Dear Mr. Pitassi:

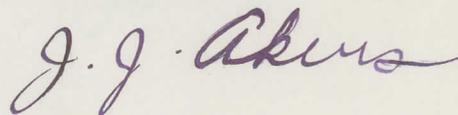

Re: Stained glass windows

Your letter June 26th received and noted. In the first place, we should know more about this contract. Have you a written contract with the Church, if so, we would appreciate a copy of it, as we do not seem to have it on record. We do not know if we are bound. Now, regarding a resumption of the work, it is difficult to forecast what could be done about this. We realize that the windows completed would greatly enhance our place of worship, yet, we are in no shape to undertake this now. The reasons are financial. I note that in April 1938 you wrote us, importuning us not to let other glass men come around and try to sell us. Of course we have had the contacts come around to see us, I mean unsought, by us. Let us hear from you, and then, we will write you again,

Yours truly,

J. J. AKERS
