Dear Mother -

As I had planned,  
I went into the city to  
do some shopping. I bought  
a long skirt at Starbuck's  
& clothing. It was the same  
kind of goods as the one  
Margaret and I ran at  
Mansuavis. I also bought  
two pairs of flannel drawers  
and paid \$2.20 each for  
them instead of \$1.85.

the one, I purchased before,  
I shall bring home and  
you can give them away.  
Thursday morning when  
Dr. Robinson spoke to  
us, he said there was  
nothing better than learn-  
ing Spanish by experience  
and I think I have  
predicted by buying the  
right kind and placing  
I bought a silver hair  
pin at Bailey and may  
shall give it to Mary  
Cameron for an Anna

present.  
I mailed a nice note from Father  
in the morning mail yesterday  
Saturday making the 19<sup>th</sup> Mrs. Richards  
give a musical, the Boston Ladies  
Club are to sing. My school is in the city this week  
and perhaps some of us will go  
to the Saturday matinee some of

some tawny Darns in  
Oropeta last evening.  
Carrie Elias received  
a box of potatoes from  
home, Squaw, last  
Thursday and Friday  
night (she invited a few  
of us to her room where  
we had crackers & jelly  
buckles, potato chips and  
English walnut cake. She  
jelly tasted so good because  
it was the first I had had  
since coming to school.  
It at Thanksgiving

time you have any good  
things to eat that you do  
not want, they will be  
thankfully returned at  
H. S. S.

Was anyone at Cornsdale  
Mary Conklin's Washington  
address? I am in a  
letter and would like  
to answer it if I had her  
address.  
Must study my Bible lesson  
now.  
Love to all,  
Your loving daughter  
Josephella Wells.
