Dear Mr. Pitassi:-

I have received your Estimate of what the Windows would cost ~~for Windows~~ in the Catholic Church going up in Morgantown. I want you to put in the same kind of Windows that you put in the Chapel in St. Mary's in Clarksburg. You will please begin right away on them. I will do my best to collect for them and that is no easy job. The price you state is give is \$4,184.00. It is surely quite a sum. I want you to do ~~an~~ excellent work on them.

Sincerely yours,

John Flynn
