.

The third game was with the trong Pomona J. C. eleven, which he Frosh were unable to stop.

It was in the fourth game of the eason that the Leopard "kittens" roved their worth. This game vas with the strong team of Pomoa high school, which scored 13 oints in the first few minutes of lay. This antagonized the Frosh nd they suddenly realized that unless they did something about the ituation, they would be disgraced n letting themselves be defeated y a high school eleven. They start- d an offensive drive which Pomona vas unable to stop and the game nded LaVerne 20, Pomona high 13.

The Frosh forward wall is very capably taken care of by the following players: Melvin Folles Willard Davisson, Dean Fessler and Bill Butterbaugh at the ends; John Harshbarger and Bob Crago at the tackle berths; Marlin Chancey, Roy McCollung and "Swede" Vaniman at guards, Bob Haines at center. Bob not only is a very capable center on the offensive but also is a demon on the defense, busting up the opposite plays a considerable number of times in each game.

The backfield was somewhat handicapped at the first of the season by having only two men who had any backfield experience bebefore, Harper Lehman and Harold Arnold, from Bonita high school. Coach Dale Glick moved Wollard of El Monte from the running guard position to the outside half birth or wing-back, and he is now filling that position. Dale also needed a fullback. He found Johnny Itzana from Oceanside, a 185 pound of dynamite on the offensive and hard man to "take out" on the defensive. Fred Doerr takes care of the other wing-back position very capably.

The offensive punch of the Kittens is dependent upon Harper Lehman. He calls signals, does all the kicking, all the passing, besides carrying the ball most of the time.

As Whittier has called off the LaVerne-Whittier frosh game, it is not known at present when the first frosh conference game will be.

"By keeping silence when we ought to speak, men may be lost. By speaking when we ought to keep silence, we waste our words. The wise man is careful to do neither."—Confucius.

1932 LEOPARD RECORD IS IMPRESSIVE

The LaVerne Leopards started the 1932 football season with a scrimmage against U. C. L. A. at Westwood. The Leopards proved their worth by falling before the Bruins 21 to 0. This was considered very good for LaVerne, as U. C. L. A. is one of the strong teams in the coast conference this year.

Two of the Bruins' touchdowns were made on passes and the third was made from scrimmage.

Cal-Christian Trounced

The first game of the season played under the arcs at LaVerne was with Cal-Christian. Cal-Christian started an offensive at the first of the game which lasted only three or four plays. The Leopard forward wall then took the game in hand and LaVerne marched down the field to a 25-6 victory. The C. C. C. touchdown was made as a result of a pass which Brooks knocked down. On doubtful pretense it was claimed that he interfered with the receiver, hence the ball was given to Cal-Christian at that point. They then proceeded to make a touchdown, their only one of the game. The LaVerne team looked rough in spots, but most of the rough edges have been smoothed off.

Gridiron Kings Smothered

The Techmen who for two years have ruled the gridiron roost were ecisively defeated by the LaVerne Leopards who journeyed to Caltech. The Leopards were powerful enough to bring home a 21-0 victory from the Caltech field. The Leopards scored in the first period but failed to convert. They scored a safety in the second period and two more touchdowns in the final period of play. Forney and Montgomery were the offensive stars of LaVerne for this game.

SOUTHERN CALIFORNIA CONFERENCE DOINGS

The teams who once held down the cellar position in conference gridiron clashes have turned the tables on their once mighty rivals and are riding on top. It is true that the seats on top are about as stable as the back of a bucking horse but nevertheless they are there. LaVerne and Redlands are the only teams which at present remain undefeated.

In last week's conference clashes Caltech continued holding their cellar position by falling before Pomona 6-3. Redlands stayed in the race by soundly trouncing Santa Barbara 33-0.

The big upset of the week was pulled by Oxy. The Tigers went to Whittier favored to take a sound beating, but to the surprise of everyone including, themselves, they emerged with a 20-7 victory. It is true that Oxy got the "breaks" to help out their offensive, but it was an inspired team of Bengals who, led on by Tuffy Reed, refused to allow the Poets to cross their goal line more than once.

Come on, Leopards. Oxy proved that Whittier can be beaten, so here's your chance to show what you're made of.
