Dear Mother:-

Last evening, I received a telegram from Margaret who is staying at the Windsor Hotel in this city. She wished to know when I could meet her at the Broad Street station and I answered the message and am going into Philadelphia at 1:46 this P.M.

For a long time Mrs. Bloodworth has been writing to Lucy about my going home with L. when she wrote and Lucy wants me to write and see what you think about it. The Clara Brundage and L's brother go by steamer

The 4th of June, and arrive
in Savannah the 6th. Should
Lincoln like to take the trip?
Clara intends to stay about
two weeks, and think we could
come home to gether.

Ask Father what he
thinks about it, and please
write just what you think.
If Lincoln would go I
should like to go. He could come
home when he was ready.

With love to all
Your affe daughter
Georgia Hilles
