November 3rd 1892

Dear Father, -

It is now twenty five
minutes past seven and
breakfast will be ready
for soon, therefore, I write
with a pencil.

Yesterday, I sent you
my report for October.

I have given only one
envelope as should not
enclose another for you
to return the report in.

Write Nov 5/92

I have the honor of being
the only one who received
98% as an average.
I was much surprised
because I have not studied
very hard.

Most likely, my reputa-
tion will go down
with this month's report.

Please Tell Mother
that I received the
snuff yesterday.

Breakfast bill has
come.

Your aff. daughter
Georgia Thelma.
