Dear Mother: -

Your nice letter
was received. Yesterday and
yesterday I did a registered
letter from Father. I am
very much obliged for the
money and money.

Mrs. Richards gave
another ten yesterday after-
noon. Three of the girls
helped receive. I enjoyed
it more than I did the
first one because I knew

What - to me said say.
The girls that - don't receive
- go - and call just as
if they lived in another
house. Of course, we
can not help wondering
when we speak to the
girls.

I suppose this week
will go very slow as
I am very anxious for
Friday to come.

This morning I attend-
ed church and we
have just - gotten out
for the after-noon.

Friday after-noon we are supposed
to be very quiet as most of the teachers
go to sleep. I generally sleep from
four until half past four. I will
have my things etc made & get home
from nine and hope you all are
thank - you to you and all

Your affectionate daughter,
Georgea Miller
