

Habnash Lane School

October 30th 1892.

Dear Mother, -

Today night after
much conversation I took
a glass of hot lemonade
and went to bed in hopes
of curing my cold. Yesterday,
I read a little letter
in the forenoon, we had
evening hours from nine until
ten and from eleven until
twelve I practiced. After
lunch, Lida Cochran and
I went down to Main

street because I wanted to
get some apples. He returned
about three o'clock and the
remainder of the afternoon
I spent in helping different
men with their costumes.

Until the telegram came
I was trying to think what
I could represent. There
such had crossed me to
be one of the "seine fathers"
and I had decided to do
that. I was not satisfied
with it because I feared the
girls would recognize me.
The box mill, no doubt, arrives
to-morrow morning. I

imagine that this masquerade
will be a greater success
than the one we had last
year.

After dinner last evening
I helped Ruth Brown with
her costume. She is going
as "Little Red Riding Hood."
At nine o'clock Mrs. Richards
brought me up a hot-
lumonade and after tak-
ing some grapes I quitted
with the lumonade, I went
directly to bed.

This morning, I found
my cold still there but
had no sore throat. At
first I thought I would

not go to church but that
decided to do so. I may say
that that I did because
the Bishop of Wyoming
and I believe Rev. Walter
preached, the text was
John Mark XV - XV more
and he said unto them,
Go ye into all the world and
preach the gospel to every
creature. His sermon was
excellent. Mrs. Richards
invited him up to speak
to us and about two o'clock
he came. He told us about
a school for girls that he
has started in Boise City.

³
The school opened in September
and has fifteen members
and thirty should pay
sixty day scholars. What
he wants to get is scholarships
of \$1.50 to enable some of the
poorer girls of Idaho to attend
the school which is called St.
Margaret's School for Girls.
After he finished speaking
Mrs. Richards told him that
H. & S. would try and take
a scholarship. I suppose we
will give a pair or some
other entertainment to raise
the money. Rev. Walter

trache at St. Louis on
Main Street at four this
afternoon.

This evening, John
Pannashur is to address
the Y. P. C. S. of the second
Presbyterian Church. I wish
we could go but I fear
Mrs. Q. will object to so
much dissipation.

My hat from Othacildis
came last evening. It is
perfectly satisfactory.

The snuff that you ordered
from Blaylock and Blymes
has not come yet. I inquired

if there was a package at
the station and they said
there was not. Therefore, I
suppose it has been misrout.
Maybe it would be more
prob. Margaret to write
them a letter about it.
Her number is 824
Chestnut Street. I would
write but think it is not
for Margaret to, because
she knows more about
it than I do.

My cold is much
better, I have no sore
throat or cough, only an

help. I was thinking my nose.
I put a horse blanket on my
chest Friday night and that
has saved me from a
nose cold.

To-morrow is the last
day of October and then our
refuge is made out. I
suppose mine will be sent
to you this week.

I remain a long time
until Christmas but then
the time will go as quickly
as it has this month. I
wonder what I hear I judge
that school will close the
23rd of December for the

holidays. If it does I
shall come on the after-
noon train because I have
been away from
home on the 23rd and do
not want to be.

I think I have told you
all the news and about
everything here.

I do not worry about me
because I shall have good
care.

Love to you and all at
homeland. Cheers to you.

Your affectionate daughter
Margaret Wheeler.

C.S. 7 o'clock

At supper, Mrs. Richards said
we might go either to St. Peters
or to the Presbytere. I will go
to the latter and hear John
Nanamaker. Will mail this
on the way.

Your loving Georgia.
