

Here is part of a USGS topo map showing the location of the parcel in Bollinger Co. owned by the Dunns along the State Road from Cape Girardeau to Arkansas. The house shown on the 1837 plat (sent separately) seems to have been in the 40 acre parcel in the SE 1/4 of the SE 1/4 of Section 4. The early state road more or less followed the road shown on this map.
