Dear Mother, -
there is little news
to-day and consequently this
will be a very short letter.

Yesterday afternoon we
had no and a teacher must
be a sleep-wake I was
am so many sleepers as
there were in the park.
We went almost into the city
and the sleeping could not
have been better.

To-day we went to
church and after meals had
a turkey and we cream dinner.
Will Margaret take
that guy with to Mother
Dorant. The first time to go

Mrs. George H. Heller,

into the city I shall try to get
a House fraist and that
will save Eleanor nothing
about it.

I wish the first one
who goes to Toranda would
have the prescription 08488
filled and mitter off.

Good-bye for now. I guess
I shall rest the remainder of
the after-noon.

Love to all.

Your affectionate daughter
Georgia Bellia.
