Dear Mother -

Monday after-noon

all of the returns have not
been received.

I received a very nice
letter from Father yesterday
and a letter from Father
and one from Lizzie
Monday.

Must study my
spelling book.

With much love for
a happy birthday.

Your affectionate daughter
Georgia Miller.

P.S. We have had spelling. In a few minutes
I go to the Latin class recitation and from
there to French translation. We are reading a French
play entitled "Le gentilhomme d'armes" of which
I got through making it with the class 11 o'clock.
Then I lecture for a half an hour and then go
to Calisthene in the same length of time.
I shall mail this when I go down to practice.

Your loving daughter
Georgia
