

Wabush Lane School,

October 16, 1891.

Dear Father,
Your nice long
letter came yesterday and
was much enjoyed.

I wrote from
yesterday so I have no going.
The half vacation from
2 o'clock Wednesday to
Monday morning. The
girls that live near here
are going home.

I thank you all
for writing to me so
often and I wish I could
write every day to you.
I suppose I shall need
the Pocket to-day and
that will be almost as

good as a letter.

I have no wife
and very little. I think
it is going to be a man
day for October.

I am getting along
nicely with my studies
and do not know to
study very hard.
I will and

hope all at once to
see. I should like to
write a longer letter
but I expect to hear the
break fast fall very very
much.

Also O. H. I say any
thing beside mamma.

He must look very cunning
when he sleeps.

I received a letter
from Mary Cameron

Tuesday
I wish you to all and yours
To Baby Stone.
Your aff. daughter,
Georgia Heller.
